**27TH ANNUAL BULL SALE**

Monday, April 4, 2022 \* 1:00 PM

**Jon, Shelly, Tyra, Jon, Jim & Jorja**

Welcome to the Justamere 27th Annual Bull Sale. As I write this forward today, it's blowing and snowing. Needless to say, we are thankful for all the moisture, but as the feed stack gets small, I think it is safe to say that we are all ready for spring. Last years severe drought in this area and most of the prairies has challenged us all. We believe it also has made us take stock in what we truly believe in. At Justamere it has always been faith in what we do — family always comes first and friendships that can be counted on in good and bad times. We are truly thankful for our customers and our fellow cattlemen and women that make up this great industry.

We have again taken every step to put together the best we can offer in these 57 bulls raised from 200 purebred cows. We believe that certain criteria must be met before our cattle make the cut for a Justamere sale. Function, efficiency, ease of calving, combined with performance and carcass data that is well balanced and true to the animal. One thing I go back to is something my dad always said that is as true today as it was 30 years ago, "Computers and numbers are a tool to utilize. But cowboys feed their cattle, they raise their cattle, and they adjust to what is brought upon them by Mother Nature." After the last couple years, I believe that this is very true. We at Justamere have stayed focused on the needs for our customers programs to move forward. We utilize all the tools we can from A.I. and Embryo transplants to sourcing herdsires that will improve on the overall production of our herd and therefore benefitting you — our customer.

There are several herdsire quality bulls in the sale sired by new A.I. sires such as KCH Dignitary, Exar Expressway, KR Pacesetter, Sankeys Watchman, Justified, and Exar Classen. Those are all very good bulls backed by cows that have solid production in the real world of the business. Our walking bulls, Justamere 101 Justice, Justamere Overdrive, NRA MAGA, Justamere Solution, and Justamere Battlecry are an awesome set of herdsires that we are all proud of.

There are several calving ease bulls in the sale, but they are not "just heifer bulls", they are designed to calve easy and grow into a big calf in the fall. We have been very diligent in this effort. The Angus breed is the most diverse in the world of beef cattle and we believe you really can have it all when you purchase your herdsire from us.

The two-year-old bulls are certainly a feature this year. Lot #12, the Conley Express son, is very exciting, as well as the Next Level, Pacesetter, and Sudden Look two-year-olds. We have a couple very good polled Herefords in the sale as well. The cattle market is looking up, especially in the fall run, we feel it is our turn in the cow business to reap the rewards from all the years of hard work and dedication to the industry.

We also want to thank our hard working crew, Drayce Robertson, Jordan Phillips, along with our son Jon, have done an amazing job with the cattle operation. Also, our son Jim has been dedicated to the late night checking, which really helps when things are busy. We look forward to a good year and are thankful for what we have and all our many friends and family in the business.

Videos of all the bulls will be available about a week before the sale on DLMS.

Also, you can bid and buy on DLMS sale day. However, with all restrictions being lifted, we want to invite you all to come in person, enjoy a meal, and some hospitality — we all know we could use some person-to-person contact after the past crazy two years.

Come by anytime before the sale to look at the bulls or their mothers raising next years calves. We are happy to serve you.

Bulls will be semen tested, fully guaranteed and delivered for free in Western Canada.

Thank you and see you sale day,

*Jon Fox*

A tremendous individual to start off this year's catalog. This son of KCH Dignitary is definitely one of our favorites. His mother Justamere Blackbird 201Y is a past donor female. She has a flawless structure and make up. She is sound and good footed as well. BW of 78lbs and WW of 807lbs on September 7 makes him a true curve bender. He is halter broke as well and could be shown successfully if that is your desire.

We have sold herd sires and show heifers out of her. She looks half her age. Remember Watchman as well, a brother to Conley Express if you want some show quality genetics in your herd. We recommend using Watchman genetics.

 This son of the \$50,000 Exar Next Level 7679 is an end of March 2 yr old we kept him back last spring for clean up if we needed one. His dam Exar Blacklap 4085 is one of our very best donor females. Don't miss out on the opportunity of owning this big stout 2 yr old bull.

 We only have one 2 year old Hereford bull this year but he is a dandy. We purchased Red Zone from Haroldson's Private Treaty to clean up on our small herd of red and whites. Due to the drought we had to reduce those females with only a handful left. We will let this good bull go on to bigger pastures. He is definitely our kind of Hereford bull.

**Cattle Inspection:** All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**All Cattle Are Sold:** Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

**Breeding Guarantee:** All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**Announcements:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

**Genetics Testing:** All cattle in the 2019 Bull Sale are Anthrogyrosis Multiplex Free (AMF) and (NHF) Neurotoxic Hydrocephalus Free or listed as No Carrier Ancestry.

**Holding and Shipments:** Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

**Mail Bids:** May be entrusted in complete confidence to any of the Sale

Staff listed or to Justamere Farms Ltd.

**Insurance:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

**Terms Of Sale:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

All Persons who attend the Sale do so at their own risk, and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
