

HEQ
Charolais
17th Annual Bull Sale

Bringing it Home!

FRIDAY, FEBRUARY 25, 2022 • 1:00 PM
AT THE FARM • INNISFAIL, ALBERTA

WELCOME

Bringing it Home!

A dawn of a new era for us. It has been a dream of Henrik and Jeralyn since they started farming to have a machine shed, 40 odd years later it happened! There is a 50 x 60-foot heated area for the sale. It will be a video sale and bulls sorted and penned in the yard. We want to express our thanks to Innisfail Auction Mart for having us for the last 14 years, always is a pleasure doing business with the Daines' and we look forward to more in the future.

We are very excited to show off our bull pen to you. They have thick tops and great quarters, the money-making triangle. Their dams are moderate to semi-large, the birthweights of the bulls are proportionate to that. Some of the sire groups are more cow type bulls and a few are more geared to heifer/second calver. All are capable of giving you the desired Charolais hybrid vigor.

Due to drought the calves were weaned 5 weeks earlier than normal. The last 2 weeks they were creep fed grower pellets in the field, something we don't normally do. Their wean weights reflect less than ideal pasture, but boy did they gain! As always, feed is analyzed and balanced TRM provided. This year we have given them their 1st shot of Foseguard. The bulls will be tested for homo polling, please check back with us or visit our sale link at buyagro.com or website or Facebook page.

We are excited to have this new bull sale format, but also a little nervous! We hope you can come by the farm before sale day to access the bulls and answer any questions you may have. Coffee is always on, and we look forward to the visit. Lunch is a go and we look forward to welcoming you to 'The Shed' on sale day, whether you need a bull or not!

FROM THE DESK AT T BAR...

Welcome to the 17th Annual HEJ Charolais Bull Sale, February 25, 2022. For the past 16 years, the last Friday in February, the Rasmussen Family, have hosted and supplied the livestock industry with high quality breeder and commercial bulls. For 2022, nothing has changed except for the fact that they have moved the sale location to the farm just east of Innisfail, Alberta. This allows buyers an opportunity of seeing the great lineup of sires in their own environment.

With little fanfare, great cow sense and dedication to the beef industry and the breed, HEJ have supplied value added profit earners for a multitude of repeat customers. Their principles are basic... each year they add one or two new sires to their program keeping in mind the strengths required to move forward. The herd bull battery is large, and they use walking bulls in their pastures. Each of these bulls have a specific trait and purpose. HEJ is the largest based red factor herd in the nation, so purchasers have a large lineup of red and tan bulls to select from. This 2021 crop is rugged, full of performance, muscle, hair, and testicle... there is no smoke or mirrors... just consistent quality for you to get a premium on your calves.

Plan to stop by HEJ anytime prior the sale and Henrik or one of the ladies will give you a preview tour including the mothers... feel free to give them a call to visit about the bulls which will suit your breeding intensions.

Plan to acquire your new Charolais sires at HEJ Charolais on February 25th whether it be with us in person, online or on the phone. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

www.dlms.ca

For more information call DLMS:
Mark Shologan 780.699.5082 or
DLMS Purebred Team 780.991.3025

Lunch:

The caterer is hired! They will be there before the sale to provide a COVID-19 regulation friendly lunch.

Delivery:

Free delivery up to 300 kms. Beyond 300 kms will be at cost.

All bulls are guaranteed to have passed a semen test. All bulls will also be getting first shot of fusoguard at semen check before delivery.

Board:

We will be happy to provide free board until March 30, 2022. After April 1, we will keep them at \$3.00 per day.

Bulls picked up on sale day or within 7 days of sale will be rebated \$100.00. All bulls staying at the farm after sale day must be insured

Right to Semen:

HEJ Charolais retains the option to collect semen on any bull sold in the sale at a future date for their in-herd use only. This would be at the seller's expense and the owner's convenience.

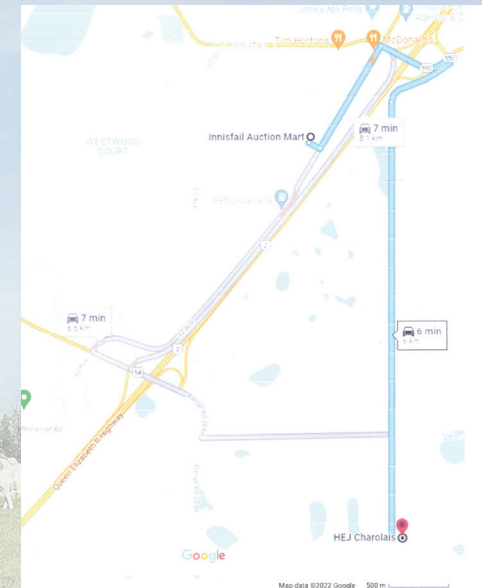

Sight Unseen Purchase:

Contact T Bar C Cattle Co. Ltd. or HEJ Charolais and we will be happy to help you with your purchases, should you be unable to attend the sale. Satisfaction guaranteed!

All bulls will be semen tested prior to the sale.

	RTP MISS PAYTON 20L		

We are excited to introduce you to this new sire group. We purchased Golden Boy with McKeary Charolais and Border Ridge Farms in 2020. He is a great all around bull that has calving ease in heifers, and power and performance for the cows. His EPDs are in the top 5% for wean and top 3% in yearling. The Golden Boy bull calves are the top performing group this year.

What's better than Gold? Platinum. This son of Golden boy has been a knockout since birth. The performance from Golden Boy combined with the calving ease from Affinity results in a smooth shouldered, long deep bodied individual with a great set of numbers to follow in his Sire and Maternal Grandires footsteps.

Here comes a POWERHOUSE! His picture is great but it still doesn't do him justice. He is a bull that you really have to get behind in person to see just how much muscle he has. He is also ranked in the top 5 of the bull in the pen right now, and when you look at those EPDs you can see why. His dam is a larger framed 2nd calver who produced, HEJ Holey Smokes 13H, who was one of last years top performers and high Sellers.

Talk about a performer! Jethro is a soggy long bodied, deep sided bull with a big butt, and a thick top. He is everything you need all in one. And he has a gentle disposition to top it all off. His dam is a moderate sized cow who put a lot of energy into raising Jethro and set him up for excellence. He came off pasture at a solid 762 pounds gaining 3.4 lbs/day and continued to grow at a steady rate of 4.2lbs/day to weight of 1350 on January 2.

Unfortunately some bulls just don't want to lift their head for a picture, 78J is one of them. His easy going attitude combined with his thick top and heavily muscled body make him one of the top bulls in the group. He strides out nice, has a clean sheath and lots of hair like his maternal grandsire Merit Roundup. His BW EDP is in the breeds top 2%

Turnbull's Duty Free is a well sought after pedigree and Everglade is one of his best. A high performing, homo polled and eye appealing bull he was the high seller in 2020 at Palmer Charolais. Hiway 21 Feeders purchased the bull, and we were able to obtain some exclusive semen for our use. He was used very successfully on both heifers and cows.

Gillette has been an awesome find. He is well muscled and stamps his progeny with it! He was given the task last year of catching up the late calvers. He succeeded, maybe a little too well! He is fertile and agile. He is docile and easily handled, something Dogpatch puts an emphasis on too and we can see it passed on to his progeny.

Another Round Up/Gillette pedigree that brings the thick topline and natural muscling together. The Gillette offspring are thick muscled individuals with ample length; accordingly, their birthweights tend to be a little higher but never an issue with calving ease. Breed this guy on your cows with little concern at calving and big smiles at weaning.

ISOTOPE - nearly identical chemical behavior but with different atomic masses and physical properties. That definition suits this guy. Has all the gain and natural muscling we expect from the Gillette calves but with his maternal background he brings a little more milk to the table. A really well-rounded individual with great conformation extreme eye appeal.

Let's give a toast to these Gillette offspring. This bull is pictured at 11 months old but it doesn't take much imagination to see him as a strapping 2 year old ready and waiting to get the job done and done well (Don't think it's been mentioned yet at the virility of Gillette!) He will sire performance. He will sire docility. Cheers.

In the top 4% for calving ease this tan fellow will be a good fit on those smaller framed cows. He has a nice wide topline and lots of thickness down the hindquarter. He has enough Charolais growth to make very sellable calves. And there is a good chance you will want to keep females from him.

NRCS

Notes

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for

fulfillment of all guarantees and representations made hereunder.

Rights and Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
