FROM THE "COW-BOYS" CREW

Welcome to the 7th annual Cow-Boy Angus Bull Sale. We are excited once again to have the sale hosted at Taylor Auctions in Melita; we can't thank them enough for all they do to help things run smoothly!

This year's bulls are a deep set in the blacks, reds and select shorthorns. The bulls on offer are very sound, thick made cow, man's dream, whom are slowly developed with longevity in mind. This is the largest heifer bull selection to date being offered, and some that will work in both heifer and cow pens. But most importantly every bull is selected based on their mother behind them. The cows that raise these bulls just simply do their job each and every year. These "Cow-boys" await your appraisal sale day.

As you know we are very happy to have you stop by any of the farms to preview the offering or tour the cows. Feel free to call any of us and we will be happy to assist you in any way possible.

The cow-boy crew

RRW Hulk is a calf we are very excited about since he is one of the two bulls we got off the new sire U2 Temptation. He has a moderate frame, deep bodied, carries a good hip and has a big barrel. His dam 557C is one of our favorite cows who delivers one of the top calves year after year. With the combination of Temptation and Faith 557C, we feel that this bull will complement any cattlemen's program.

We have picked this young future herd sire to be the lead off bull for Ramrod based on his overall make up followed by some very impressive data. 112J himself is a bull that is very impressive in design, great skulled, has great extension through his front end mirrored by a flawless shoulder that carries into a huge top and barrel. His hindquarter is incredibly long with a big hip all while being carried on a great foot and leg. Standing behind this great individual is his awesome 2 year old mother. I would love to have a pasture full of ones made just like her with her impeccable udder quality, easy doing and most importantly her flawless make up. She is bred right up for January again this year, she will be around for years to come. Here is a chance to get a great breeding piece for the heifer pen as well as the cow herd. Don't pass this great one on sale day.

Here is the powerhouse of the sale offering this year! This stud is super long bodied, big footed then transitions into an awesome hind leg. 181J is backed by one of the most honest cow families around; never miss, hard working, predictable and reliable. 181J had a maternal brother in this very sale last year that was admired by all that saw him. He was Ramrod Home Town 028H whom was selected by the great folks at Burkell Livestock. 181J is the type and kind; like his brother that we strive to breed around here. When we had the opportunity to buy a semen pack on DMM Maximus 18G as a calf we took it and ran. We had very high expectations of "Max" when his calves started hitting the ground; and simply put "wow" he passed them with flying colors. 191J is just a tank! Very thick, deep bodied with a ton of bone and an incredible foot. Look at his front, WOW true herd bull build. This stud is massive from front to back. His mother Ramrod Esther 337A is no stranger to raising the good ones. 191J had a maternal sister we showed that was admired by some of the most respected cattlemen in the business. A Payweight 1682 son here out of an impeccable 94D daughter. This combination clicked very well together. 161J is that sleep easy bull a lot of cattlemen are looking for. His calves will come out a desirable size with that angus vigor we all talk about. His Dam is an own daughter of the infamous Ramrod Rosebud 435B cow whom if Tony had a favorite on the farm it would be her!

This guy has been a standout since day 1! He's been admired by anyone that toured the herd last summer. His mother has done it a few times before! High selling Bred heifer at Touch of Class. High selling bull at Cow Boys in '20 named Regal, a heifer calf sold to Ravenbrook at Red Roundup and over \$20,000 worth of embryos sold this past fall. Check out his piece of paper. Resource son out of a Kodiak daughter who is out of an Answer daughter. This is a guy we plan on using a bit around here. HERDBULL

A solid red bull and the youngest bull in the sale. 1159J is impressive with how thick he is, he has a great foot and hind leg setting. This guy will be one to watch and develop into one very impressive herd sire.

TERMS AND CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

INTEREST:

Cow-Boy Sale Group reserves the right to retain an interest in any of the animals selling. The consignors reserve the right to collect 100 doses of semen on any bull in the sale at their expense and the buyers convenience. The semen is for in-herd use only.
