

Justamere

28TH ANNUAL BULL SALE

Monday, April 3, 2023 * 1:00 PM

Welcome to our 28th annual Justamere Bull Sale. This morning it is minus 29 with the wind chill but it does look better in the weeks ahead. We have had a very challenging winter, the feed piles are holding on and we will make it through as I'm sure a whole bunch of us are saying at this time.

The cattle industry is in a solid climb to improved profitability, futures are very positive and the trend is a rebuilding phase it's about damn time! No one we know of works harder for their living than the farmer/rancher and it's time to be rewarded for this. We have customers that have been with us for decades and we want to acknowledge all of you and thank you for being our customer. With rebuilding and growing the cow herd in everyone's mind we bring you our offering of 52 yearling and 2 year old Angus bulls.

Our program has always revolved around the commercial industry. You have to have cattle that will calve on their own, get up, get going and grow on pasture. The female has to look after herself and feed a healthy calf in good weather years and not so good weather years. We calved out just over 200 cows again. 160 calves were born early January to mid February. That kept our crew hopping and working but we made it through and can't be more proud with the results.

The bulls this year are exceptional in quality because of the prolonged drought, no extras were kept on the bull side of the program. We feel very strongly on trying to offer you only our best seedstock.

Calving ease combined with performance and maternal excellence and tying into the carcass genetics that bring the premiums come harvest time. We use a lot of our own genetics and sample some AI sires but we try to have the best walking bulls around. We feel we have accomplished this and are proud of this fact. The bulls in this sale are the best we can offer, nothing is held back.

AI sires such as Basin Rainmaker 4404, EXAR Expressway, Conley Expression, Stevenson Turning Point, Deer Valley Growth Fund are some of the Elite genetics on offer.

Our walking sires EXAR Resistol 0829, Justamere Justice, Justamere Solutions, NRA Maga, Justamere Blue Print and EXAR Entitlement are genetics you can utilize to improve your cowherd or calf crop in one cross.

Please check out our tremendous 2 year olds. We feel these 3 March born Embryo bulls are some of the best we have offered.

We have what you need here at Justamere whether it's one specifically designed bull or a bunch of half brothers to build a program around they are here.

We also want to stress that we feed our bulls to be in good breeding condition for sure but not to carry the excess fat that just ends up complicating the breeding process when it's time for them to get their job done.

We guarantee you a semen tested, registered bull backed by generations of high quality seedstock and decades of being in the business. We also offer free delivery in Western Canada.

We would like to thank our hard working crew! Jon, Jim, Jorja, Colby Carr, Lee Shologan, Cody Mannix and the many other friends that help out when they can. Believe me, there's a long list.

Videos will be online as well as bid and buy sale day on DLMS.

We would love to have you attend in person on sale day, lunch and refreshments are available. Come by anytime to view the bulls or just for a visit.

Thank you and see you sale day.

Jon Fox

WE LOST A GREAT FRIEND AND MENTOR IN THIS BUSINESS LAST SUMMER

BRIAN GOOD

I was honored to deliver my thoughts on this great man at his funeral. Bob Switzer and I discussed starting an award towards a commercial based Angus youth, in Brian's honor through the Canadian Angus Foundation. This year we are selling tickets on a tremendous Border Collie Dog donated by the Switzers. We will sell the tickets at our sale as well as anytime before the Shortgrass sale where the draw will be made for the winner. We are thankful to be part of this great award in memory of our good friend Brian Good. Please contact Bob Switzer or Shelly Fox for further details or to Donate. All proceeds will go to the Canadian Angus Foundation.

What a great time to be in the cattle business, the market is very strong. Bull sales have been very good and female sales were very strong last fall. This tremendous son of Basin Rainmaker 4404 is very complete made, very well balanced, thick topped and good footed. He has been a favorite all year here at Justamere. His dam is a hard working EXAR Reputation daughter that we consider one of our best. **Retain 1/3 semen interest.**

A true curve bender here, just a 73lb birthweight to a whopping 864lb at weaning. The Expressway sired cattle are extremely competitive in the showing. The extra look, hair and overall dimension in a moderate, stout package will excite you. His dam OSU Empress 2155 hails from the immortal Empress cow family. You won't find a better herd sire or genetics.

It's getting real hard to find EXAR Classen semen and we all know what a huge impact he has had on the Angus breed, especially the show side of our business. This bull has stood out here since day 1. He is thick, hairy, so cool to look at, just like his many siblings. EXAR Primrose 343 is a past \$40,000 half interest sale of the year feature to Tuckaway Angus. Due to Covid she has remained here at Justamere, she will be in our donor pen this year. Moderate birth weight, huge weaning weight. Have a good look at this bull.

Calving ease with performance is what we all strive for. This son of Semex AI sire Conley Expression is usually the first one you notice in the pen. He is deep, stout, and thick and carries that meat and muscle all the way down. His dam Remitall Eilleen has been a superb producer here at Justamere. This bull is the right one to move your program forward.

 Very interesting pedigree on the dam's side. The Washington daughters are probably our best young group of females. They cross very well with our Solution bull giving you big, stout calves and great mothers.

We can't say enough good about this guy's dam Silveras Elba 1018. She has always raised a very good calf, bull or female no matter what she is bred to. This son of Justamere Solution is very powerful with a calving ease birthweight.

We are very excited about the future of this great, young son of Louisville Champion, EXAR Fundamental 9186. He was service sire to a group of heifers last spring. With excellent results this spring the calves have been born easy and are growing like a bad weed. We also showed him at Agribition where he was 2nd in a strong class of yearlings. Then he was class winner in Denver in January where he was very popular both in the ring and at the stall.

We have drawn semen on him at Origen for both US and Canada. We have decided to offer up only 50 straws to be sold in 5 straw packages. This will be the only semen released for spring breeding in Canada. Grab a hold of a unique opportunity for your program. His pedigree and EPD's are worth the effort.

Two very unique champions combine to offer you a chance at showing or real world greatness. United was the \$350,000.00 high seller at Fallsview 2019. Pebbles was Toronto Royal Champion in 2019 and both have done a great job in the Hereford Industry.

Cattle Inspection: All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

All Cattle Are Sold: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

Breeding Guarantee: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

Genetics Testing: All cattle in the 2019 Bull Sale are Anthrogyrosis Multiplex Free (AMF) and (NHF) Neurotoxic Hydrocephalus Free or listed as No Carrier Ancestry.

Holding and Shipments: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

Mail Bids: May be entrusted in complete confidence to any of the Sale

Staff listed or to Justamere Farms Ltd.

Insurance: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

Terms Of Sale: Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

All Persons who attend the Sale do so at their own risk, and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
