### BOARD & DELIVERY

\$100 credit will be given to purchasers who take their bulls home on sale day. Bulls may alternately be boarded free of charge until May 1. All bulls returning to the farm MUST be insured. Insurance will be available on sale day. We encourage purchasers of two-year-old bulls to take their purchases home on sale day.

### SIGHT UNSEEN PURCHASE PROGRAM

If you are unable to attend the sale but are interested in bulls, give any of the Buy the Beef Bull Sale consigners a call and they will personally go over the bulls and your program to recommend bulls that would meet your needs and refer you to one of the sale staff who will represent your needs in a professional and confidential manner.

### EPD EXPLANATION

EPD's are "Expected Progeny Differences". They are a useful tool in selection. EPD's incorporate the individual animal with its averaged ancestry performance. EPD's do not compare across cattle breeds, they are individual based per breed. EPD's indicate a probable variance above or below breed average for that trait for a given bull's progeny. Use them for guidance in the direction you want your herd to go.

### BULL DEVELOPMENT

The bulls are fed a corn-silage-based growing ration to allow expression of genetic potential. We strive for sound, functional and fertile cattle. We follow a strict vaccination program prescribed by the Brydges and Taylor Vet Clinic. All bulls are vaccinated for foot rot and pink eye.

## from the desk at T BAR...

Welcome to the 19th Annual "Buy the Beef" Bull Sale, on Tuesday, April 4, 2023 at the Neepawa Ag Complex, Neepawa, Manitoba. Hosted by the McLaren Family, JAS Red Angus has been supplying bulls to breeders and ranchers for nearly two decades. Camo Cattle Co. along with

Madsen Angus and Nolan Cattle Co., are guests at this exciting Manitoba event.

A high standard group of yearlings and two-year-olds, both red and black offer producers a strong and diverse offering to select from. Whether you are looking to add pounds to your calf crop at weaning with a power bull or select an easy calving sire for your replacement pastures, the selection has unlimited opportunities for all types of programs at all types of budgets. Optimum frame size, realistic birth weights, great dispositions, lots of hair, muscle, and appeal. You can be assured that these bulls will be highly maternal for you to put their daughters into your program. The mother cows are broody, easy doing with beautiful udders.

The JAS bulls are headlined by the sons of Red U2 Urgent 27E, a power and performance sire that will add pay weight to your calves at weaning. The sons of Red Ward's JW Revolution offer low birth weights, calving ease yet retain that get up and grow. The sons of Red Cinders Rockets are long sided, stylish and correct. Their two-year-olds, mostly by Red Ter-ron Banger, were too young for last spring's sale... grass run throughout the summer, they will cover more cows, bigger cows in all types of terrain.

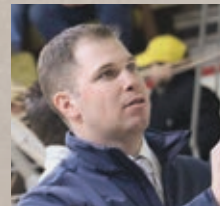

Camo Cattle Co. have had a very busy year as they strive to increase their cow herd base. The addition of a large commercial cowherd and the

acquisition of the Blake cows show us their dedication and long-term plans in the livestock business. You will easily find their Red JLL Final Deals with their hair and muscle, but don't overlook the Red TR Coupe De Ville sons out of the new cows.

Madsen Angus offers an outstanding group of black bulls sired by HLC Grit 705H, who was Reserve Grand Champion Bull at 2022 Ag-Ex. You will love the high performance, hair, and his optimal birth weight. But do not overlook their feature bull by Madsen Five Iron!

Cody from Nolan Cattle has only a couple of prospects and they are darn good. Both were exhibited last fall and had plenty of attention... the are competitive and complete.

Plan to be with us and "buy the beef" on the first Tuesday in April in Neepawa... it will be worth the trip. Feel free to preview the bulls at their respective farms, see the mothers and sires or just give them a call to discuss their bulls and those that will work in your breeding intentions.

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

Welcome from  
**JAS RED ANGUS**

Welcome to the 19th Annual Buy the BEEF Bull Sale. The first half of winter has gone quickly and we have had a successful calving season so far. It's always so exciting to see the fresh crop of calves on the ground to see how our past decisions are coming to fruition now.

We welcome T Bar C to our mix as they are managing our sale this year. They did a fabulous job with our first Annual Sister Sale, held in December of 2022 and look forward to working with them for our sales moving forward.

We also welcome CAMO Cattle Company back as a guest consignor, and have added Madsen Angus and Cody Nolan to our guest consignor list this year. All three have a strong

set of bulls on offer for you to have a look.

This year's bulls are our most uniform and consistent to date. We have a full selection of cow and heifer bulls that we are sure will enhance your herd so that you can have full confidence in your purchase. As always, we select the top end for both yearlings and two year olds. The majority are AI sired and boast ease of calving and consistency. The dams are feminine, productive and highly maternal.

You will notice our most prevalent sire for our yearlings this year is Red U2 Urgent 27E. He has done great work for our program - both in AI and in the pasture. His Dam (Anexa 351N) is Elite and the breeding shows through in this group we have for you.

We are on a whole herd health program. The bulls will have a both a Fusoguard and a Maxiguard shot prior to sale day.

Invest in high quality seedstock to put more pounds on your calves and dollars in your pockets. But don't take our word for it! Stop by or call anytime to talk bull power and see for yourself what we believe our cattle can do for you.

Thank you for your continued support and we will see you on April 4th in Neepawa.

*-The McLaren Family*

Welcome from  
**CAMO CATTLE CO.**

Welcome, and thank you for taking the time to view our offerings. We would like to thank all previous bidders and buyers who have trusted the CAMO program. CAMO Cattle is undergoing some very exciting news moving forward into 2023. But first we need to thank the McLaren family for all their mentorship, knowledge, and continued support for our family and farm. You will notice some new faces to the sale as we welcome the Madsen family and Cody Nolan to the Buy the Beef Bull Sale.

You will notice some of the bulls on offer start with the Tattoo HMG. This spring we partnered with Blake's Red Angus of McCord SK to form a lease agreement on their top red angus cows. Drought challenges forced Shane and his family to look for other options without dispersing their proven red herd. Thirty pairs arrived in May and were very happy to see green grass. These cows are built for longevity in any environment

without sacrificing weaned calf performance.

CAMO Cattle has undergone substantial growth as of March 1. We are honored to have purchased Pedersen Farms 300 head commercial cattle operation. Hans and Christine have been longtime neighbors and friends and we wish them the very best in their next endeavor.

We have said it before "if it doesn't meet CAMO standards, we guarantee it won't meet yours!" These bulls are developed to arrive on your farm and get the job done, buy with confidence.

Last but not least Kristin and I would like to extend a huge thank you to our parents and right hand man Uncle Dunc for their continued support in every facet of our busy lifestyle.

*-Cam Sibbett*

**NORTHSTAR SEED**

Premier supplier of forage seed in Canada  
**Grow With Us**  
Our mission is to provide the forage, turf, and native seed products best suited for our customers' individual needs and purposes.

**DSV**

**Best FARMING SYSTEMS™**

**TM Agricultural**  
Our flagship product is used to stimulate strains of beneficial microbes in the soil that have become dormant. The result: softer, more mellow soil which translates into higher organic matter, better water retention, improved percolation and increased yields.

**PH Adjuster**  
Used to help balance the pH in the soil. Helps mobilize heavy metals. The result: proven increased crop yields, by unlocking nutrients due to salinity issues.

**Seed Germination**  
Apply during seeding or up to 120 days prior. Results in early emergence and more even crop growth.

**Herk Foliar Fertilizers**  
Scientifically proven to be the fastest way to get essential nutrients into a plant! Our HERK MAXXX crop specific foliar blends will give your crop the muscle it needs to compensate from soil deficiencies, with our full package of high quality chelated micro nutrients and trace elements. Increase yield potential and put bushels in your bin.

Welcome from  
**MADSEN ANGUS**

Alanna and I are pleased to be joining the Buy the Beef group for this year's bull sale. We thought it would be a better fit for us and our clients to sell a little later, to give these calves an extra month to develop without being pushed. Thank you to the Canadian Central bull sale group for letting us be part of their sale for the past couple years. Stop by the farm anytime.

Feature bull here folks, you can breed this cow to anything and she'll just lay down and have a great one. There was a heated conversation around the kitchen table at Youngdale when Barry decided to offer Little Lady for sale, Barry won out, much to

Rob's dismay. She's an outcross by Connealy Courage. Her first calf by Believe sold to Come as U R and Trent Walls for \$10,000. Her next calf by Hi Def (Gus) was used here for a couple years and is now working for Sheldon McDonald, next had a heifer by Froh Show that we retained, this guy by Five Iron 21F might be the best one yet and her calf this year is a rock star by DFCC Jacked. In the immortal words of Doug Henderson, "If you plant cabbage, you're going to get cabbage."

Herd sire time, this guy puts it all together, performance and calving ease. He's out of our Reserve Champion bull at Ag-Ex Brandon 2022 and a class winner from Agribition 2021. HLC Grit 705H was the high selling bull at Hollingers bull sale in 2021. 10K's dam

Pollyanna 51E is a big power cow with an excellent udder and a near perfect foot. There is a little bit of white on mom's udder, but none on the bull himself. This guy should work in the cow or heifer pen.

Here is a HF Prowler son who has been a standout since birth. Don't let his birth-weight scare you. He was born 15 days early but that didn't stop him. He is a stout, thick bull with lots of muscle shape to him. He was his mothers first calf and she did a great job on him. Lots of performance here! Bull calf champion at many summer shows and was 1st in class in Brandon. Definite calving ease here but will still add some performance to the calves.

This has been my favourite bull all along. A Stunner son with lots of grow, thickness and power to him. He has been admired by many people at Ag Ex in Brandon and Agribition, who said that he was one of the best Stunner calves they have seen. His mother is the best footed cow in the herd with lots of milk and power to her. I would like to retain 100 straws of semen at the owners convenience and sellers expense.

# TERMS *and* CONDITIONS

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

**Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value.

**Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**Errors:** All announcements at sale time, written or oral, supercede any written material in the catalogue.
