## **12<sup>TH</sup> ANNUAL BULL SALE**

With Guest Consignor: KC Stock Farm

**March 25, 2023 | Elk Point, Alberta, Canada**  
**Lunch @ Noon | Sale at 1:30pm**

# K-COW RANCH

## Welcome

We're excited to see cattle prices strong and forecasts of record prices in the fall. It's a great time to be in the cattle industry! We're looking forward to seeing you all at this year's sale. Be sure to come early for lunch at noon!

As always, bidding is available in 3 ways:

1. In person
2. Call one of our sale day contacts or ringman to bid on your behalf
3. DLMS Online Bidding

Please feel free to stop by to view the bulls ANYTIME between now and the sale. There is always someone at the ranch to take you on a tour and answer any questions.

We are excited to have Cole Dodgson of KC Stock Farm with his Red Angus bull offering in our sale again this year. Cole has been working with us for almost 4 years on the ranch and has been a tremendous asset to our operation.

We remind you that we do have our own WARRANTY program available with details on page 36 of the catalogue. *NOTE: The K-Cow Warranty program applies only to K-Cow Ranch bulls.*

Thank you in advance for considering a K-Cow Bull for your herdsire needs. We pride ourselves on CUSTOMER SERVICE, so please purchase with the confidence that we will do our very best to help you get your cows bred. We look forward to touring you through the bulls and helping you select your new herdsire.

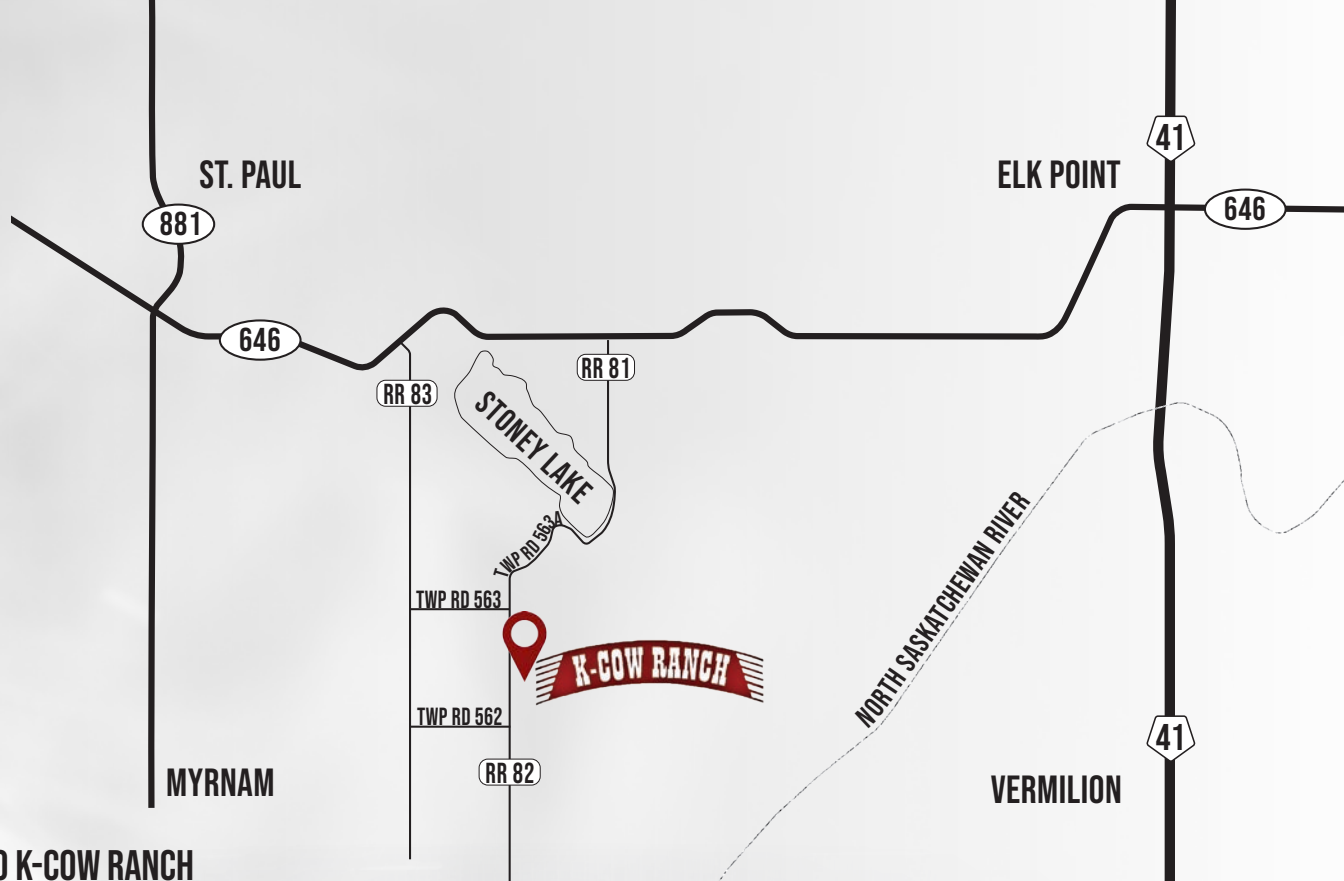

Sincerely,

*Kevin, Janice, Kailey & Lexi Wirsta*

It has been a privilege to work with the Wirs-  
ta family these past years. They are an excep-  
tional cattle family and work diligently to ensure  
a top quality product for their clients. They  
institute a modern herd vaccination program to  
minimize dependence on antimicrobial therapy  
and to ensure their livestock has the opportunity  
to fulfill the genetic potential they have strived to  
develop.

Both Kevin and Janice have a keen and  
critical eye when assessing the conformation of  
their herd members and the result of this brings  
both eye appeal and functionality. Janice, Kevin,  
Kailey and Lexi are exemplary Canadian Cattle  
producers and epitomize what a Canadian farm  
and a healthy accountable product should be.

The youngest bull in the sale! He must've done something right to keep up with the rest of the bull pen!

He's dark red and hairy!!

We purchased Harvie Established ET 209G from Harvie Ranching in 2020 for \$17,000 and **WOW!!!** Calves are exceptional, and this guy is no different, coming from an exceptional pedigree and just keeps getting better and better everyday! Since the fall shows Kingpin has really grown into himself and turned into a bull who brings that **ABSOLUTE KILLER herdbull presence!** All you need to do is look at his skull structure to know he's going to be a good one. An absolutely gorgeous head and neck, that ties in high out of his shoulder and into a long, strong top. Then get behind him and he's a perfect table top.

This guy is going to be a hot contender this fall and in 2024.

**Don't miss this herdbull! We expect there to be a lot of backdrop photos!**

The Roughrider calves are hairy and stout with tons of performance.  
Half of the bulls in the sale are out of this guy, and you'll be able to pick them out of the lineup with the extra muscle shape, body dimension and hair.

Heifer Bull

A true standout in this year's bull pen! May not have taken the greatest pictures for us but he is worth the trip to come out and see in person!

Long bodied, strong topped, correct on his feet and legs and has plenty of natural muscle expression.

A definite SALE FEATURE here! We shouldn't be parting with her... The only reason we can let her go is because she has plenty of sisters left in the herd that have produced extremely well for us. Otis is absolutely gorgeous no matter how you look at her. She's balanced from the side and a powerhouse from the back. She comes at you with a boat load of natural muscle in her hindquarter and extra dimension throughout her middle, while still being elegant and extended up through her front end. Just an absolute sweetheart of a heifer that will do well no matter what herd she ends up in.

THREE GENERATIONS OF REGISTERED ANGUS GENETICS

## Welcome

Well sitting down writing down points on the sale bulls and writing this welcome for this years bull sale I think back on the year that was with good moisture, healthy weaning calves and thankful for a full feed yard. The cattle market is looking up and heavy weight weaning calves are bringing on top dollar at the auction marts. With that said I'd like to welcome you all to the 12th annual K-Cow bull sale and also would like to put out a huge thank you for Kevin and Janice Wirsta for working with and allowing me to continue the consignment into this bull sale. I've been managing the K-Cow herd and my own operation here going on 4 years. With that being said every year the bulls of all the breeds are getting better and better in all categories. And out of low maintenance and highly productive females that produce future young herd sires. With the critical culling through all the breeds, it only gets you higher quality for you as the buyer to purchase and take home, and put that same quality into your herds.

But let's just specify now on the red bulls in this years bull sale, with the red herd expanding and bringing new powerful genetics the bull pen is pumping out exciting bulls!! There is a great selection of heifer bulls and power herd bulls with exceptional genetics, epds and phenotype. All bulls are bred for performance, longevity and with calving ease in mind no matter if your looking for heifer bull for sleep easy calving or the performance bulls to add more power and replacement value back into your herd. I believe there is a bull for everyone in this pen.

I'd like to invite you to stop in and view the bulls anytime prior to the sale, or check the bull sale videos online. If your unable to attend the sale in person, please don't hesitate to contact myself or Kevin to discuss your needs on ANY OF THE BULLS. Hopefully you can make the sale Saturday, March 25 at the K-Cow Sale Barn. Hope to see you there and a hot lunch will be waiting for you at noon.

Sincerely,

*Cole Dodgson*

Heifer Bull | Long spined, attractive fronted, good nuted

Very good disposition. Full brother weighed 70lbs at birth so there is no reason why you can't sleep at night using him on all the heifers! Out of an attractive young productive cow.

Definitely a bull we are super happy with the milking daughters with superior udder quality and maternal ability. Dark red bull that throws hair and easy flesh ability into his progeny. Gamer 401G is a bull we are super happy to be using and continue using!! His sons are as honest as they come and mature beautifully!!

A bull we had to pry out of the Lee and Dawns hands at Miller Wilson Angus but he was worth every penny!! This is a bull that throws moderate birth weights with HUGE PERFORMANCE weaning weights!! His pedigree is as stacked as they come and blood lines that are highly desirable. If you want performance cattle without giving up on maternal, longevity, overall correctness his sons will do that with putting pounds on the scale!! Top 3% WW | Top 9% YW EPD's

# K-COW WARRANTY PROGRAM

\* APPLIES TO K-COW BULLS ONLY

K-Cow Ranch guarantees to sell a bull that is sound and has passed a semen test by an accredited veterinarian. Should any bull purchased through K-Cow Ranch's Annual Bull Sale fail to be a satisfactory breeder or be unable to physically service a cow or heifer, he will be replaced with a bull of equal value. Should this not be possible, we will issue a credit to go towards the purchase of another bull. We will not however provide warranty for mismanagement.

While under our warranty the bull is covered for injury, sickness or death. We will service your needs with a replacement bull or a sale credit for the following year. Should you have any problems with a bull please contact K-Cow and we will work to make sure your cows get bred and that you are a satisfied customer. We do have back up bulls set aside that will be the first step to cover off any warranty issues. K-Cow Bull Warranty is designed to protect your purchase during the most high risk time of a bull's life.

## **Duration - 6 months Rate - 8%**

This covers the bull until September 30th of the year of purchase, which includes one (1) breeding season.

## **Replacement Bulls:**

Replacement bulls must be returned within 90 days of delivery back to K-Cow Ranch. If not returned in this time frame, the bull shall be deemed a permanent replacement bull and no credit will be granted.

## **Calculation of Sale Credit:**

Purchase price less salvage value (if applicable) less \$1000 for use of the bull (which will include use of a replacement bull) if applicable.

## **Exclusion to Warranty:**

Any injury or death due to malicious, willful or intentional acts or mistreatment are considered fraudulent claims. Should any issue arise with your bull please notify Kevin immediately by phone 780-614-5959 or by email: [kcowranch@gmail.com](mailto:kcowranch@gmail.com). You will also need to contact a licensed veterinarian to diagnose and treat the animal and fill out a vet form. If the animal dies, a post mortem will be required at buyer's expense.

## TERMS

The terms of the sale are cash or cheque, payable at par, to be paid prior to possession. No release will be given until satisfactory settlement has been made. Every animal sells to the highest bidder, as determined by FarmGate Auctions.

## ANNOUNCEMENTS

Announcements on the sale bid page, will take precedence over printed matter in the catalogue. Buyers are cautioned to pay attention to any online announcements.

## BREEDING GUARANTEE

All animals in this sale are sold under the terms and guarantees set forth by the applicable breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## INSURANCE

Ownership risk to purchaser commences when the FarmGate Auction closes. Livestock coverage will be available on sale day.

## LIABILITIES

All persons who attend the ranch do so at their own risk. The sellers, facility owner and sale staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
