**PROGRAM
ADVANCING**

Throughout the industry, there are great genetics, and then there are those that get a classification of legendary. We at T Bar C are proud to present the Spring Thaw: Black and White Edition, a hand selected offering of both Angus and Charolais genetics that we feel either have already obtained that legendary status or are well on their way to becoming one. This offering is an opportunity to get in on genetics that have never been made available to the industry and are being presented by program leading outfits in their respective breeds. Once again, this past Fall and Spring run was a classic example of just how much impact that popular, rare, and in-demand genetics have on fetching high dollar evaluations, and ultimately the bottom line. The term ROI is one that is often discussed, but the simple fact that investing in distinguished, elevated, and prestigious ingredients such as those in this catalogue will without a doubt bring a prosperous result and return.

If we at T Bar C can be of any assistance as you evaluate this presentation of the who's who in the Angus and Charolais worlds, and ultimately map out your breeding plans, do not hesitate to contact any of us listed. We highly endorse these pieces of genetic gems, and truly feel they are the kind that can elevate and energize any program looking to find success and advancement.

BEN WRIGHT

As always, please note that it is the responsibility of the winning buyer to be in contact with the seller for release, as this will be the easiest method to arrange a quick shipment.

SIRE OF RECTIFY

THE FUTURE OF PEAK DOT

Rectify is an exciting new herdsire at Peak Dot Ranch, he offers calving-ease and performance with outstanding maternal pedigree and bred in longevity. Rectify is a thick topped, deep sided, soft made, good headed and comes with great feet and excellent scrotal that the Sitz Stellar sons are know for. He weaned off at 845lbs and holds a \$ Weaning index in the top 3% of the breed. His dam is phenotypically outstanding and was the pick of the 2021 Raven Angus herd selling to Simon Cattle Co. His productive grandam is 11 years old and looks like she will live and produce for another 11 years. His great grandam is a 13 year old Pathfinder at Raven Angus. We think the world of this young herd sire and he will be used heavily at Peak Dot this year and in the years to come. **Stored at Peak Veterinary Health**

MOHNEN GENERAL 548
SIRE OF LADY MAY

There is no name in Angus circles that gets the heart pumping quite like that of the lovely Lady May! Lady May 54J is only beginning to write her story in the history books, but she can already boast being the February Freeze high seller for 2023, and the most talked about female from the outstanding Bandura dispersal. We are confident to go as far and venture that this impeccable daughter of 4382 has every opportunity to be everything and more that her highly admired mother is. This flawlessly made, eye appealing female has extremely superior udder quality, tremendous body mass, and the numbers to tie it all together.

Mated to the ultimate female maker whose demand far outreaches his supply, the new generation of Lady May is a sound investment. Embryos are stored at Bow Valley Genetics. Guarantee one pregnancy if implanted by a certified technician. Consigned by 719 Cattle, Dudgeon Cattle Co., and Lee Shologan.

SIRE OF INVESTMENT

Merit Investment was the high selling bull at the Merit Bull Sale for \$80,000 in a hotly contested battle. His dam has done so much for the industry already, with many top sellers for many folks. Merit Intent 37H to Linden Cattle Co., Merit Renegade 8130F to Everblack Angus, Merit Sam Elliot 9144G (kept in the Merit program), and Merit Depth Charge 1001J to 66 Ranch Ltd., to name a few. These are just the maternal brothers she has raised the past 3 years. Many females have also made sales or kept in the operations; His sire, U-2 Coalition 206C has done amazing everywhere he has been used. Investment 1054J is a bull that is a must see in person with all people having the highest remarks when leaving; he is also approved for heifers. Semen is stored at Alta Genetics.

To put it simply, Countess is one of the most admired Angus females in the game. The legacy of 7077 only just began when she sold through the Brooking Female Sale in 2017 for \$37,000; and was further solidified as she dominated the bright lights of the show ring, claiming every division champion she competed in for three consecutive years. Topping of with winning the ultimate prize of Supreme Champion at both Farmfair and Agribition. As with any truly great female, her legacy did not end in the show ring. Her first daughter fetched a \$53,500 evaluation, and the Championship Female title in Lloydminster. Her second daughter sold for \$30,000 and went on to be Reserve Grand Champion Angus Female at Agribition. This is a mating of show ring phenoms, as Maximus is not only in the CWA Supreme history books, he is a breed stand out in muscle and power. Reputation cattle breed reputation cattle. **Guarantee one pregnancy if implanted by a certified technician. Embryos are stored at Peak Veterinary Health. Consigned by 719 Cattle.**

BECOMING A LEGEND

GHC Reagan 9012 arrived on the scene when he sold for \$40,000 for one half interest in the 2020 Grand Hills bull sale. At a year he exhibited large testicles, exceptional ultrasound data, and a docile demeanor. He is developing into the go to sire for calving ease and maternal with a balanced EPD profile. Sired by LT Blue Value 7903 and out of the immortal LT Brenda 6120, he offers the potential to create elite brood cow matrons to anchor your operation for years. He is tested Homozygous Polled and PA Free. **Semen is stored at Alta Genetics.**

THE END TO YOUR SEARCH

WCR Bold Move 168 P was just the sale featured herd bull topping the USA Charolais National sale in Denver Colorado. Bold Move offers excellent phenotype combined with an absolute star-studded genetic EPD profile. He also comes from one of the most prolific cow families at the WCR program, a large Charolais operation that is international known and respected. Bold Move ranks in the Top 35% in 9 different traits, including the Top 1% WW, Top 1% YW, Top 1% TSI. Bold Move is so unique as he has the extra good looks combined with a staggering EPD profile. A pedigree that is an outcross to many in the entire Charolais breed, as well as a negative -1.6 BW epd and 80lb actual birthweight. Bold Move can end your search for something different to use in your AI program on your heifer pen for 2023. Semen is stored at Alta Genetics.

The matings on offer are elite in every facet. Take advantage of this opportunity to make your own winning Lily! **Guarantee one pregnancy per package if implanted by a certified technician. Embryos are stored at Bow Valley Genetics. Consigned by Prairie Cove Charolais: Tyler - (403) 501- 0660**

TERMS

The terms of the sale are cash or cheque, payable at par at sale time. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES

It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY

We will assist in arranging transportation wherever possible. Each purchase becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS

Bidders unable to participate in the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE

We strongly recommend that insurance is purchased for full value.

ERRORS

All announcements at sale time, written or oral, supersede any written material in the catalogue.
