overbystockfarm@gmail.com

WELCOME FROM SUNVILLE SIMMENTALS

Welcome to our 7th annual bull and female sale. We will be hosting the sale at Sunville Simmentals Farm. You will notice the sale name change on the catalogue. Moving forward, the sale will be known as Sunville Simmentals and Overby Stock Farm Bull & Female Sale.

We are quite impressed with the bull pen this year. We have a good selection of Full Bloods, Full Flecks and Reds. There is something for everyone!

We are offering 15 heifers this year as well. They have some great pedigrees behind them and are ready to be bred anyway you like.

We wish to thank all past bidders and buyers and always look forward to meeting new customers.

As always, we will be sharing the barn with Overby Stock Farm and would like to thank them as well as T Bar C for helping to put on a great sale.

Join us early for lunch prior to the 1:00 sale start time.

Sunville Simmentals is located 9 miles east of McCreary on Hwy #50 or 13 miles west of Alonsa on Hwy #50. We can also be found on Google Maps under Sunville Simmentals. For those unable to attend sale day, the sale will be online with DLMS. Don't forget to register with them.

Stop in or give us a call anytime. We look forward to seeing everyone sale day! Let's hope the weather cooperates!

Duane & Nadine & Family
Sunville Simmentals

WELCOME FROM OVERBY STOCK FARM

Welcome cattle producers to our 7th annual sale! Once again, we have an offering consisting of spring born two-year-old Gelbvieh and Balancer bulls raised right, built for the conditions of Manitoba's North Parkland. All bulls will be parent verified by DNA prior to sale day, this gives producers peace of mind knowing that they are receiving exactly what they are purchasing. It also allows us to use a more

intensive grazing system by running larger, multi sire groups to improve our grass management. All bulls are also horned/poled tested. We have some exciting new sire groups this year that will fill the needs of many producers, particularly a broader range of black genetics. Overall, we strive for our cattle to be efficient because our location has less margin for error than many areas in western Canada due to the area's agricultural limitations at times. Thanks for taking the time to go through our consignments and feel free to reach out if there are any questions!

Overby Stock Farm

Neil Overby

FROM THE DESK AT T BAR C

Chris Poley

Shane Michelson

Ben Wright

Welcome to Sunville Simmentals with Overby Stock Farms Annual Bull and Female Sale, at the Sunville Simmental Ranch, McCreary, Manitoba. This being the 7th Annual event offering Fullbloods, Full Flecks and Red Simmentals presented by Sunville Simmentals and Gelbvieh and Balancer bulls offered by Overby Stock Farms. These two progressive seedstock breeding operations have been a source of superior bulls for the livestock industry.

What a great set of Simmental bulls to sell. The Fullbloods both horned and polled are rugged and stout. Thickness with length, an extra dimension of muscle that will add pounds to your calves at weaning. They are genetically diverse yet uniform in type and size. The Red bulls carry that same dimension as the Fullbloods with lots of shape and hair. In this group you will find power bulls and bulls that will run with your heifers... ideal for all types of programs and all types of budgets.

This year, Sunville Simmentals have added females to their offering. Sisters to the bulls selling, there are worlds of opportunities for established breeders or those just starting out. The strength of this cattle market will make them a very valuable asset.

Overby Stock Farms offer spring born two-year-old Gelbvieh and Balancer bulls and an exciting group

they are. The group includes the Grand Champion Balancer Bull at the 2022 Canadian Western Agribition "2J" and his stall mate "15J" who was Grand Champion Bull at Manitoba Ag Ex. Transplant sons out of the great donor SLC Smoke 15X. These two year olds are designed to cover bigger cows in bigger pastures and you will want to keep every daughter!

Stop by their farms any time prior to the sale and view the cattle and their mothers or just give them a call to discuss their product and your requirements.

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

Chris Poley

What a bull to start off our 2023 offering! 107J was part of our show string last fall and is a bull we're very high on. 107J along with his three flush mates are powerful Balancer (BA50) options for British based commercial herds but offer the structure and functionality that we strive for. Homo Polled.

We were honoured to have 2J named National Grand Champion Balancer Bull at CWA last fall. He has been a standout since birth and continues to exceed expectations. This BA38 Evolve son is long bodied, smooth made while adding impressive muscle expression along with calving ease out of a first calf heifer! Hard to find a box this bull does not check. Homo Polled. (Terms of sale to be announced sale day)

The start of the red bulls will not be outdone! 14J is a PB94 Strut son that may be the best red bull we've raised. Take a look at how this bull combines a refined front end with that rib depth following through to a long body and hip shape. Mark him good. Homo Polled.

The bull feeding program is built to maximize forage utilization and gut health; they are developed on grass with their moms on a strict mineral program. All the forages are sampled and analyzed to ensure quality forages are used. Once the calves are weaned, they are slowly moved onto a balanced TMR.

The bulls are challenged with a forage-based TMR to help them develop and express their genetic potential. Matching suitable protein sources with proper starch is key to promoting lean muscle growth. Organic minerals are used to ensure proper immune function and overall health. If you have any questions about the nutrition program, please feel free to reach out. Buy with confidence knowing the bulls have been developed on a balanced nutrition program. Best of luck on sale day!

This June born PB94 Strut son may look more moderate compared to the rest of the pen but please consider his age. His dam was selected for our pick of herd flush we offered a few years ago and has been a great cow for us. 69J's maternal granddam is also the dam of the four bulls that lead off our portion of the sale. A young bull with a proven pedigree. Homo Polled.

75J is another June born PB94 Strut son that checks many boxes like the bulls listed above him in the catalogue. One thing to consider with these younger bulls is they are only 6 months older than yearling bulls sold this year under a different management system. Please note that 13J, 69J and 75J are $\frac{3}{4}$ brothers. Homo Polled.

TERMS *and* CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder. In the case of a dispute, bidding will be reopened between the parties involved in the dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais, Angus, Simmental, and Gelbvieh Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made here under.

RIGHTS & OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
