

19th Annual
**BULL &
FEMALE**
Sale

April 12, 2022

1:00PM

Alameda Auction Mart

Welcome!

Good day all! I would like to welcome you to our 19th Annual Bull and Female Sale. 2021 has been a year for the record books and it looks like 2022 is going to strengthen our character to the limit. Rotten cold weather with high winds blowing from every direction has taken its toll.

On a brighter note, the cattle do look fabulous despite this old-fashioned cold winter.

We are feeding an 13% growth pellet from Feed Max in Kilarney along with free choice hay. Although our bulls are a little lighter in weight, they look very good and will benefit from the grower ration as opposed to the heavy high energy diets of other years. The heifers in this sale are very good, lots of them are the front pasture kind that are sure to cause some excitement for you all. The Young Dale Brand is in the offering — structure and great hair with that nice square hip that our genetics are well known for.

So folks, come to the farm and see this offering or go to Alameda on April 12th. We will be happy to see you all. The pandemic is over!

Cheers,

Barry Young

From the Desk at T Bar C

Welcome to the 19th Annual Young Dale Angus Bull and Female Sale on April 12, 2022, at the Chopper K Auction Barn, Alameda, Saskatchewan. No strangers to the livestock industry, the Young Dale program is recognized worldwide.

Dare to be different... different is good! Over the past several decades, the Young program was based on line breeding... producing genetics which are outcrosses in the Angus breed... the Young Dale kind! Through the decades, they have proven that their program can be highly competitive in both the show ring and the breeding pastures throughout North America. With never giving up performance, they have concentrated on moderating birth weights while maintaining and enhancing maternal strength in the cow families of Young Dale!

The results and success of the program can be found in the lineup of bulls for 2022. Rugged performance packages with moderate acceptable birth weights... plenty of hair, testicle and carrying those ever important maternal strengths you will need in your replacement pastures.

The females on offer are foundation material designed to head the front fields and pastures in programs of any level. We know that their cow families are prolific and predictable... these daughters will impact breeding programs for years to come. Remember that there is always room for the right kind in any program.

Feel free to stop by the ranch any time prior the sale and preview this outstanding lineup for this their 19th sale... do not hesitate to give the Young Dale crew a call to discuss the offering and the cattle that will fulfill your breeding requirements. The cattle will be at the sale barn the day prior for viewing.

Plan to be with us at Young Dale and dare to be different, whether it be in person, online or on the telephone. We have graded the sale offering and will be pleased to assist you with your selections in a professional and confidential manner... see you on April 12th!

2021 Manitoba Honorary President "the late Howard McRae"

I, Russell G. Hutchison of Avalawn Angus, Virden, Manitoba, nominate the late Howard McRae of Angus Valley Farms of Brandon, Manitoba for Honorary President of the Canadian Angus Association for 2020.

Howard served as President of the Manitoba Angus Association in 1957, and as Vice President in 1956. He also founded the South Brandon 4-H Beef Club in 1952, an organization that was active for 60 years.

Howard and his family of Angus Valley exhibited the Grand Champion Bull, Estons Pride of Angus Valley and the Grand Champion Female, Pride of AV of Canada, at the 1957 Brandon Winter Fair in 1957.

In the summer of 1957, the McRae family hosted the Manitoba Angus Association tour, a very successful event attended by 650 people from all over the province. The McRae family organized workshops and demonstrations for all those in attendance and provided a barbecue beef supper.

Howard was a tireless supporter and promoter of the Angus breed and showed steers and breeding cattle across Canada. He had an idea to select Angus show cattle from breeders and take a show string on the Western Show run to Calgary, Edmonton, Saskatoon and Regina. What a great undertaking for Howard to organize these events and a great promotion for the Manitoba Angus breeders.

Unfortunately, Howard and two of his sons were killed in a car accident in 1970. Two sons, Doug and Bruce, survived. After many years, Howard's youngest son Bruce has started up the Angus Valley name again with a small herd of Angus in the Manitou area.

Howard McRae was a well-respected leader and loved Angus cattle.

December 11, 2020

Howard's son, Bruce McRae, receiving the Honorary President Pin from Manitoba President Devon Boitson.

A handwritten signature in black ink, reading "Russel G. Hutchinson".

Family

in loving memory

It is with a great deal of sadness that our very good friend and partner, Clarence, won't be with us this year at our sale.

For many years Clarence was the guy that appraised the cattle and our sale results.

When you believe as we do Clarence will be watching.

Thank you Clarence for you all you did and the legacy you provided for many of us in the cattle business that you dearly loved.

- Barry, Marj and family
