As we celebrate 33 years, we would like to welcome you to our Annual Bull Sale on behalf of the Howe and Rosso families. Certainly this would not have been possible without the support of our customers who have become our friends over the last 33 years. We are extremely proud of the set of bulls we have on offer this year. These bulls are the result of over 94 years spent in the purebred business by the Howe and Rosso families.

We have followed a strict selection protocol to bring you the very best set of bulls that we have offered in the last 33 years. These bulls are the result of a hardworking set of cows where good feet, legs and udders are taken very seriously.

The sale will again be broadcast by DLMS for your convenience. We welcome & encourage your visits to the Howe or Rosso Farms to look over the sale offering. You can also see all the bulls at the Howe Farm Sale Site beginning the afternoon of Sunday April 2, 2023 right up to sale day.

We are very proud of our offering and are willing to stand behind all of these bulls. If you have any questions about the sale offering please feel free to contact any of the consigners for further information. If you cannot make it sale day, we are more than happy to help you find your next bulls through our Sight-unseen program or bid through the DLMS online sale broadcast. You can buy with confidence from our programs.

*Thank You and See You Sale Day!*

# Howe Farm

In putting together our catalogue it is hard to believe that we have been breeding Charolais cattle since 1968 and Angus cattle since 1985. We believe it is no accident that this set of bulls is this strong. These bulls represent what we have strived for over the last 55 years. They have very moderate birth weights and still have the growth and performance the breeds represent to the commercial industry.

You have to appreciate the hair coat these bulls carry along with strong feet and legs and cleanliness through the sheath. These bulls are all from strong cow families that speak for themselves in what the bulls have sired for sons/daughters.

With the increasing demand for 2 year old bulls, we decided to set aside a group of young and promising calves to sell to this market. Since 2018 when we bred our first group of cows in the fall, our offering now includes long yearling bulls. We brought these bulls along with our yearling bulls on a complete TMR ration until April. They were then switched on to a high forage/backgrounding ration until turned out on pasture in August. In November we brought these bulls in along with our own herd sire's to finish their development into the phenomenal set of bulls you see. These Two-Year-Old and Fall Born Bulls have had no feet trimmed and we are extremely proud of this.

Take a look at the pictures and videos of these bulls. You can see that this is as strong of a set of 2 year old, long yearling and yearling bulls as we have ever offered to producers. We feel you will find something to fit your needs.

We are proud of every one of these calves and that's why they wear our brand on their hip. We currently calve 290 cows between the two breeds. Our offering now includes long yearling bulls since 2018 when we bred the first group of cows for fall calving.

# Welcome to Rosso Charolais

As we embark over 39th year in the business it has us looking back on our past sales; approximately 900+ bulls have been sold and delivered to numerous provinces across Canada. From the beginning to now we strive to keep our program for what we believe in.

Here at Rosso Charolais, we choose to run walking sires for the fact that the cows are out on pasture getting bred, while we are busy during the haying season. We purchase herd bulls to walk in our pasture allowing us to analyze their breeding drive under ranch conditions. Structural soundness, calving ease, and performance are attributes we look for in our herd bulls and strive to replicate in the bulls we have to offer. Check out their pictures throughout the catalog.

We welcome you to our 33rd sale! Please join us for lunch, a visit, and a beverage. Also, everyone is welcome to visit the farm to walk through the bull pen prior to the sale date. If you have any questions, please feel free to give us a call.

What does this  mean?

You may have noticed this logo on a few of our Charolais pedigrees. This means that the animal has been 50K/100K DNA tested meaning the accuracy for that animal's EDP increases. This genomically-enhanced EDP allows us to greatly enhance our selection process and better predict the genetic potential of that animal.

Take a look at the bulls actual weaning weights to compare the weights of your weaned calves.

From weaning, Rosso Charolais bulls are fed rations to grow and develop, not fatten. The bulls are fed a 62-65 TDN grain ration and alfalfa hay.

Numbers are subject to amount of feed fed. We believe in calving ease, and cattle that will work for you on the range.

**Terms:** The terms of this sale are cash or cheque at par at Moose Jaw unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

**Disputes:** In case of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

**Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**Announcements:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence.

**Certificate of Registry:** Each animal will carry papers issued by the Canadian Angus and Charolais Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement has been made.

**Breeder's Guarantee:** Should any bull, 14 months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within 6 months following date of purchase or 6 months after the bull has reached 14 months of age. The seller will then have the right of privilege of 6 months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**Right to Draw Semen:**

The consignors of the Howe Family Farm and Rosso Charolais sale reserve the right to draw semen on any bull at the buyer's convenience.

**Exception Guarantee:** In case where the animal is subject to any hormonal or surgical reproduction techniques after the sale, this guarantee is null and void.

**Settlement:** Transportation charges on animals returned to the seller are for account of purchaser. No incidental expenses such as feed, care, AI, signing fees, interest, veterinary charges etc. will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder then said animal will be reclaimed by the purchaser at their expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement FOB ranch or locations of origin or a refund of actual price FOB selling point. In no event, shall the seller be responsible for more than the purchase price paid FOB selling point. Should a dispute arise over the quality of the replacement animal, Sales Management will appoint a mediator.

**Accidents:** Although every precaution will be taken to protect the safety and comfort of buyers, neither sales managers, auctioneer nor Association assume any responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.

**Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding. Resale of animals following purchase in the sale shall constitute a separate transaction and the rights and obligations of the two parties concerned there to are not covered by the terms and conditions of this sale.
