11<sup>TH</sup> ANNUAL SIMMENTAL BULL & FEMALE SALE

## FEBRUARY 18, 2022

FRIDAY 1:00 PM AT THE FARM, PARKLAND COUNTY, AB

# TRIANGLE STOCK FARM

## WELCOME

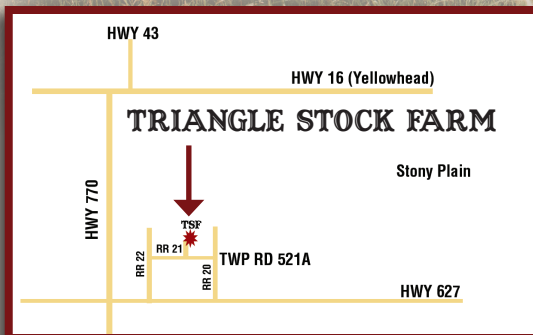

Welcome to our 11th Annual Bull & Female sale. As we put our heart and soul into what we do each and every day we are so thankful as I write this welcome for the change in weather, for all the snow to help with moisture for 2022 and for a smooth calving so far through one of the coldest stretches I can remember with 50% now calved out. We have downsized a bit with the challenges of 2021 but with that we have a strong set of cows that have been doing the work year after year and this pen of bulls are the strongest set to date. We are offering this year a Herd bull that is in his prime, proven and will cover some ground. He will definitely be a highlight and we will continue to use him through AI. This year's offering is a consistent group of bulls in each select sire group where one can find performance, calving ease and a mix of both. Every year we say this is the quietest pen but again these bulls seem to have topped it once again and have been great to work with and have super temperaments. The dams of these bulls do all the work till weaning (no creep feed) and once weaned they are pail fed with free choice of hay. Our first calf

heifers have no doubt been contributors each year but this year in particular these heifers have done an outstanding job putting over 30% of the bulls in the pen offering a great selection of heifer bulls. We have grown these bulls out at a rate to encourage them to go out into your program with little adjustment. Whether you are looking for a Red or Black bull with calving ease or performance, I think we have a strong selection. If we can be of assistance in selecting your next herd sire, please feel free to call us and stop by to look through them. A select group of 5 heifers are on offer and they will be the type that grow into productive females that will go on and contribute in anyone's program. They are from cow families that are proven with solid pedigrees. Once again they are halter broke and have been great to work with. Thank you to all of our previous buyers and bidders who have supported our program. It is always our pleasure to listen to our buyers and work together to produce the kind of beef cattle that have the greatest ROI because at the end of the day efficiency is what we want. Least amount of inputs with greatest output! Our sale will be an ON FARM VIDEO SALE in which the bulls and heifers will be penned outside for your appraisal and the sale will be in our heated barn. If you cannot attend sale day, DLMS will be hosting our sale ON-LINE. Videos can be viewed prior to the sale either through Cattlevids or Buyagro. We welcome you to view the bulls and heifers prior to the sale, the coffee is always on. As well, please feel free to contact anyone at T Bar C if you would like to use their services and Mark from DLMS will be here sale day to be of assistance.

## FROM THE DESK AT T BAR

Welcome to the 11th Annual Triangle Stock Farm Simmental Bull and Female Sale, Friday February 18th at the farm, Parkland County, Alberta (Just minutes west Edmonton). Over the past decade of bull sales, supplying the livestock industry high quality Simmental seed stock, the Klepper Family has established an outstanding cow herd base. Performance with lots of milk, great udders, fertility, and calving ease. The strength of their cow herd enables Triangle to present you this powerful lineup of bulls. Rugged, stout, with muscle and lots of hair and testicle, most of the bulls are homo polled. Check out the sleep easy birth weights, the 205-day, and yearling weights... high performance with little to no fuss. Although the offering is not large, it is sure worth the trip. The hand-picked heifers offered are tanky, broody and will make value-added additions to any or all programs. They are paternal sisters to the bulls and are laden with maternal strength.

Plan to stop by Triangle anytime prior the sale and preview the bulls and their mothers or give these great folks a call and let them give you suggestions on which genetic package(s) will suit your program. Plan to fulfill your Simmental breeding needs at "Triangle Stock Farm" whether it be with us in person, online or on the phone. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

## SIRE OF LOTS 1-9

Bentley has definitely stamped his calves this year in the pen. They will catch your attention as a group with consistency, conformation, and performance. Loaded with natural muscling, spring of rib, shape, thickness, herd bull character and lots of chrome! Females are just calving and are looking great – moderate frame, nice udders and showing lots of maternal instinct.

## SIRE OF LOTS 10-15

Connected as a yearling was impressive and we are so happy we were able to get a semen pack on him as we think he does have a lot of value to offer. This is his first calf crop we are selling and they are consistent as a group. He adds length, dimension, performance and great temperaments. Connected calves have excelled from the time they hit the ground and have definitely made their mark. Another group of calves have arrived here in 2022 and they definitely fit the bill. Take advantage of some different genetics as these Connected sons will fit the market place.

The 1st set of Connected bulls to sell and this fella is perhaps as complete as they come. Thick topped, hairy, deep ribbed, structurally sound and has herd bull written on him. He will add some punch and the females will be flat out awesome as the maternal side throughout his pedigree are productive, functional cows who have great records.

## SIRE OF LOTS 19-21

Epic combines both Beef King and High Roller together in his pedigree and this is a combination we know flat out works as we have been using the two back and forth for years. Epic calves come easy and have explosive growth. They are soft made, big barreled and convert easily. The 3 Epic sons are smaller BW, stout, easy doing, shorter gestation bulls who will definitely draw your attention.

A definite pen mate to 84J being born April 10th and off the 55F bull. Young bull with loads of potential off the Bootlegger female who as a first calver weaned off one of our feature bulls last yr at over 900. Taking care of business but not herself led her to calve later and 85J with a bit of time will mature into an outstanding bull. Small BW, stacked pedigree and if time is not an issue this bull is a great investment.

Fawcett is in his prime and has hardly unlocked his potential as we have used him selectively due to our AI program. Moderate frame, easy doing, structurally sound, docile and calves well. He was the result of some embryos we purchased and has proven to be perhaps a female producer as these two young bulls on offer are his only sons we have had. His daughters are now calving and they are exceptional and we look forward to how they will contribute. If you are looking for a mature bull with a solid pedigree, CE, performance and proven without a doubt Fawcett will be an asset.

## TERMS AND CONDITIONS

### TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### BIDDING

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

### ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

### BREEDER'S GUARANTEE

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

### EXCEPTION GUARANTEE

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

### GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Simmental Association, with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Simmental Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### RIGHTS AND OBLIGATIONS

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

### PHONE, MAIL, WIRE BIDS

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### DELIVERY

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

### INSURANCE

Will be available sale day. We strongly recommend that insurance is purchased for full value.

### ERRORS

All announcements at sale time, written or oral, supercede any written material in the catalogue.
