## How To Bid

1. Visit [www.dlms.ca](http://www.dlms.ca), scroll down sale list to find the OAKSTONE CHAROLAIS BULL SALE.
2. After you are at the FarmGate Timed auction site - [farmgatetimedauctions.ca](http://farmgatetimedauctions.ca), click the LOGIN/REGISTRATION button.

*First time FarmGate users:*

- First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the FarmGate Time Auction Site requires a new account separate account from your DLMS Live sale site)
- After you create your FarmGate account you will receive a txt message with a pin code to verify your account.
- On your first log in to FarmGate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

*Returning FarmGate users:*

- If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS FarmGate Timed Auctions.

**3. How to Bid:** Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

- Place Next Bid - to place the next bid on the item, you see the amount in the first box, you simply click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed.

- Max Bid Amount - to place a max bid you put your max bid in the second box listed as "Max Bid" on the item, and then click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

*Example of How the Max Bid Works - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.*

**4. Watch List Feature:** If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the "eye" button beside the bid button, by clicking this "watch-list" Icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire site.

**5. Sale Ending / Closeout:** Most FarmGate Timed Auction sales close racehorse style with extended bidding.

What is Racehorse Style Close? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

How will Extended Bidding works? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

**6. Bidding Close & Follow-up:** After the clock has gone to "ENDED" and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidding you can contact the sale consignor / sale manager to confirm payment instructions. Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

**If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list or proxy bid, or you just plain want to bid via phone, please talk to any of the DLMS team.**

# Welcome

## *From the Bratrud Family*

With great excitement, we would like to welcome you to our first annual bull sale.

We are extremely excited and proud of the set of bulls on offer to kick off this new chapter at our farm. Six short years ago we bought the 5 remaining purebred Charolais cows from Jim & Irene Marclnkoski with the goal of one day growing our herd to where we could have our own bull sale. Since then we have grown to 65 purebred Charolais cows. We started into the Charolais breed 28 years ago with the use of Charolais bulls in our commercial herd. We have continued to bring what we value in our commercial herd sires into our purebred herd such as structural soundness, calving ease, hair and growth ability in calves.

Please feel welcome to come view the bulls at the farm any time before sale day. If you have any questions please do not hesitate to call Ryan. We would like to say thank you to past buyers and bidders for their confidence in our operation.

## From The Desk

at T Bar C...

Welcome to Oakstone Land & Cattle Co., Online Charolais Bull Sale on March 11 and 12th.

The Bratrud Family is strong in their commercial roots. They have experienced the advantage of using Charolais bulls over the past number of years and have applied those principles in building a purebred herd. Although they are small in numbers, they are high in quality.

Whether you would like sons of the easy calving SOS Grit, the long-bodied Dogpatch Fiesta, or Pleasantdown Lava, selection is diverse with both two-year-old's and the top cut yearlings... Oakstone is worth a stop for your bull shopping requirements.

The demand for quality Charolais bulls out numbers the supply. Feel free to stop by the ranch any time prior closing day and have a tour of the bulls and their mothers or give Ryan a call to discuss the bulls and those that will fit your breeding requirements.

Plan to be with us for Oakstone's First Annual Online Charolais Bull Sale whether it be online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.
