

JP CATTLE CO.

Simmental & Angus
BULL SALE

March 2, 2023 1:00 PM McAuley, Manitoba

Welcome...

We would like to extend the warmest of welcomes to all of our friends, neighbors and fellow cattlemen to join us here at the farm for the 2023 edition of our annual bull sale. Time flies by so quickly, it doesn't seem like any time at all, since I was writing this welcome a year ago.

We are very happy with the crop of bulls we have on offer this year, very consistent in quality from top to bottom. On the simmental side, we have several full brothers on offer, out of our donor cows. If you are looking for full brothers to run together in the same pasture, or just a single bull, there are some very interesting individuals in this pen. On the angus side, not as many full brothers, but lots of halves to choose from. We're very happy with how they look, from top to bottom.

Again this year, we have a very nice group of commercial bred heifers that begin calving at the start of April. They are bred to calving ease angus bulls and wintered on a corn silage, oat silage, and chopped hay ration, with appropriate amount of mineral added. We are confident that the calves will come out easily, as the heifers are in great condition.

On a sad note, Eric's mother, Marilyn, passed away just before Christmas. Marilyn was a wonderful person, very outgoing, friendly, a great neighbor, and of course a true inspiration to her family. She left far too soon and will be sadly missed!

Thanks again to all the people here at the farm, who come everyday and make sure all the jobs get done. It's what makes the world go round, for sure! Thank-you to all our customers who support us every year. It is what makes this business so rewarding.

In closing, we look forward to seeing you again on March 2nd here at the farm. Come join us for lunch and have a look around. If you can't come that day, we are here most of the time. Feel free to stop in for a visit.

On behalf of the JP Crew,

Barry Lowes

JP CATTLE CO. Annual Simmental & Angus Bull Sale

March 2, 2023 • 1 PM
McAuley, Manitoba

AUCTIONEER:

Chris Poley, T Bar C Cattle Co. Ltd. 306-220-5006

RINGSIDE:

Shane Michelson, T Bar C Cattle Co. Ltd. 403-363-9973
Ben Wright, T Bar C Cattle Co. Ltd. 519-374-3335
Levi Rimke, T Bar C Cattle Co. Ltd. 204-851-4515

SALE DAY PHONES:

Glenn Lowes 204-851-5669
Barry Lowes 204-851-0342
Brooke Canart 204-851-2531
Stacy Lowes 204-851-5153
Eric Pateman 306-434-8567

SIGHT UNSEEN PURCHASE PROGRAM:

All sight unseen purchases are fully guaranteed.

SEMEN:

We reserve the right to draw semen on any of the sale bulls for "in herd use" at the buyer's convenience and the seller's expense.

INSURANCE AGENT:

Alameda Agencies: Bonnie Thompson 306-483-7311

365 day weights will be available sale day.

GUARANTEE: All sale bulls are fully guaranteed as breeding bulls. We will be keeping back a few bulls as replacements, if one may be required.

HEALTH: All cattle are on a full Pfizer Health Protocol. Rebecca Gervin from ValleyFlats Vet Service has done all semen test, scrotal measurement and preg-checking. Bulls were treated with Ivomec at weaning, September 9, 2022 and December 30, 2022.

FEED RATION: The bulls have been fed a complete TMR grower ration. Bullseye Feeds balances this ration for us. We strive to develop these bulls to grow at a steady and reasonable pace after weaning. We want to have bulls ready for our customers, at breeding season, that are in good breeding condition. We strive to raise bulls that can get out, walk, and maintain their body condition. We strongly recommend leaving the bulls at the farm after the sale, where we will keep them on this grower ration, at no cost to the purchaser, until delivery.

We would like to have most of the bulls delivered by the 1st of May, if possible.

**THIS WILL BE A LIVE SALE WHERE YOU WILL BE
ABLE TO VIEW THE BULLS LIVE IN THE SALE RING.**

JOIN US FOR LUNCH AT 12:00 PM ON SALE DAY.

From The Desk At T Bar...

Welcome to the JP Cattle Co., Simmental & Angus Annual Spring Bull sale, March 2, 2023 at the ranch headquarters, McAuley, Manitoba.

The JP boys will agree that this 2023 offering is the best and largest lineup of uniform bulls in frame and type. Over the past several years, the Lowes have purchased high end, high quality, predictable sires, and their selections have now given their customers that added value edge in the bulls selected for their breeding programs.

Both the Simmental and Angus are rugged, with plenty of hair and muscle shape... they are performance minded yet come to you with very moderate and acceptable birth weights. Farmers and Ranchers can freely take advantage of the JP program knowing that the bulls are sourced from a very large cow herd base. The ET bulls that are selling will be a feature for this event... out of superior donor mothers, these youngsters deserve a second look!

A great pen of commercial bred heifers to fit any type of operation. Calving in April... the coupons they are carrying are just a couple of months away. These heifers offer that great maternal quality as those offered in the past and will be an asset to your program as the shortage of breeding females is growing every year.

Feel free to stop by the ranch any time prior to the sale and get the boys to give you a tour and maybe see the mothers. Do not hesitate to give any of the JP crew a call to discuss the bulls and offer suggestions of which bull or bulls will fit your breeding needs.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

We purchased Wheatland Monument from our good friends at Wheatland in their 2021 bull sale. We were looking for a purebred simmental bull that we could breed heifers to if we desired. When you lay eyes on him, he looks like anything but a heifer bull with his sheer mass and thickness, but the way he calves is just as we hoped-come small and then have explosive growth.

Mixing the power house MBJ 135A to the calving ease of Monument was a pretty easy decision for us. We think the results speak for themselves with these 4 full brothers, especially with Lot 2, who has been the pen favorite since he was a calf. We unfortunately lost 135A this fall due to an injury, but her many daughters will carry on her legacy.

This mating has been very successful for us in the past so we needed to try it again in hope of a female. We were unsuccessful in that mission but we ended up with these 3 studs.

3 full brothers to one of the best simmental bulls we have raised to date JPCC Confederate 49G, who walks the pastures in Nebraska for Kearns Cattle Company.

As you flip through the pages you will see direct sons of Confederate that will make your mouth water. Get in on ground level with these guys, you can't go wrong.

This is a flush we are very happy with! JLP 125F was our go to flush cow who we unfortunately lost to lighting this summer. Linnette would stop you in your tracks with her tremendous capacity, gorgeous udder and great feet. She had two high sellers in our sale last year that went to Scissor Creek Simmentals and Bartel Cattle Co. We feel these 5 sons have a great future ahead of them.

22F is the result of embryos that Brent Stewart purchased from us a few years ago, when his dispersal was held here, we couldn't pass up the opportunity to own another 834U daughter. 26K will raise you the kind of calves that will push the scale down in the fall.

Our red numbers may be small but we feel this guy will garner some attention. We purchased some Betts' semen to be used on a few red cows and the results speak for themselves. His mothers sire is none other than 5015C whose progeny received a lot of attention at the recent R Plus Dispersal. 17K comes in a moderate package but is extremely thick and stout with an excellent hair coat.

BW: 99 lbs. ACT WW: 848 lbs.

To lead off our percentage bulls we are extremely proud of these 6 full brothers off 120D and Confederate. 120D was our pick of the cows at the Stewart Cattle Co Dispersal. She received a lot of attention that day and we were not the only ones who wanted to own her. She is a big barreled, good uddered, free moving individual - she's everything we look for in a cow. Flushing her to Confederate was a very easy decision for us. As you analyze the bulls you will appreciate their natural thickness, easy fleshing, big middle, and testicle size.

This was a large flush and we never implanted all the embryos and the ones we are receiving this year are averaging 85-95lbs so we attribute the extra birth weight on a couple of these bulls to the harsh winter and the extra feed intake of the recipients.

JPCC Turning Heads 066K has been a pen favorite since he was a calf. He's off a beautiful first calver who came to us in dam from Bar H Land and Cattle. We are currently calving the first crop of Turning Heads daughters and they are just what we hoped for, perfect udders, good mothering instincts and very well put together. 066K is sure to catch your eye on sale day.

It's hard to not get repetitions but these Cache Creek sons are peas in a pod. 0100K's mother is a larger framed powerhouse, who has sons walking here at Ja-lyn Farms, Lane Valley Farms and Brendan Friesens.

Testimonials

Hear it from our buyers

We have been purchasing bulls from JP for several years now. They are great people to deal with and have a good understanding of the type of bulls that commercial cattlemen need. We think the quality and consistency of the bulls have been excellent and continues to improve each year. The bulls have been performing well at our ranch under our management style and that is important to us. We look forward to continuing to improve our commercial herd's genetics with JP Cattle bulls.

Cabin Bartel
Bartel Cattle Corp.

We have been purchasing bulls from the good people at JP Cattle- the Lowes and Patemans since 2016 . The bull battery these guys have acquired over the years is quite impressive . We've been a huge fan of their percentage bulls, bulls that work great for a commercial operation, low maintenance, free moving, and calves that tip the scale every fall . We've built our cow herd up from these genetics and haven't been disappointed . We look forward to continuing working with them!

Gal Huberdeau
A & C Huberdeau Farms

Bred Heifers

This year we have 50 top quality bred heifers available for sale on March 2nd. They are bred to start calving the last week of March and finish up in the middle of May. We have a nice group of reds and black, with some blazed faced ones in the mix this year. They are very good quality heifers that are up to date on their vaccinations and have had their first shot of scour guard. They are bred by home raised easy calving Angus bulls. They will sell in groups of 3 and 4 head.

Terms & Conditions

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

DISCOUNT PURCHASE PROGRAM:

This year we have decided to introduce a discount program for multiple bull purchases. You will receive a discount of 3% of the total for 2 or 3 bulls, and then for every additional bull you receive another 1% per bull.

2-3 bulls - 3%

4 bulls - 4%

5 bulls - 5%

6 bulls- 6% etc.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.

IN-HERD SEMEN...

We reserve the right to collect on any bull sold through the sale. The semen collection will be at the seller's expense and buyer's convenience. Any semen collected will be for in herd use only.
