Finance Program

The Leading Edge Group wish to announce the extension of our Finance Program for 2022. As progressive breeders we believe it is our responsibility to do what we can to help others reach their goals. We are offering short term (12 month), no interest loans to Leading Edge buyers with 25% down. Commodities such as quality hay, green feed, feed grains etc., can be accepted as payment. Please understand sales group approval is required prior to purchase. Contact Rob at robh@maxies.ca for a simple, no nonsense Leading Edge Breeder's Finance Program application. International buyers are welcome to take advantage of this great opportunity as well!

UKRAINE

As Canadians we have a responsibility. We must help protect those in need. On February 24th, 2022 a black-hearted tyrant launched a vicious attack against peaceful people, killing women and children. We will not stand for this. The bravery of the Ukrainian people during this war has already become legendary and it is our duty as Canadians to do whatever necessary to help defend them against this murderer. The Leading Edge Group are donating elite, frozen genetics to this most noble cause where 100% of the proceeds will be directed to the defence of Ukraine. The bull you buy may be the one that stops a child from being hurt. Heroiam Slava! Glory to the Heros!

**Support the people of the Ukraine with a purchase of frozen genetics.
100% of the proceeds will go to the defence of Ukraine.**

WELCOME

The Leading Edge Group are thrilled to once again see you in stands at the 2022 bull & female sale! Who would have thought something so normal, so simple as a handshake or a quick embrace shared with a friend could become so important? More exciting still is the return of Pura Vida Acres to our fold! Come join us for a great time and the opportunity to go home with some fantastic stock. Highmark Stock Farm, Green Hills Livestock, Pura Vida Acres & INC Cattle Company welcome you to the 2022 Leading Edge Speckle Park Sale! The tradition of excellence continues.

The Leading Edge Group

FROM THE DESK AT T BAR C

Welcome to the "Leading Edge" Speckle Park Sale, on Saturday, April 16th, 2022, at Saskatoon Livestock Sales, located on Hwy 14, just west of Saskatoon, Saskatchewan. This event combines the breed's unique genetic packages whether you are requiring a high caliber walking sire, semen off industry leaders, embryos from the most potent and predictable donor females in the breed, exciting open heifers that are competitive genetically and phenotypically or F1 females for your replacement pastures.

The folks, Rob & Janice of INC, Harv & Fran of High Mark, Glen & Barb of Green Hills and returning this year, Joe & Gayle of Pura Vida Acres, combine to offer a genetic pool unlike any other. They are dedicated to the Speckle Park breed and the livestock industry worldwide and use embryo transfer to expand proven cow families. Their patriotism to fellow agriculturalists and the people of Ukraine is a true example of their dedication to freedom and feeding the people of the world. The frozen genetics they are offering will advance your program while helping the cause... be the last bidder!

This is an outstanding offering... stout, rugged bulls with plenty of muscle and substance... the kind we all want to produce. The yearling heifers are exciting, competitive in nature and front pasture material with several becoming donors as they mature. The embryos and semen are as the name of the sale suggests... they are the "Leading Edge" and will be dominant moving forward.

Feel free to stop by any of the operations and preview their sale offering or give them a call to discuss which options will suit your program. The cattle will be at SLS from Thursday on for viewing. Remember to checkout their financing program.

Plan to be with us on April 16th for your opportunity to acquire leading edge genetics whether you are in person, online or on the telephone. We have graded the offering and would be pleased to assist you with your selections in a professional and confidential manner. Just give any of the T Bar team a call.

Chris Poley

New! Buyers Incentive

The Leading Edge Group wish to offer an additional Buyer's Incentive for 2022. If you take home your purchase on the weekend of the sale directly from SLS, our group will provide a \$250.00 sale credit to the purchaser. In the event you are unable to arrange pick up immediately post sale, consignors will care for your animals free of charge till May 1st, 2022. Animals requiring feeding & care after this date will be subject to a \$10 a day fee. Please understand your stock must be insured during this time and it is the buyer's responsibility & at the purchaser's expense to arrange for pick up.

At Pura Vida, we learned open-heart surgery does not diminish one's love of cattle! Co-owned with Carla Ducherer of Carmark Cattle Co, Pura Vida Juanita 132J is proof that friendships and trust can lead to a productive partnership. This exceptionally calm, black beauty presents an excellent opportunity to create classic marked speckle park calves every time you cover her with any of the great white Speckled Park bulls - that are so abundant in the SP breed. She represents a perfect choice towards creating a future classic.

Commercial Heifers

At INC we make momma cows. We are offering another group of outstanding F1 females to enhance your herd. These girls are put together right and come from heavy milking Simmental or Angus dams that sport fantastic udders. Use this hybrid vigour to put more dollars in your pocket. Solid females that promise longevity & performance.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the Canadian Speckle Park Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: All sellers and buyers of Speckle Park cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association. These documents are available from the Association's office.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.

INTERPRETATION OF Q SELECT GENOTYPES

Leptin genotype	CC	CT	TT	Increasing genetic potential related to fat accumulation, milk production, cow longevity, weaning weight, carcass composition.
PMCH genotype	TT	AT	AA	Increasing genetic potential related to fat deposition, tenderness, marbling, backfat.
IGF2 genotype	TT	CT	CC	Increasing genetic potential related to lean growth, rib eye area.
CRH genotype	CC	CG	GG	Increasing genetic potential related to stress response, hot carcass weight, rib eye area, docility.
