VIDEO SALE Come early to view bulls as all bulls will be sold by video presentation.

OUR GUARANTEE All bulls are semen tested and are guaranteed to be breeding bulls.

BOARD/DELIVERY Free delivery to all central locations in Canada. Bulls staying after the sale at Prairie Cove must be insured.

LIVESTOCK INSURANCE Canadian Farm Insurance, Heather Barr 780-853-7067

So many things come to mind when I sit down to write the Welcome for the bull sale every year.

Time goes by so fast and sometimes a guy doesn't appreciate all the good that is going on around him. I sure appreciate the family I have around me, my wife is amazing with our cattle, she works with our cattle day in and day out. I can't thank you enough Justine. Our girls are also amazing; the summer is always a fun time for us all to be together in the barn getting junior cattle ready, and a joy for me to watch our girls have such great success. Scarlet and her heifer Eezzma won CCYA and she was lucky enough to experience her first supreme show at the end of the halter at Synergy, to say she was fired up would be an understatement. Indy also had a fantastic year with her heifer Polly, as she showed her to Reserve Champion Charolais Female at Farm Fair International, truly a special moment for our family.

We had so much success this year showing our cattle with 2 Supreme titles with Berkly Ann and sharing those big wins with our crew, family, friends and partners, is always such a big joy.

I am very proud of the cattle in this offering. It represents the dedication we put towards this great breed of cattle and promoting it all across the globe. Charolais cattle have been in my blood from the day I was born.

We like our cattle to do our talking for us, but we also back up our product 100% and if you would like to visit about our bulls or females, please give me a call.

I would appreciate the opportunity to visit with you.

Tyler

From the desk at T Bar...

Welcome to the Prairie Cove Charolais Bull and Select Female Sale, February 24, 2022, at the ranch, Bashaw, Alberta. This breed leading Charolais operation continues setting and rewriting records each year. No doubt, the fall of 2021 will go down in history as amazing!

The lineup is packed full of opportunities to acquire progeny from the most admired female in the breed, "Berkley" ... the two-time Supreme Champion. Admired by cattlemen of other breeds, transplant sons of this great female will be a feature. In addition, transplant sons of past Supreme Champion "Lily" headline the event. It has been proven that the power and strength of a good breeding bull is dependent on the quality of the mother... their mothers are the best in the breed.

Included in the powerful lineup is a feature son of "White Bear" the past USA Show Bull of the Year and two sons of "Rhinstone" including a full brother to "Rhinstone Cowboy" ... a total outcross for Canadian programs. As always, Tyler has added a select group of open heifers... females suitable for juniors of any age and they all come with high maternal traits.

Congratulations are to Justin and Layne Cay, partners in the super female "Berkley" who have once again consigned their top bulls to the PCC bull sale.

Prairie Cove and the Bullick family have been supplying the livestock industry with high quality Charolais breeding stock for generations. The 2022 sale offering is powerful both in type and kind but more importantly in genetic value... take advantage of the PCC program! Feel free to stop by the ranch and preview the bulls and their mothers or give Tyler or Tim a call to discuss their offering and which bulls will suit your breeding intentions.

Plan to select your next Charolais herd bull at PCC whether it be with us in person, online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Chris Poley

PCC INNOVATION 123J

MC808953 / PCC 123J / 13-JAN-21

1

Without a doubt the most unique HOMO POLLED HERD SIRE we have ever raised at PCC.

PCC INNOVATION 123J is what most progressive breeders crave, outcross pedigree to many in Canada, in combination with his abundance of substance and style. PCC Innovation 123J is flawless in the way his long, sleek neck ties high into the top side of his neatly laid shoulder, while transitioning into a full fore rib and bold center rib

age. Yet maybe the best part of Innovation is his mother, in our opinion the GREATEST CHAROLAIS COW to ever live. BRCHÉ Berkly Ann 8507 ET she is a World Champion, 2 time Supreme Champion and all around GREAT ONE! Times will pass and trends will change, but one thing you can count on is the fact that quality and importance of a cow family will never go out of style.

PCC Uprising 132J is the biggest performing brother of the flush from Redemption and Berkly Ann. 1010lbs actual weaning weight on this extremely extended stud. If you like your cattle long, I don't think you could find a bull in this contemporary group that is possibly as close to as long bodied, its extraordinary. PCC Uprising 132J still has that attractive look of all his brothers with an added frame score that will add more weight to any set of cows. You have to admire Berkly Ann for her many

different things but the way these bulls have grown and matured into major league herd sires is truly impressive, as they are all major players when you are on the hunt for your next herd sire that will take you to the next level.

PCC Bourbon 118J is one of the favourites in the entire offering. We admire Bourbon for his softness, big belly, real soft set in his back leg structure. His overall depth of rib and hip structure, he is good looking and exhibits some of the best hair of the 2021 group of bulls, long and straight. We feel this bull offers so many options with an 82lbs birth weight and a -1.5 BW EPD, we are going to use PCC Bourbon 118J on our own heifer pen and flush to as well. We think very highly of this young popular herd bull.

PCC Assassin 128J has been Mr Cool his entire life. He always walks around strutting his stuff, head up, proud, easy moving, sound built and good looking. Assassin sets down such a great back leg and flows into a neat hip and tail head. He follows in Berkly Anns footsteps in terms of that depth of rib and into his flank he is so good. You want a bull to progress your program forward, what better way than to use a bull with the best cow in the world as his mother. Your cow herd will get expediently better by adding Berkly Ann to your pedigrees. Make sure to look up Assassin on sale day.

SPECIAL SALE FEATURE

I would say this bull has been a stud since day one, built with such presence. Clutch he knows he is a stud, walks around with a proud look of a herd bull. His pedigree is as special as he looks, the new to Canada and ultra popular in the USA sire Redemption as well as being out of our supreme cow Lily donor female. The extra special donor females have the ability to out produce themselves and that is exactly what Lily has been doing. Redemption has added length and look and Lily keeps the wicked hair as well as the soft body and exceptional back leg. Herd bull that you don't want to miss on February 24 at the ranch.

LOT 6

PCC Bingham 152J is a stout butted Brewitt son that is out of our no miss Supreme Champion Lily. Lily had the lead bulls in the last years bull sale and she continued her success with her females being high sellers at Alberta Select again. This past fall Lily has turned from a World and Supreme Champion herself to an absolute no miss producer of a donor female that can build the great ones. This years bulls are also the great ones. A powerful Brewitt son that will pound the scales with his offspring is sure to be a favourite with many on sale day.

The best White Bear son to grace the pastures at PCC. He was the 2021 Reserve Champion Charolais Bull at Farm Fair International as a 10 month old bull calf, Bear Cat continues to impress with his extreme length and powerful hip and top.

As you will notice with all of our White Bear sired cattle they are extremely hairy cattle, we breed for hair and hair is a trait we look for in anything we choose to move forward with. Cattle with hair feed better and just simply do better in all facets of the beef business. Bear Cat is homo polled and is also backed by our tremendous 407B donor cow, this female has raised countless high sellers and champions as well as herd bulls.

3/4 INTEREST, FULL POSSESSION

PCC Bear Cat 108J was your 2021 Reserve Champion Charolais Bull at Farm Fair International

LOT 9

Another crazy haired White Bear son. When I tell you these cattle are hairy, I mean they are super hairy, best haired Charolais cattle that we have ever had and White Bear always sires the hairy ones. Our customers love our cattle with hair. This White Bear son has a super mother, she is moderate framed with lots of body and a flawless udder. She was our poster girl last summer online as she is such a good looking female that stays in nice shape all year long and did such a good job again this year on PCC White Horse 149J. If you want your bulls to have superior mothers add PCC White Horse 149J to your short list.

SPECIAL FEATURE

If you follow cow families you will have this bull marked as a must see. His mother is also the mother of our World Champion, 2 time Supreme Champion Berkly Ann 8507. So to say this bull is special would be an understatement. This bull is also a full sib to one of our special heifer calves that we showed in Edmonton this past fall and Indy was named Reserve Champion Charolais Female with her right behind her sister Berkly Ann. What a special day to watch Indy be slapped Reserve Champion as she worked on her all summer long to get her looking so special. PCC Bergeron 1042J has a modest 87lbs birth weight that will make him a good option to use on heifers, but that in my opinion is not his only use. Any female out of Bergeron should be kept as the Berkly 4711 cow is as famous as they come and for good reason as she is the mother of the best Charolais cow in the entire world Berkly Ann 8507. Young herd bull that shouldn't be overlooked February 24.

This PCC Resurrection 934G son is just tremendously built. So strong over his top and boldly sprung in his ribcage. Attractive with that extra added hair. PCC Resurrection 934G is a past high seller in this bull sale, that we used on our own heifer pen, and he now walks the mountains in BC for Brian and Trisha Dorman from Kamloops. Great feet and legs on this buff coloured Resurrection son, he also has a large set of testicles to take care

of all the females he is put with. PCC 140J has a very impressive mother, she is an Outsider daughter that has an impeccable udder and is super high quality, as you can see in the job she has done on her very first calf. She has calved again early this year and has another good looking bull calf at her side, so she is also proving her fertility is high.

LOT 22

Magnum comes from our donor cow PCC 309A, however this is a new crossing with the 100 Proof bull to add something different. Check out the milk EPD on the 309A calves, what a great addition to the herd they would make.

OWNED BY CAYS CATTLE

LOT 23

Extra length on this smooth built Fireball son. Miss Prairie Cove 604D is a no miss type of female that gets it done year in and year out. Consistency is such a fantastic trait that PCC 604D has. Miss Prairie Cove 604D has an outstanding Outsider daughter in the herd that is the mother of the real good Lot 13 bull. PCC Drill 121J is a fault free bull that will have consistency and longevity built into his pedigree.

LOT 24

Cays Pit Boss 1J is a bull that will work for any herd. He will add the extra stoutness, shape as well as docility. The dam's pedigree needs no introduction in this sale. With Cays 1J's dam being a full sibling to Full House, Keystone along with many others that have gone on to great herds. With EPD's showing growth and milk, Cays Pit Boss 1J is an ideal option to make a pen of replacement heifers or market topping steer calves.

OWNED BY CAYS CATTLE

25

Another strong Lily son that puts a long bodied build together with an extra frame score that always sires the heavy weight calves at weaning time. These long bodied cattle will sire calves that have a higher dressing percentage meaning less waste and more money in everyones pocket, take advantage of the added pounds you get from an extra couple ribs of length in these PCC bulls.

One of the real good PCC bulls out breeding at the Gusse Farm south of Wetaskiwan, on a day when the Gusse crew were busy silaging into the big pit.

LOT 29

Good looking, strong topped bull with loads of hair that will help the bottom line when it comes time to sell your calves. His mother is a dynamic female with a flawless udder, she has lots of depth of rib as well as attractiveness in that front 1/3 portion of her body. Pistol Pete is a bull we used on our own cows and he now walks the pastures at Sylvan Lake for the Herders. A great operation that always picks the good herd sires year after year.

LOT 48

When this female strutted through the picture pen Timmy says "why on earth are we selling this Madison daughter?!" He made a couple of great point, we only have a small handful of eggs left to put in, out of the old matriarch and every single female out of Madison 85M has gone on to out produce herself. Very true statements from the old man, but she was clipped and in the picture pen, so here is your opportunity to own a Madison 85M daughter. She is built just right, has the Madison lines and hair and setting in a perfect udder.

LOT 49

If you come to Bashaw on February 24, please ask Justine to tour you our two year old heifer pen, we feel it is very, very impressive. It is loaded with milking Fireball females and they are second to none, what special group. We purchased HVA Fireball 662F from Palmer Charolais with our great friends DanG Charolais and I tell you what, he has over delivered and we are ecstatic about these milking two year old females. One of these two year olds milking is a full sib to Miss Prairie Cove 135J. Buy this young Fireball daughter and you will have your own perfect udder, young cow with a world of potential and breeding ability.

LOT 50

Royally bred HVA Fireball 662F daughter that has lineage back to Madison 85M. These Fireballs work and produce, Miss Prairie Cove 143J traces back to Madison and boosts that milk EPD in the top 15% of the entire Charolais breed. Power in the blood here and a female that will out produce herself, following in her mother and grandmothers footsteps.

CO-OWNED WITH CLEARWATER RIVER

LOT 51

Very intriguing female! This will be a talking point in the future, Miss Prairie Cove 1020J looks to me to be one of those big success stories that come from this female offering. This pedigree is so interesting the Redemption bull is making a large impact and will continue to do so. Miss Prairie Cove 1020J is a daughter of Miss Prairie Cove 860F, a tremendous Madison x Firewater cow that is stunning to look at and really adds that performance and punch in a feminine package, with what I think will be a huge profitability and earning potential. Mark my words whoever buys this female will be telling stories of her money making ability for years to come.

LOT 52

This female has her best days ahead. We are going to hear a lot more about her mother as she has a hell of a set of calves on the ground already for the 2022 calf crop at PCC. Miss Prairie Cove 802F is a Pastor daughter out of the wonderful 407B donor cow. When you see these females they capture your attention. They are impressive, big bodied, stout and big ole feet on them.

53 *SVY TRUST 6H*

FROZEN GENETICS

1 PACKAGE OF 50 STRAWS OF SEMEN

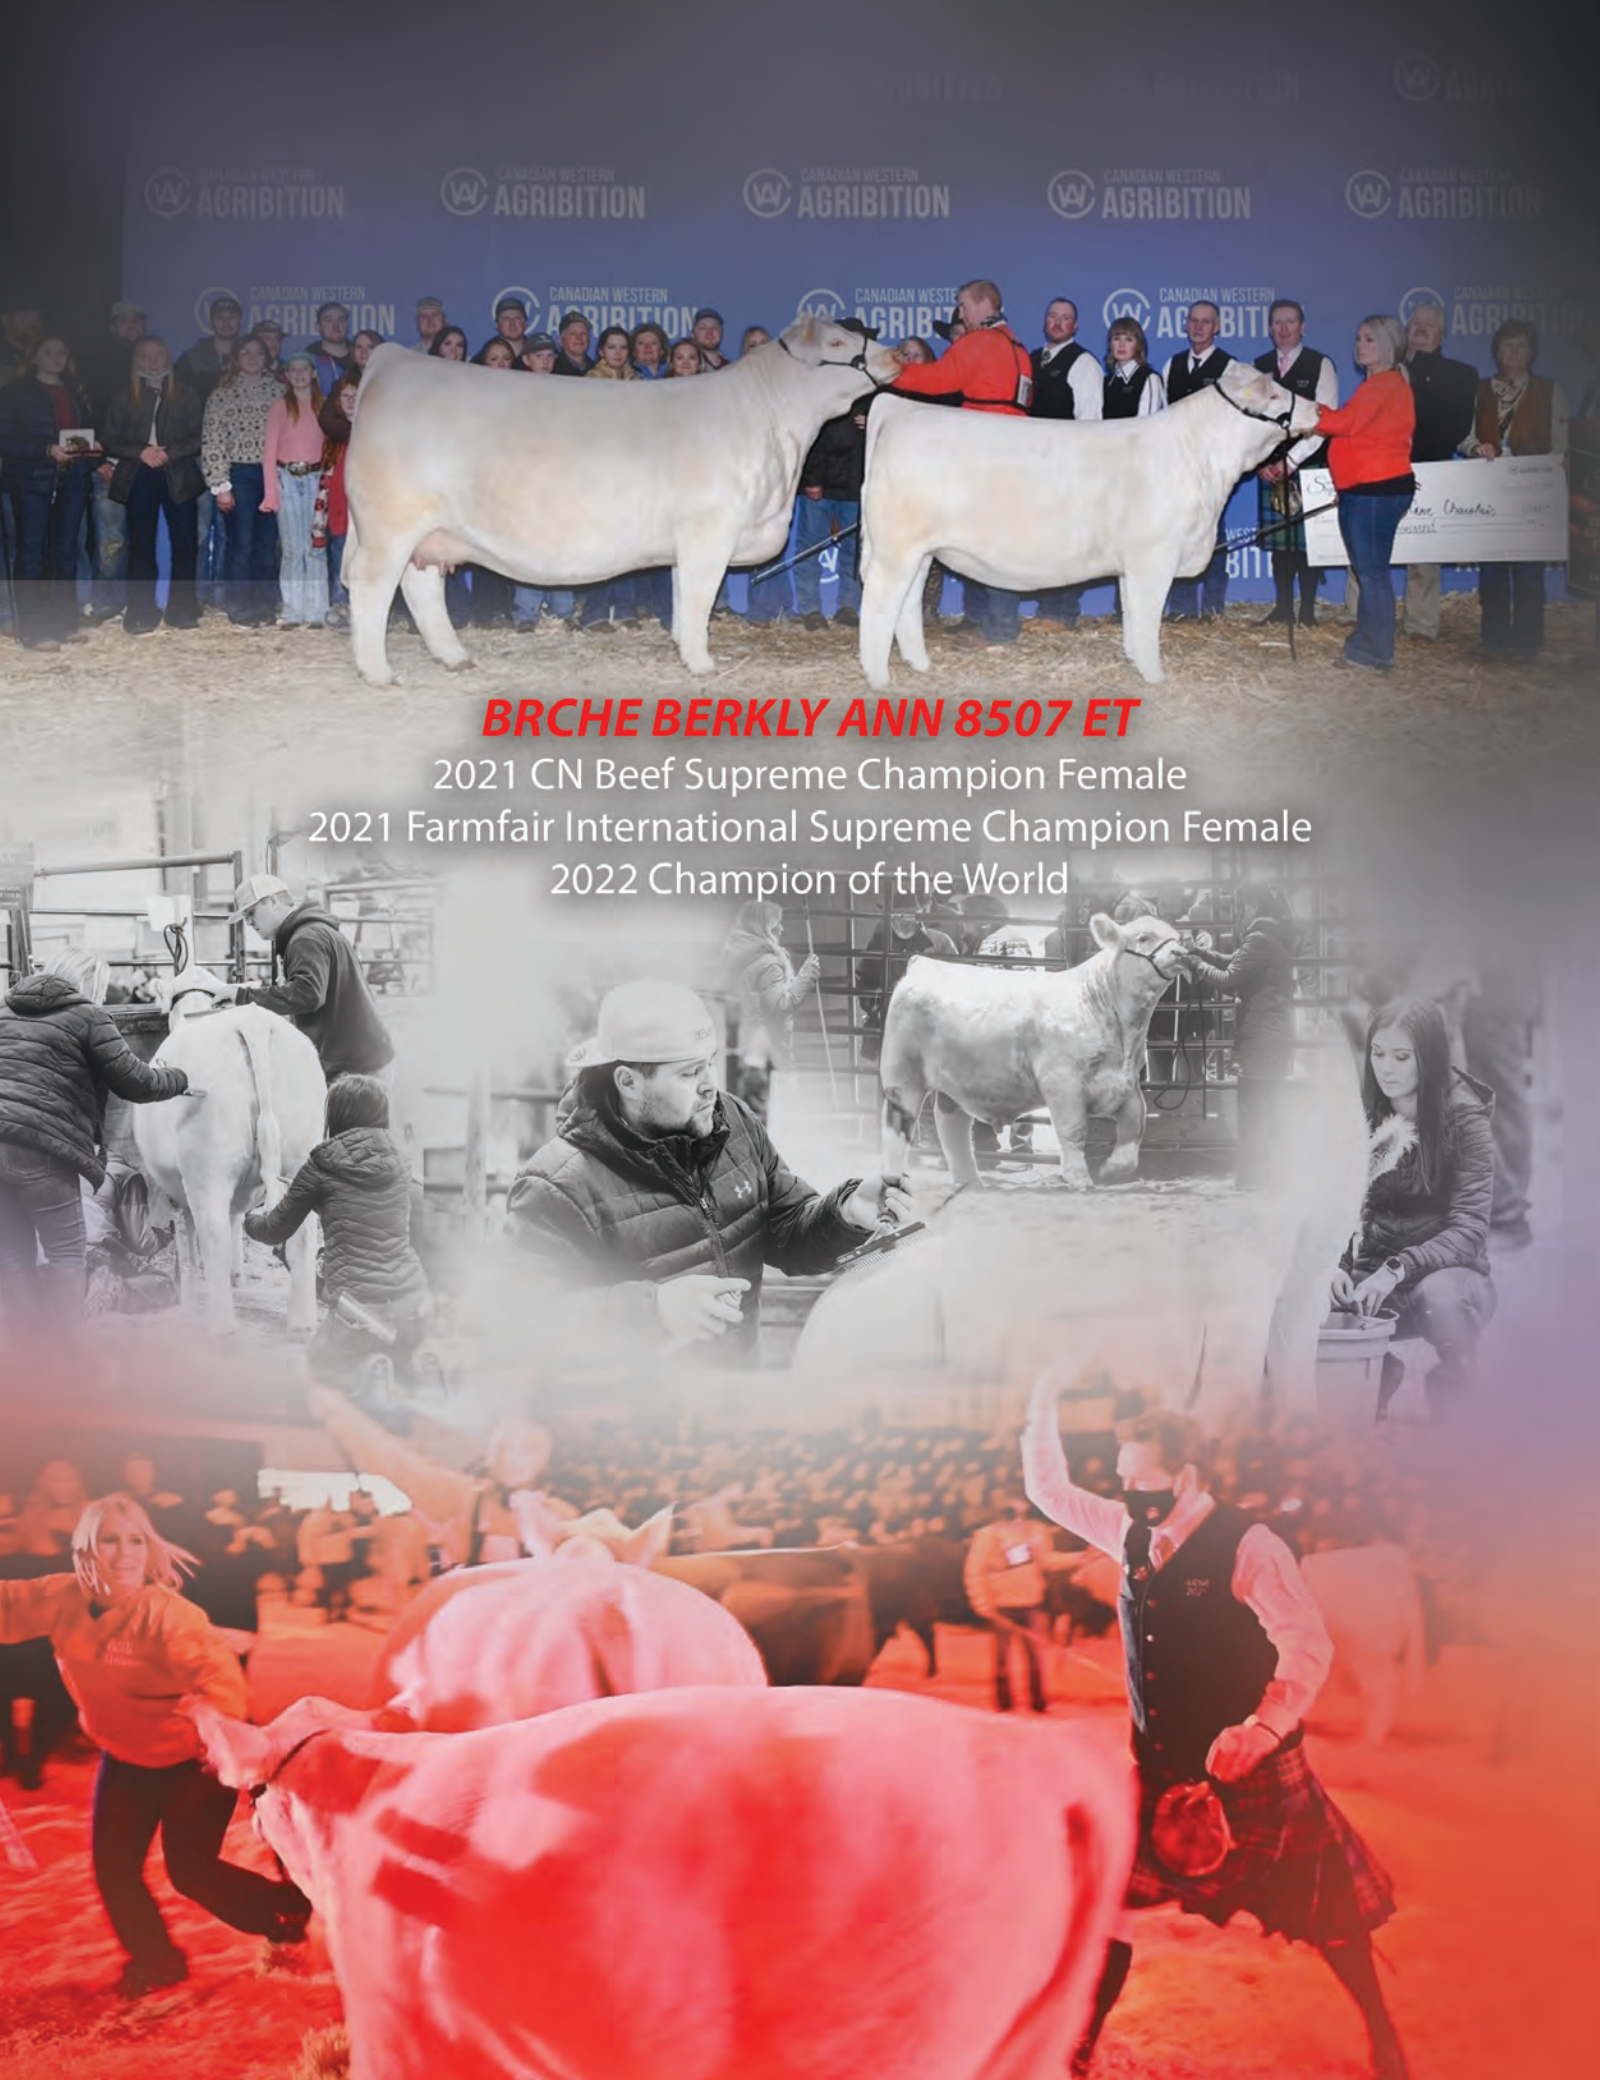

Trust has been popular his entire life from being an internet sensation at an early age to a fan favourite when he sold at the Superstar Sale for a record \$123,000. His popularity has grown all across the world with semen in Australia, Finland, Norway, Sweden and Denmark. Trust calves are on the ground and they are nothing short of sensational themselves. They start at a modest 93lbs average for us at PCC and they continue to bounce, we have an exceptional group of calves so far and expect big things from these Trust calves.

Take advantage of the opportunity to get in on a high profile AI Promotional Sire that is on a proven track already.

Thank You

It is difficult to express our gratitude to the many incredible people who surround us. Our friends and family are truly the best. We are fortunate to count our crew as friends. Thank you to those who help us on the road, and at home. We could never accomplish this without you. Thanks also to our fellow cattle men and women in this great industry for inspiring us to dream big and chase our goals.

TERMS AND CONDITIONS

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds. **Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final. **Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures. **Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. **Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void. **Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder. **Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. **Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale. **Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. **Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value. **Errors:** All announcements at sale time, written or oral, supersede any written material in the catalogue.
