RED & BLACK SIMMENTAL / RED ANGUS BULL SALE

MARCH 24TH - 2:00 PM
AT THE RANCH, ROSEMARY, AB

WELCOME FROM THE JANZEN'S

Another trip around the sun for our annual bull sale.

We made a tough choice to move the sale to March 24 even though it was working to sell in February, but the weather was not. Three bad weather years in a row and this year we would have been clipping, picturing, and videoing in the cold spell during Christmas, but as I write this it would have been sale week and it's plus 10. We felt that with the sale so early the bulls weren't at their full potential and a little more time to develop wouldn't hurt. Seemed like with the early sale it was a rush to get weaned, combine and hay all at once. We weaned on September 20th and could nicely bring them on feed and not have to be stressing them with a nice gradual start to their feed test. Now with the sale closer to their one year of age and with good weather we can have few more tested and ready to go.

The bulls might be one of the most even group we have raised to date. A couple new sire groups for this year. Alliance sun that we purchased for his complete package. Calved nice and had outstanding weaning weights, he saw a large group of cows last summer which turned out to really good cause it was a bad day when he was found cast in the pasture. We have been doing little embryo work again and decided to keep a One of a Kind/Specialist son to use ourselves. He is a huge performance kind sire group. The other new sire group is Cold Case that was used in the heifer pen and could be the easiest calving bull ever. Matrix daughters are turning out to be pretty tough to knock, moderate, easy fleshing, and udder quality. Kinda short on black bulls this year. Milestone had more reds than blacks and was heavy on heifers. The Red Angus bulls are sire by the new Tex and seems to be a nice combo to calving ease friendly and not losing any growth.

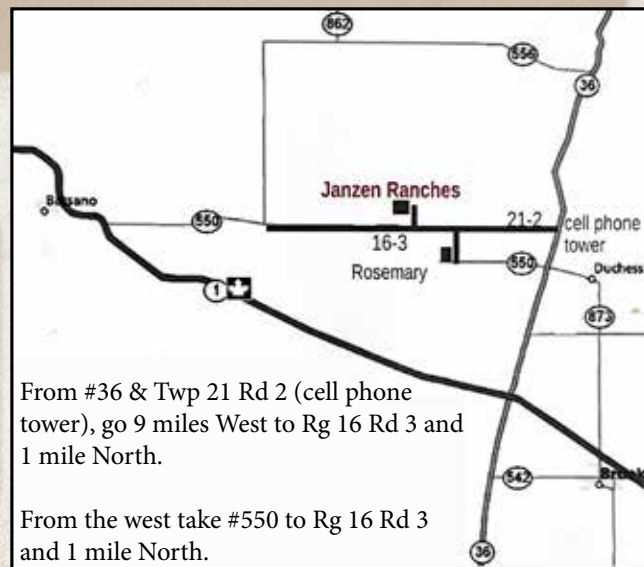

We understand with the sale moved back it might your busy calving time. We encourage anyone who likes to, come before and look, the videos are planned to be done around the end of February. As always you can call any of the crew that are here sale week.

Hope the rest of the year goes great for everyone and hope you can attend.

JANZEN RANCH SALE LOCATION
2:00pm - Rosemary, AB

WELCOME FROM TRANSCON

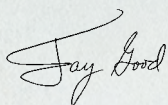

New Sale Date! In an effort to service bull buyers better, a later sale date in the season has been decided upon. This allows you to purchase your bulls closer to your own respective breeding season, by having a better idea of how many bulls you may really need in the upcoming breeding season. We know things can change, such as acquiring more pasture, injured herdsires or maybe you've had time to semen test, taking more of the guesswork out of things and not being left scrambling. I think this is another great step the Janzens have taken to assist their high percentage of repeat buyers!

Of course the offering, as per normal, are sired by almost exclusively owned herdsires by Janzen Ranches. They take this job seriously, to provide strong sire groups of brothers to sell, not to mention the quality daughters that go back to the herd to raise the next round of uniform calf crops.

The obvious at Janzen Ranches, as mentioned above, is the high percentage of repeat customers that validate the sound, good footed bulls with longevity bred into them very intentionally. Potential new customers, take note, you're welcome to participate too!

We are here to assist any of you with any buying assistance you may require in your absence. Please call any of our cell phones listed to access this highly-trusted, proven service that many producers count on for their bull-buying needs.
