VIEWING THE BULLS

The bulls are available for viewing at Palmer Charolais at any time.

VIDEOS OF THE BULLS

Videos of the bulls can be viewed on the following websites:

- Palmercharolais.com
- TEAM
- DLMS
- Charolais Banner

VIDEO SALE

As the bulls will be sold by video presentation and will not be coming through an auction ring, please come early to view the bulls prior to sale time.

DELIVERY

We'd prefer to give you free board for the yearlings until pasture time and free delivery up to 300 km. All we ask is that you insure your purchases. All two-year old bulls must be picked up or delivery will be made as soon as possible after the sale.

SEMEN TESTS

All bulls will pass a semen test before delivery. We will stand behind all Decision Deferred Bulls (DD) in the sale. Asking 12-14 month old bulls to pass a semen test in February after a cold winter is a lot to expect. But we feel semen testing is worthwhile, as it provides you the security of knowing the bull will pass, as all bulls with semen abnormalities have been eliminated. You can buy a DD bull with confidence, knowing that with a little time, they will pass and we will stand behind them.

BULL WARRANTY

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

RIGHT TO DRAW SEMEN

In the event that we would like semen on any of the bulls selling, we reserve the privilege of drawing semen in the off season, at our expense, for in-herd use only.

SIGHT UNSEEN PURCHASES

We would be excited to show you our bulls sale morning or at a time of your convenience before the sale. If you are unable to view the bulls before the sale, give us a call and we will personally go over the bulls and your program with you, and recommend the bulls that would best suit your needs. You have the option of leaving an order, bidding over the phone or bidding on the internet with DLMS or TEAM.

Bulls are guaranteed to meet your approval at the time of delivery or we will take them home. Our goal is to pair the right bull with the right operation. Give us a call anytime to discuss the bulls. The sale will broadcast on DLMS.ca and TEAM.

Welcome

FROM THE HERBACK FAMILY

Welcome to the Palmer Charolais 12th annual bull sale on the farm. Here at Palmer Charolais we are committed to producing bulls for the commercial cattleman and progeny that will rise to the top of the feedlot industry. Our sale offering this year will not disappoint. Lots of $\frac{1}{2}$ and $\frac{3}{4}$ brothers are showing what we have been and continue to strive for. We have always used a small but very select group of herd sires which has made our cow herd very strong, uniform and easy to manage. When you buy a bull at Palmer Charolais you are investing into a program that has been around for over 50 years.

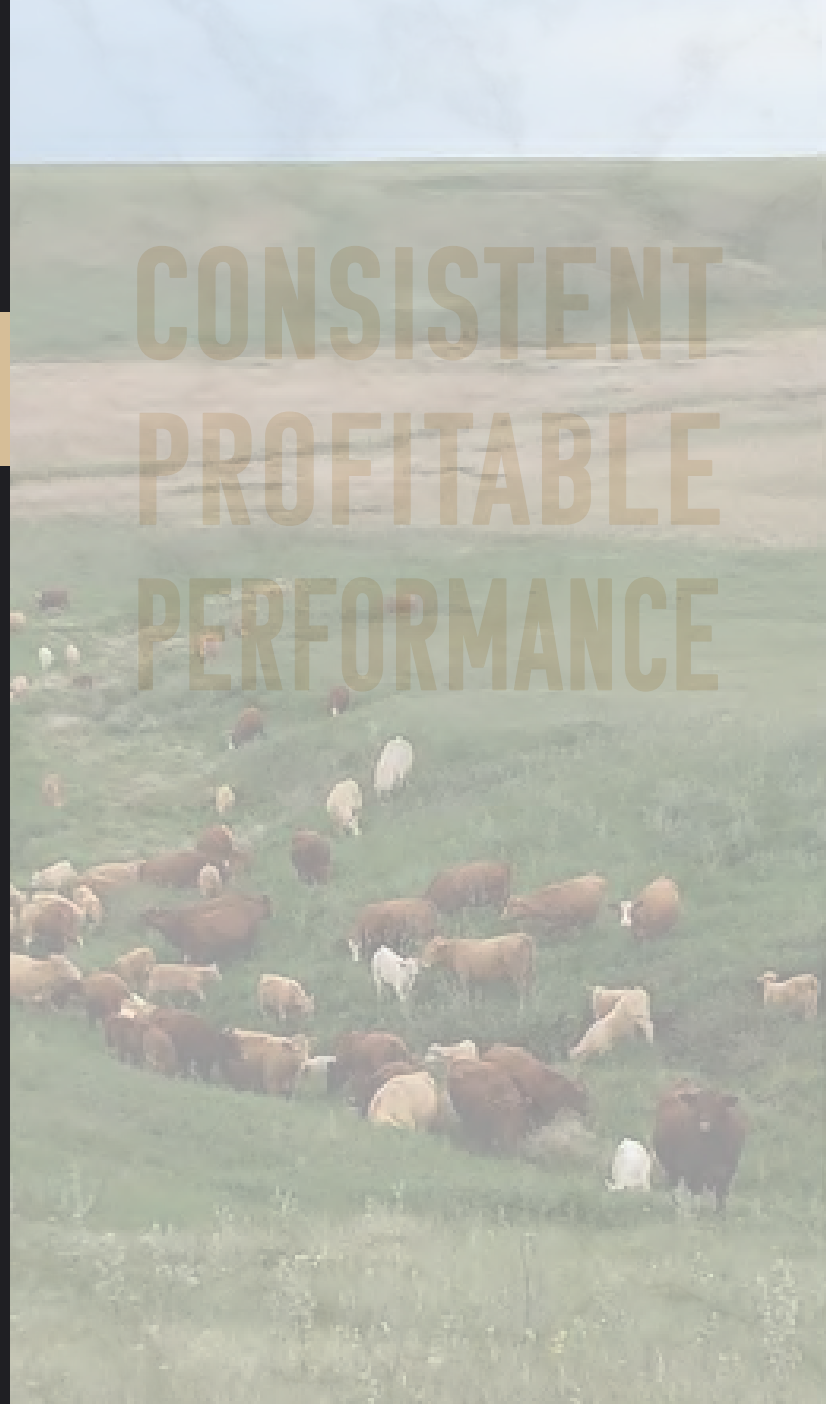

The two year old bulls in the sale were set aside as calves and developed for the two year old program, as we do each year. The calves for next years two year old program can be viewed at any time.

Along side our purebred cows we have a commercial herd that calves January/February that consists of red & RWF cows that we are very proud of. We know what kind of bulls it takes to produce those big soggy calves in the fall. Pounds in the fall puts dollars in your pocket.

Everyone is invited to come and view the bulls for the sale or walk through the cow herd at anytime. We look forward to seeing our long standing customers and welcoming any new producers to show them what we have to offer.

Hope to see you March 13.

You're Always Welcome

AT PALMER CHAROLAIS

FROM HWY 11 AT BLADWORTH: 2.5 MILES W ON TOWNLINERD, 1 MILE N

TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

BIDDING: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DISPUTES: Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

ANNOUNCEMENTS: Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

DELIVERY: Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

BREEDER GUARANTEE: Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, the sellers do not assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

INSURANCE: Insurance will be available sale day.
