23RD ANNUAL
BEST OF BOTH
Worlds
BULL SALE

Tuesday
FEBRUARY 28, 2023
GRENFELL, SASKATCHEWAN

A very sincere welcome to you, from everyone from the Double Bar D Team, to our 23rd Annual "Best of Both Worlds" Bull Sale.

This may be our 23rd on farm bull sale but Mom and Dad have been working at this for 50+ years. Dad and Mom's first import applications went in in 1971, was approved and the first imported Simmental female Ursula arrived from Switzerland in the spring of 1972 and was picked up at the CN train station in Melville, SK. (I was about 3 months old). Her first calf was sold a couple years later in June at the Stampede Grounds in Calgary for \$12000 as an open heifer topping the open division. Dad bred and owned some of the first registered Simmental in Canada, starting with #68. So, needless to say, our roots run deep in Simmental – you could say it is 'in our blood'.

Double Bar D really appreciates our customer base year after year as the bull business is definitely customer driven. We make genetics selections every year with our commercial production customers at the forefront of our minds. We value your input and integrity as awesome families to do business with.

We also want to express heartfelt appreciation to all the 'DBD team' as this is truly a team effort – whether it be calving, feeding or grain farming, it requires a small army to get'r done! Thankyou!

We are proud of the bull pens this year in all categories. We have some very impressive Fullblood Fleckvieh bulls for you to appraise out of proven cow families and the herdbulls, Motown, Ramsay, Gambler, Romano 14F, Batman 216E, Sensation and Grandslam. Our Red and Black bulls as well are backed by proven cow families, as many bulls go back maternally to the same dams, granddam and great granddams. Of course, we combine these leading matrons to a powerful bull battery such as Bankroll, Man O War, Captain Morgan, Primetime, Relentless 7G, Emperor, Law Maker, Red Wave, Rest Easy, Currency 9402G, Scarface, Ignition, Big Red, Cobra, McDavid, Bankroll 804F and Hedge Fund.

We strive to raise bulls that offer genetics that are born easy with good growth characteristics on correct structures. After all we still sell cattle by the pound!

Thank you to all our sale staff: T Bar C, Bohrsen Marketing, First Class Cattle Marketing and DLMS Internet bidding. Your assistance in marketing is very much appreciated. Don't hesitate to contact any of these marketing specialists.

We value your inquiries and interest in our bulls and genetics. Feel free to call or visit the farm any time prior to the sale – all the way up to sale time. Contact myself, Ken (306)697-7204 or Logan (306)451-7229 (Logan knows the cattle like no other).

We look forward to seeing you sale day, Tuesday February 28, 2023. Lunch at 11:30 and sale starts at 1:00

Welcome to the "Best of Both World's" on February 28, 2023 presented by Double Bar D Farms, at the ranch, Grenfell, Saskatchewan. Pioneers in the Simmental Breed, Richard and Marcia have bred and marketed high quality seedstock for over half a century. The Double Bar D operation is dedicated to agriculture as they have a very successful grain operation in addition to the large registered Simmental cow herd. 2023 marks the 23rd annual spring bull sale and their fall female "Open the Vault" event.

What an outstanding lineup! The Fleckvieh offering is the strongest ever presented. Many being polled, they come to you with optimal birth and calving credentials and big weaning weights... traits that the folks at Double Bar D have bred into their cow herd... yet have never given away the performance factor. These bulls are stout, with muscle, tons of hair, testicle and full of "earning power."

The Reds, Blacks and Blazes come to you homozygous polled. Double Bar D has an aggressive embryo program so several of the feature bulls in the offering come through the program. Without singling a bull or two, we urge you to check them out, there are several exciting opportunities. These bulls offer high maternal values, something that the Dimler's pride themselves in. Consistency in type and kind, yet the genetic diversity gives all operations with all types of budgets an opportunity to add value to their program. The long yearlings are always a feature... they can cover more cows on all types of terrain and region and put uniformity into your calf crop.

Located just a mile south of the trans-Canada highway, we urge you to stop by the ranch and preview the outstanding offering for 2023, Ken or Logan can give you a tour or just give them a call to discuss which bulls will fill your breeding requirements as this cattle market gets stronger every day.

Mark February 28th down on your calendar as bull shopping day at Double Bar D!

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

DOUBLE BAR D WARRANTY

All bulls born prior to January 1, 2022 will be semen evaluated and have passed the test by a licensed Veterinarian. 2021 born bulls will have a physical breeding soundness exam and deemed likely to pass a semen evaluation. Please indicate when you need your bulls. All bulls will be semen tested prior to shipment. We encourage you to buy insurance on your newly purchased bull to protect your investment. Insurance agents will be available on sale day. If your bull or female should fail to be a satisfactory breeder, he or she will be replaced with a bull or heifer of equal value. If this cannot be agreed upon, an adjustment will be made or a credit will be given towards the purchase of another one of our animals.

Please check your animal frequently and contact us early if you have any questions or concerns. Double Bar D Farms will not be responsible for any financial loss above the purchase price of the animal. Double Bar D Farms will not cover the loss of an animal that has been mismanaged or physically injured, however, we will assist you in providing another bull to use if needed. We always have back-up bulls available. In cases where a heifer has been subjected to any hormonal or surgical reproduction techniques following the sale, warranty shall be null and void.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

DOUBLE BAR D MILSAP 271H
\$110,000 HALF BROTHER TO VIRGINIA RANCH

It's bull sale time and Malone has lined up from the day he hit the ground to today. His Anchor D dam has been in our donor program and continues to stay in the front pasture. Can't say enough about his sire, Motown as well as he continues to sire both outstanding sons and daughters. His daughter DBD Sadie 11J was high selling Fleckvieh at Share the Herd 22 to Sunny Valley Simmental at \$29,000 and his son, Milsap, was high selling bull at Best of Both Worlds bull sale 22 to Virginia Ranch at \$110,000. Motown semen sales are very brisk whenever offered. It is very hard, if not impossible to find a 'hole' in Malone as he is supported by an excellent dark foot and strong leg structure. Malone is also very free moving, dark red, long bodied and smooth polled. Malone astonishes us every time he walks across the scale and makes us question our scale's accuracy. Nevertheless, he is solid built for sure and is definitely a bull that has the potential to elevate your Fleckvieh lineup for years to come. He's a definite investment worthy individual!

Grandslam 35K is an awesome polled ET bull that completes a large checklist. He is super hairy and correct made with big performance on a thick and long sided frame with a smooth shoulder. His sire, Grandslam was a high selling bull going to Oakview Simmental MB in Best of Both Worlds 21. Genetically these two full brothers exhibit the best of the Chandler, Jahari, Juggernaut and Flashy lines. Dam, Fiesta 207A is a dark red, powerfully good polled Juggernaut daughter going back to the DBD Flashy Cow Family.

We are very happy with the SVS Gambler bull and his calves. He is doing an exceptional job at producing calves that are born easy, grow and develop very well and Gambler takes the horns off all his progeny. Gambler 65K is a scurred Gambler son that is cherry red, deep bodied, big topped and stylish made. His Manchester first calf dam is an extremely deep bodied and feminine female with a much-anticipated future here at DBD.

DEEG MS ZENA 69G
DAM

HOMO POLLED

Wow! Simply cannot say enough about this flush! Dam Deeg Ms Zena 69G was purchased from Deegs as high selling female at Sim Power 2020 for \$30500. 69G has exceeded our expectations both in production and consistency as she calved in January as first calver then flushed well and bred right back to calve February 2, 2022, and now calving this year January 2023. These Law Maker siblings are all very good bulls with a ton of consistency, yet with subtle differences. You be the judge on these impressive individuals! They all possess amazing 'capacity' when you analyze them at every possible angle and definitely have enough 'look' and 'presence' coming from both the capacity dam and Law Maker sire. These performance driven, easy fleshing brothers, Linchpin, Wichita and Mainstay, are strong footed, structurally sound and capture visitors attention!

HOMO POLLED

We purchased STF Onyx 451W with the assurance of knowing that she is an elite and excellent producer. She is the two-time NAILE Champion, has an impressive 150+ progeny recorded and her dam, Caliente, has 180+. Our First STF Onyx 451W bulls to offer for sale and they certainly are good ones! These maternal brothers capture the unmatched style and presence of the elite donor dam, along with the proven predictable outcomes of their respective sires, W/C Bankroll and KWA Law Maker. Bulls that can be used on heifers but also powerful enough to use on cows alike.

HOMO POLLED | HOMO BLACK

Brigade 425K is a very easy moving, easy to look at bull that is chalk full of meat and muscle in all the right places. Brigade's foot and leg structure are flawless as is his sire DBD Bankroll 804F, who sold to Brooksland Farm in Best of Both Worlds 20 for \$50,000. Here's a bull suitable for either the heifer pen or the mating of your choice. Big-centered, up headed with a full long hip and lots of shape in his muscle pattern. Dam Bee Dancer 760E was high selling open from Beechinors and has developed into an elegant and powerful young brood cow.

The Dimler families of Double Bar D Farms have been a pleasure to work with on their herd's nutrition program. They continue to be one of the elite seedstock producers in Western Canada and this years offering is as deep and consistent as any. I hope you can make the sale and see the impressive group of bulls they have assembled.

The bull feeding program is built to maximize forage utilization and gut health. All forages are sampled and analyzed to ensure quality feed sources are used. Once the calves are weaned, they are slowly transitioned to a TMR. The TMR is forage based and is designed to promote lean muscle growth, allowing the bulls to express their genetic potential. Rumen health is of utmost importance, which is why suitable protein sources and proper starch levels are fed to the bulls. Organic minerals are used both on the cow herd and sale bulls to ensure proper immune function and overall health.

If you have any questions about the nutrition program, feel free to reach out. Buy with confidence knowing the bulls have been developed on a balanced nutrition program.

Good luck on sale day!
