45th Annual SHORT GRASS

BULL AND FEMALE SALE

SALE DATE: APRIL 15, 2023

SALE LOCATION: SANDY BAR RANCH ★ ANEROID, SK ★ 12 CST

Welcome

Well here we are 45 years later and it's looking to shape up like a profitable year in the cattle industry. There has never been a better time to have bull power on these cows as it looks like there is some herd building to do and females to retain. We are proud to continue raising soft made, strong topped, big hipped cattle with lots of hair standing on good feet and legs. Cattle that can stand up to our environment, bulls that breed cows for enough breeding seasons and walk soundly on a trailer to get the salvage out of them that we need. We have never been prouder of our offering this year and we would be pleased to have you all join us on April 15th.

44E was the top selling bull in our 2018 sale offering to Remitall Farms. This is the second big offering that Sandy Bar has by him and they are phenomenal. Lots of length, great feet, big barreled and big nuts. A must see sire group to take a look at. He's a complete outcross for most.

Coming from our friends at Six Mile, Droptine was an easy one to find at their sale as 3 commercial guys told me about him before I even saw him. Droptine is as long as they get, he has good big feet on him, he's easy doing and good to handle. This bull sires consistent calves not matter what you breed him to.

It was a big hit losing our Blaster bull a few days before he was to start breeding, we were scrambling to find a bull to cover a big field of cows. After making a few phone calls, a friend put me onto Back In Black. He was originally purchased by the good folks at Allison Farms and they agreed to let him go on short notice as they had already used him heavily. He has proven himself here at Valley Blossom with his light birth weight calves that have ample performance, hair, natural thickness and eye appeal.

The Blaster bulls have rose to the top every year proving their consistency. Lot 1 exemplifies the traits needed to maintain a forward momentum in the industry. He's correct made, nice headed, walks full strided with great length of spine, lots of guts and natural thickness. His mother is a great footed, great uddered, functional Angus cow that gets the job done every year. This Lady cow family was originally purchased from Frantz Dordu which proved to be the best cow investment ever in building the VBR herd. A full brother is walking at Waldorf Ranch and a full sister is retained in herd.

This Sensation bull is a stand out that has attracted a lot of attention in Pen 1. He is out of a phenomenal cow we obtained from Bob that keeps proving herself year after year. This Sensation combo really worked here. 604K is super thick and is as free moving as a cat. He's even better in person and we are confident you will really like what you see here.

Molly - **Scholarship Donation**
Our dog Molly will be the lead off item for the Brian Good Memorial Scholarship. She's by Jake, Tyson Frank's stud dog, and out of Zoe, bred by Milt Mastad. She's 15 months old and has been worked all winter in Arizona. Molly is the real deal!

Sitting here trying to think of what to say about one of my best friends. We grew up in the Angus world when things were not that good. Brian and I had many talks about what should be done to make our breed more popular. We knew we had the goods but we weren't getting the job done. When we talked one day I told him the Saskatchewan Angus Association was going to start up the old Moose Jaw Feeder Show and Sale. He was ecstatic. When Brian came on to work for the Canadian Angus Association he phone to ask if they could help out. The rest is history.

We are going to start a Scholarship up under Brian Good's name for the Angus Foundation and we are auctioning off a few things at the Short Grass Bull and Female Sale. The recipient will be a person under the age of 21 in the Commercial Angus business.

Another Executive bull that makes friends real easy. Executive puts a stamp on his progeny and this one is no exception. His Dam, Lady 820D, has been an ideal cow; long, feminine, perfect uddered and lots of heart. I chose a daughter out of this cow to start Tilly's own Angus herd, which I feel speaks for itself!

What a bull! 3 star calving ease backed by bulls including Black Cat, Final Answer, Ambush 10Y and Franklin that have proved themselves in our herd. His Dam, 25G, and his grandam, 113C are two of our top cows.

IJP 113C

No Doubt, Kodiak, Bismark and Ideal, it doesn't get much better than that. Just ask the Fischer that owns his half sister with Everblack Angus.

MUSGRAVE AVIATOR

Two words sum up this February born Executive bull - "brick shithouse". If you like them moderate, thick and hairy with a good set of wheels under them, 715K is for you. His Dam is as attractive as they come and would have looked pretty fancy on the end of a halter, only I don't have a halter and our cows show off in the pasture.

★ THANK YOU TO OUR PAST AND PRESENT CUSTOMERS ★

Huge thanks to everyone for coming to our 45th Annual sale. We appreciate those who have stuck with us and supported us over the years, as well as new comers that have faith in our program. We strive to produce bulls and females that suit our fellow rancher's needs. We couldn't continue without you!

Here's another Aviator X Cash Grab combo out of a cow we purchased from Beau. She's a long, deep female and should turn into a great cow just like her mother. The Cash Grab females have sure done their job here.

CASH GRAB 60C

Our top daughter of our 102H sire. We kept this bull because of his mother 4A who is also the dam of Lot 7. She is plumb good with proven bloodlines.

**QH****GRADE****LOUIE****CONTACT****KOOL SPRINGS RANCH****Kevin: 306-642-0441**

We call him "Louie": 15.2 HH quiet, solid built gelding coming 7 years old in the spring. He is very soft and light on the mouth. I've been using him for daily ranch work, took him to spring brandings and have been taking him to jackpots on weekends. At the winter jackpots, he's scoring well and has lots of run in him. He's very easy to get along with so should fit anyone's riding ability. He is not papered but I do know he is out of "Jewel the Snipper" and a bay grade mare. If you have any questions or want to come try him out prior to the sale, please give me a call on my cell.
