

Triple C Charolais Bull Sale

***Saturday, February 26, 2022 ~ 1:00 pm
Ashern Auction Mart***

**Offering 60
Two Year Old Charolais Bulls**

Welcome To Our Sale!

We would like to welcome everyone to our 2022 Bull Sale.

This past year has been a tough one for many producers due to drought. But most managed to pull together enough to hang onto their cows. The good part is that the Charolais calves are bringing a premium.

Once again, we are offering a group of two-year-old bulls that should be able to go out and get the job done. Our focus has always been to raise genetics that will give the greatest benefit to the commercial cattlemen. Calving ease with performance, carcass traits, and a functional, good uddered cow herd is what we are striving for. We calve out 1400 cows, so we do not have time for bad udders or calves that don't get up and suck.

If you want to view the bulls prior to sale day you are welcome anytime. We guarantee our bulls to work and if there is a problem, we will take care of it. If you aren't satisfied, then neither are we.

February 26th come take a look and see what you think. We look forward to seeing you there. If you can't make it to the sale it will be live on DLMS for internet bidding, or talk to us and we will choose a bull that will work for you, satisfaction guaranteed. If you don't like him, you don't have to take him.

If you are unable to make it on sale day, we can select a bull for you and guarantee satisfaction.

Ultrasound Information:

We have been ultrasounding our bulls for years as I feel it is a very good tool to give you a look at what's under the hide. Feedlot performance and superior carcass traits is what has been driving the premiums paid for Char-Cross calves in the marketplace and I feel that it is important that we keep it there.

Marbling: this is a marbling score showing % of intermuscular fat. A - 3-3.9, AA - 4-4.9, AAA - 5-7.9

Backfat: this is mm of back fat between the 12th and 13th rib

Ribeye Area: This is the size of the ribeye in square inches

Lean meat yield (LMY): this is the % of lean meat on a carcass. The yield grade is determined from LMY

The ultrasound measurements are not adjusted to age but is actual data from the day it was taken. The bulls were scanned the beginning of April, so the age ranged from just over a year down to 10.5 months. So older bulls will have an advantage.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque payable at par at the sale. The right of property shall not pass until after settlement is made. All settlement must be made with the clerks at the sale before any cattle will be released. All monies are in Canadian funds. Sale is not complete until final payment is received.

BIDDING: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DISPUTES: In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decisions in such matters is final.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

RIGHT TO SEMEN: Triple C reserves the right to draw semen on any bulls sold in the sale, for in herd use.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after sale, this guarantee shall be null and void. In no event shall the seller be responsible for more than the purchase price. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, nor sellers assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of an accident or loss of property.

GUARANTEE: Triple C offers 100% customer satisfaction on all our bulls. We have been in the commercial and purebred business for a long time and understand bull problems and want peace of mind for all our bull customers. Some of the two year olds offered in the sale have seen limited in herd use at Triple C and will have complete vet soundness evaluation and semen tests.
