How To Bid

1. Visit www.dlms.ca, scroll down sale list to find the OAKSTONE CHAROLAIS BULL SALE.

2. After you are at the FarmGate Timed auction site - farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button.

First time FarmGate users:

- First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the FarmGate Time Auction Site requires a new account separate account from your DLMS Live sale site)

- After you create your FarmGate account you will receive a txt message with a pin code to verify your account.

- On your first log in to FarmGate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

Returning FarmGate users:

- If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS FarmGate Timed Auctions.

3. How to Bid: Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

- Place Next Bid - to place the next bid on the item, you see the amount in the first box, you simply click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed.

- Max Bid Amount - to place a max bid you put your max bid in the second box listed as "Max Bid" on the item, and then click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

Example of How the Max Bid Works - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.

4. Watch List Feature: If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the "eye" button beside the bid button, by clicking this "watch-list" Icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire site.

5. Sale Ending / Closeout: Most FarmGate Timed Auction sales close racehorse style with extended bidding.

What is Racehorse Style Close? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

How will Extended Bidding works? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

6. Bidding Close & Follow-up: After the clock has gone to "ENDED" and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidding you can contact the sale consignor / sale manager to confirm payment instructions. Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list or proxy bid, or you just plain want to bid via phone, please talk to any of the DLMS team.

Welcome

From the Bratrud Family

Welcome to our 2023 Bull Sale. This past year has been a very busy and exciting time for us at Oakstone Land & Cattle. Last summer we had good rains early that jump started our pastures and crops, which was much needed after the dry summer of 2021. In the fall, we decided to try and get our bulls out to some shows to show case what we have to offer. This was a big learning curve for us but thanks to the help of some great people, we were able to make it happen. We attended the Fall Classic Beef Show in Olds, Farmfair International in Edmonton, Alberta Select in Red Deer and The Canadian Bull Congress in Camrose. We met so many wonderful people in the agricultural world and had a ton of fun.

We here at Oakstone are thrilled with the strength and depth of our bull pen this year. It is the strongest set of yearling bulls we have ever offered to date. With every year we strive to improve our cow herd by retaining only the best females from our own herd and by introducing some new ones from other herds to add new cow families to our growing operation.

Please feel welcome to come view the bulls at the farm any time before sale day. If you have any questions please do not hesitate to call Ryan. We would like to say thank you to past buyers and bidders for their confidence in our operation.

From The Desk

at T Bar...

Welcome to the 2nd Annual Oakstone Land & Cattle Co. Online Charolais Bull Sale, March 10 – 11th, Bawlf, Alberta.

As the herd grows so does the quality of this breeding program, based on commercial and family values. The 2023 offering is deep in quality and exciting in both genotype and phenotype.

In 2022, the Bratrud Family decided to attend a show or two and find out if their program would compete. And compete they did... as you go through this offering you will find the Reserve Senior Bull Calf Champion at Farm Fair, the Reserve Champion Junior Bull at the Canadian Bull Congress and the Reserve Grand Champion Bull at the Alberta Select.

The elite lineup of yearling and two-year-olds will fit any program... check out the weaning and yearling weights, they are awesome... and what the Charolais Breed is all about.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

 WOW what a bull. We couldn't be more proud of this bull. He was the Reserve Grand Champion bull at the Alberta Select in Red Deer. He then went on to be Reserve Champion Junior Bull at the Canadian Bull Congress. His sire Duty Free is one of the hottest sires in the Charolais industry right now. His dam is a first calf heifer sired by Apex, the \$50000 Players Club Champion. Warrant started with only a 83 lb birth weight and gained to a 1020 lbs wean weight on October 14/22. Calve ease with growth in a quiet disposition. We will be retaining ¼ interest.

 Performance in this red factor package with a wean weight of 1070 lbs on Sept. 6/22 makes him the Kingpin. He was the bull we chose to start our show season off with based on his natural muscle, wide top, length of spine and quiet disposition. At Farm Fair International Kingpin was Reserve Senior Bull Calf Champion. We will be retaining ¼ interest.

Earp was part of our pen of 3 and made it to the final drive in the Ranchers Choice single Bull at Canadian Bull Congress at Camrose. Small headed, wide top, depth of body and big square hip.

At Oakstone our kids are part of the farming operation. Last winter, Makenzie stepped out and bought herself one heck of a cow from the Springside sale to start her own herd. Korbin is sired by SOS Hefner which sold for \$85000 to Sliding Hills Charolais, Canora Sask. Korbin is long spined, deep sided, smooth shouldered with a big square hip. He is an easy bull to find in the pen.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.
