Welcome to the Second Annual Momentum Speckle Park and Angus Bull and Female Sale. Our group of consignors are very excited to bring you another tremendous offering of Speckle Park and Angus bulls, females and frozen genetics.

We as breeders truly appreciate your business and would like to extend an enormous thank you to all of the buyers, bidders and supporters of our inaugural sale last year. Our success is measured by the successes of our customers and we genuinely recognize that creating a strong working relationship is key to everyone's success in the cattle industry.

Once again we are extremely pleased to be hosting the sale at the "Howling Coyote Saloon," Champetre County, St. Denis, SK. This amazing venue offers a fantastic old west experience, we personally invite you to join us. We will have all of the cattle on display sale day for your viewing and evaluation. You will also find videos of the sale lots on dlms.ca and buyagro.com. Further information and updates about the sale can also be found on our Facebook pages.

We invite you to contact any of the sale partners for more information on any of the consignments to the sale, we would be pleased to answer any questions you may have or offer assistance with selecting genetics to work with your programs. We looking forward to working with you. On farm bull pen tours available ahead of time just contact us.

From the Desk at T Bar

Welcome to the second Annual Momentum Speckle Park & Black Angus Bull and Female Sale, Sunday, April 3, 2022, at the "Howling Coyote Saloon," at Champetre County, St. Denis, Saskatchewan.

This exciting event combines the finest seed stock in two breeds and is hosted by Colgan's Cattle Company, Ravenworth Cattle and Pick-It Livestock... progressive young breeders in the livestock industry.

Ravenworth Cattle supply the Angus to this event. No strangers in quality and competition, they have been seedstock suppliers over the past decade or so. Their Angus headliners are the Champion Pen of Three Bulls at the Lloydminster Cattlemen Call this past January. In addition several sons of the leading AI sires in the industry. Let us not overlook the first sons of Reign, the walking bull at Ravenworth who has put style and uniformity into the calf crop. This Angus line up is stout from end to end with muscle, hair and testicle and maternally strong out of a great cow herd.

The Ravenworth Speckle Park are headlined by "Ravenworth Kraken" to share with the industry... these Invictus sons are impressive with presence and performance. In addition they offer the first sons of Gunther 14G and sons and daughters of Method Man, their walking bull. Rounding off their consignment are a flush, semen packages and embryos with cutting edge genetics.

Layne, from Pick-It Livestock offers a unique package of embryos out of their superior donor "Cookie."

Tony and Tammy, along with the boys, offer a stout set of Speckle Park yearling bulls. High in performance, low in birth weight, with lots of muscle and style. These are sons of Frasier and Wall Street. Colgan's offer a unique and exciting opportunity for your pick of their 2022 heifer calves... we all know the success of the Colgan's program in competition. Unlimited opportunities in a future donor female, while their yearling heifers are stout and broody, and will make great foundation cows; don't overlook the futuristic embryo packages Colgan's also have on offer.

Stop by any of the operations prior the sale, view the offering and their mothers; the cattle will be on display the day prior or feel free to give any of these progressive breeders a call and discuss breeding opportunities.

Plan to be with us on April 3rd and "Catch the Momentum" whether it be in person, online or on the phone. We have graded the offering, so feel free to give any of the T Bar C team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Our 2022 Momentum Angus Bull offering is exceptional. We are extremely excited with our AI sired bulls, as well as a fantastic group from our walking sires. We were very proud to be selected Champion Pen of 3 bulls at the Lloydminster Cattlemen Call with our Angus bull group, which were also in the top four at the Canadian Bull Congress in Camrose. These bulls offer performance, longevity and attractive phenotype. We develop our bulls on a ration with longevity in mind. We

welcome any inquiries you may have or if you would like to tour the bull pen give us a call. Videos of the bulls will be posted prior to the sale..

This DMM International 54D son has impressive length of spine combined with exceptional depth and great bone. This proud bull shows himself very well and was in our January show string at the Lloydminster Cattlemens Call and Canadian Bull Congress in Camrose. He was in our pen of 3 Champions in Lloydminster as well as Reserve Champion in the Angus Breed Class. The pen of 3 also made the top four in Camrose. RAVE 11J garnered a lot of attention at these bull shows with his big top, big hip and all around eye appeal and a very usable birthweight at 84lbs. Maternal sib working at GJG Angus Swift Current.

Balanced and long, this Musgrave Foundation son is a total package. Great lines top and bottom with huge spring of rib and a great hip. This bull already has many of the boxes checked on anyones bull list. His dam is a SAV Renown daughter. The Foundation daughters are showing up in a lot of AI pedigrees

ANGUS - YEARLING BULLS

These three bulls are AI sired by SAV Reign 6845. Soggy, huge middled, with big scrotals are the easy doing kind of cattle. If you are looking for a bull for your cow herd to add pounds your calf crop any of these three will get the job done. If you are looking for bulls to cover a lot of ground these bulls will do it.

Rave 14J is a bull with a very appealing phenotype, with his exceptional pin width, which carries down his quarter making this bull stand on a very wide base. Big topped and bold sprung with a big fore rib creates a smooth sided individual that we find hard to fault. Superb muscle shape and added length will give you those desirable calves that you are after. 14J creates an opportunity for breeder or a commercial program. As you can tell Garry really appreciates this bull.

Dam: Ravenworth Ruby 15G

If you sell cattle by the pound here is a sire group of bulls that should grab your attention. These loose hided, soft made bulls are long spined and easy fleshing. Good footed, easy traveling and performance oriented with tremendous muscle shape. Above average scrotals on these bulls and they are wide based with great skulls. With very usable birthweight here is a selection of half and 3/4 sibs if you are looking for multiple bulls and consistency in your calf crop. The sire Ravenworth Reign 8G is in the top 5% weaning and top 4% for yearling weight in the Angus breed. This sire group of bulls possess exceptional pin width and length of spine. Great hair coats on all of these RAVE 8G progeny as well.

Here is a very unique opportunity, this bull is a full sib to Ravenworth Invictus 103C. This combination of breeding is world renowned. Invictus speaks for himself with banners down our hall and progeny around the world. Ravenworth Northern Star 120E, also a full sib, has a phenomenal udder and was in our show string as a first calver. Ravenworth Kleos 3Y sired many, many great cattle in our herd that are always some of our top picks. The dam Ravenworth Northern Star 101A had a successful show career as a heifer and adds punch to her calves. Here is a walking bull to cover your herd who will produce great replacement females and add thickness to your calf crop.

Here is another heifer from a very productive and longevity cow. Her dam is 16 and still producing in our herd. Sired by Ravenworth Invictus 103C, she has tonnes of potential. Invictus always adds exceptional muscle shape and a unique, long front end. We have a full sib daughter in our herd and she has a bull in the sale. Attractive and well balanced, with fantastic top and bottom lines, she is sure to add style and eye appeal to her calves. Her dam is the largest framed cow in our herd with ample bone, yet she maintains her femininity and has impeccable feet. Don't let her young age of this heifer fool you, she is the one to watch.

Retaining the right to the flush at the new owners convenience and our expense.

Sire of Embryos:
 Wattle Grove Smoke And Mirrors L275

Codiak Cookie GNK 19A

We are offering three embryos from Wattle Grove Smoke And Mirrors L275. This is one of the only Speckle Park cows we have flushed here at Pick -It Livestock, so that right there tells you she has to be a good one. She goes back to the good Codiak Cougar 54R. These embryos are hard for us to sell, but plan these mating to be game changers to the breed. A moderate framed cow with lots of depth, middle, PLENTY of milk to bulls. We think are going to change the breed as they are freaks of their own.

Embryos are stored at Davis-Rairdan Embryo Transplants. Storage and delivery fees are the responsibility of the purchaser. QUALIFIED FOR NORTH AMERICAN ONLY.

Colgan's Cattle Company

Colgan's Cattle Company Corp. is owned and operated by Tony and Tammy Freimark, along with their sons Colton and Logan. Colgan's was established in 2013 when we made the decision to expand our cattle operation into the purebred Speckle Park industry. What began as a hobby and a love for cattle, has now become our way of life.

Depth, width, and power are traits exhibited by Jersey Girl. Her dam 17Y was purchased in 2013 as a foundation female to start our Speckle Park herd. She has consistently produced high performing females, like Colgan's Camira 14C. We were so confident in the breeding of 06J that we flushed full sibling embryos.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS:

Each purebred animal will carry papers issued by the Canadian Speckle Park Association and Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

All sellers and buyers of Speckle Park and Angus cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association and Canadian Angus Association. These documents are available from the Association offices.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
