RED & BLACK SIMMENTAL / RED ANGUS BULL SALE

MARCH 23RD - 2:00 PM
AT THE RANCH, ROSEMARY, AB

WELCOME FROM THE JANZEN'S

Welcome to our 30th sale. A lot has changed in 30 years. The first sale was held at Charlton's Auctionmart with a group of us and 3 different breeds represented. That first catalog was printed off the week of the sale and stapled together by the ladies that worked at the mart. Then the following years we sold with Rainalta until 2000. In 2009 we moved the sale to the yard. Along with having a yearly sale we also consigned 8-10 2yr olds to the Calgary Bull sale for 18 years. We started out in the mid 80's with tradition Simmentals and changes to Red and Black Simmentals in the late 90's. The Red Angus were added in 2004 and that has led to over 1100 bulls sold from Tappen North Dakota North to Hines Creek Alberta, Rossburn Manitoba West to Fort Steele British Columbia and everywhere in between. A special thanks to all customers that make it all possible.

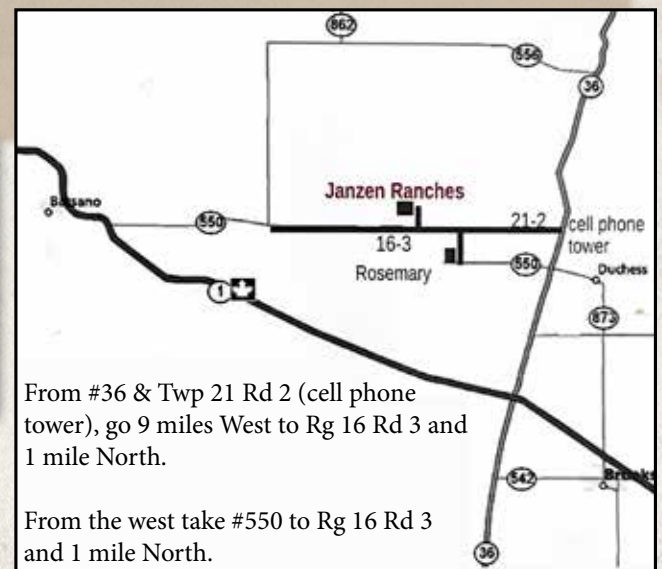

The bull pen is represented by 5 sire groups in the Simms and 2 in Red Angus. All of these sires are bulls that have walked our pastures. We flushed one of the favorite Specialist daughters and Epic group is the result of that flush. He calved really nice and they are also the high performance group. High Grade is the next new group. They are moderate and very easy fleshing. He calved so nice that he had to put in shift heifer pen before going out with his group of cows. Coldcase bulls are all out of heifers that have lots of muscle expression. His first daughters are calving right now and liking what we are seeing. Easy keeping and nice udders. Alliance is another real good group that will add a little frame, few less this year as he had a heifer year last year. Milestone has been around a few years and his bulls always have lots of style. A new sire in the Angus is Metallica that was used on heifers and a few cows. Calved good without giving up muscle and performance Tex is the good old standby, does a lot of things right.

Again thanks to all the people that made getting to 30 years possible. So consider this an invite to join us March 23.

WELCOME FROM TRANSCON

For the 30th Annual Bull Sale, I can confidently say, this is the best set of bulls ever bred by Janzen Ranches!!! This group attains more natural muscling and beef than I've ever seen in the past. They are big-hipped, big-topped and have body length. At the time I viewed the bulls, in January, the haircoats were AMAZING with many coming in that dark cherry red colour that attracts us all. As a standard feature that is included in Janzen Ranches bulls, is the foot quality and structure that doesn't take a back seat to any other bulls selling all season.

All this doesn't happen by accident, the efforts and investments placed on herdsire selection is taken very seriously at Janzen Ranches, as you may have noticed. EVERY sale bull's sire physically walks and breeds the female herd here! The sire groups are impressive and the opportunity to purchase closely bred bulls certainly exists. It's interesting to analyze the page of herd-bulls included to see how each of them was implemented to advance this very real-world breeding program.

Congratulations to this soft-spoken, logical family on 30 Bull Sales! I suppose you only can host this many bull sales in a row if you're creating a product that works for their customers. I could go on to bragging more about the longevity and fantastic udder quality bred into the cow-herd but I think you're getting the picture!

Sure hope you can jump in the truck on sale day and join us in the "Sale Quonset" at Matt & Marianne's Ranch Headquarters to enjoy a bull sale with a laid back atmosphere that doesn't come short of down home hospitality. If you haven't owned a Janzen Ranches bull before, this would be a great time to add your name to the list of high percentage repeat customers. Once you owned a "JR" bull, pretty darn good chance you'll own more!

Don't be shy to call myself or any of our qualified field-men at Transcon to assist you with your bidding needs if you're not able to attend. Many commercial cattlemen have used this service successfully for decades.
