CUT KNIFE

SASKATCHEWAN, CANADA

Welcome to our 9th annual bull sale!

Once again I want to thank everyone who supported or attended last year's sale. We continue to be humbled by the support, friendship and encouragement we receive. I believe that we have the best customers in the world. It is an honour to work with each and every one of you.

I feel we have the most uniform set of bulls ever. No feet trimmed, not overfed, just semen tested, free moving bulls. Ready to go to work. You see exactly what you are purchasing. Buy with confidence.

For those volume buyers, purchase 3 or more Hereford Bulls from the sale and receive a 5% discount.

We are very pleased once again to have Rick and Ruby Flicek with us in the sale, offering a great set of Black Angus bulls.

Randy, Robin Flicek and family are again bringing a strong set of quality, quiet, horned and polled Hereford bulls.

Please be our guest for lunch. Randy is cooking his famous Prime Rib again. Sale starts 2:00 pm "fast time".

It is nice to see the Hereford influence market so strong. Most customers are enjoying \$250 to \$300 over last year. You deserve it for all your hard work.

Remember this is Hereford week in Northwest Saskatchewan:

- Hill 70: Saturday, February 3rd*
- Premiers: Monday, February 5th Lock, Moncrief, Ayrey & Davies.*
- Bannerlane: Tuesday, February 6th*
- Misty Valley, Lanni Bristow: Wednesday, February 7th*
- Carlrams Ranching: February 8th Ramsay & Flicek*

Drive safe, hope to see you on February 8th 2018.

HORSE LOTS

LOT 1 - 'Windy'

From: Hillsvale Colony
Mike Wurz: 306.398.7717

Windy is a 5 year old mare who was broke when she was still young. You can catch her anywhere and should make any little cowboy or cowgirl very happy!

LOT 2 - 'Bay Roan Filly'

From: Hillsvale Colony
Mike Wurz: 306.398.7717

This pretty little Bay Roan Filly is out of a mare we bought from the Fenton Hereford Ranch a few years ago. We are only selling her because she's out of our own Bay Stud and we won't be able to breed her back.

HEREFORD BUYER DRAW

All you have to do to take home a one - of - a - kind framed pencil drawing from Bill Peters, is purchase a Hereford bull on sale day. Your name automatically enters the draw. Good luck and thank-you for purchasing a Hereford bull!

Congratulations Ramsay! On your Grand Champion Breeders Herd.

Congratulations to Marilyn, Robin and Carl on receiving your 25 year CHA membership pins!

Carl - The 174S sire group has been one of our strongest sire groups over the years. This 174S son we bought back from Scott Colony. The Dam is a Kenny Beach cow, 5J, you can't ask for a stronger, more solid pedigree. Thank you to Scott Colony for letting us buy him back - he's been a great addition to the bull battery.

Welcome to our 9th Annual Sale – wow does time fly when you're having fun! We are both very excited for this year's sale as the quality of bulls from top to bottom are by far the best we've ever had to offer. Thank you to all our past bidders & buyers – we greatly appreciate your support.

First, Carl wants to pass along a heartfelt thank you to all those who have invited him to their brandings. It's Carl's favorite time of year & he is thankful for not only your hospitality but also the chance to see your program & see how our bulls are working.

We are both very picky when selecting our herd sires. We look for a balance of performance & longevity along with good feet. We believe that without good wheels a bull can't perform & do his job - therefore the bulls we select for the sale fall under this same high standard – no feet have been trimmed.

This is the first year that we have bulls for sale out of the late Gordon Henderson's cows that we were fortunate enough to be asked to lease before his passing. The cows are traditional and have big volume. They came bred to home raised Little Poplar Grove bulls & the Rutledge 3B bull. We hope that Marilyn & Gordon himself are happy with the job we are honored to do.

Please be our guest for lunch on the 8th and you're always welcomed to tour the bulls or our cows here at the ranch anytime! We want to make sure you're 100% happy with your bulls purchased with the CR Bar brand - call us if you have ANY issues - we will make it right! This promise is a Ramsay family tradition of over 60+ years of selling Hereford bulls & we are not going to stop now!

Thank you & we hope to see you sale day!

2017 Sale
Thank You to all our
bidders & buyers

We would humbly like to thank each and everyone who has supported us. To everyone of you who has visited the ranch bid on or bought cattle we truly thank you! We are honoured to be part of this great sale with our families and are proud of the quality cattle sold here every year.

We have met some of our best friends through the cattle business and like our parents and grandparents we love to host you here at the ranch and visit your operations to tour your cattle, help at branding time or just visit and learn from you.

Here at Flicek Hereford Ranch we are continuing to grow and make new goals for ourselves and our cattle herd. We are striving to bring you cattle that we are proud of with hair, shape, sound feet and legs, great mothers and unique pedigrees. This group of bulls on offer do just that. We are bringing our best to date. Our bulls are fully guaranteed and we will stand behind them. We would use any of the Bulls we are offering on our own cattle and are looking forward to see what they can do for you.

Please come to the Ranch south of Neilburg at any time for a tour. RnR Flicek Angus Bulls are only 10 minutes away from us and Carlrams Bulls are only 30 mins away so seeing every bull and cow herd on offer is very easily done, we will make time for you!

We hope that you will join us for Prime Rib lunch on Sale day February 8 at Carl and Dalynn's yard.

Sincerely,
Randy, Robin, Ramsay, Rawley & Layla-Ruth

Is a free moving bull with all kinds of dark curly hair and pigment. This bull can be used on heifers or cows.

In our ninth year of selling Black Angus Bulls at the Carlrams Ranching Bull sale, we are so grateful to be in the business we are.

With supportive people surrounding us it makes doing what we do very rewarding. We look forward to seeing everyone at the sale, but since it is difficult to get in a visit with everyone, please come check out the bulls and their dams at the farm prior to the sale. We can enjoy some New Year cheer and/or coffee.

The bulls have received their vaccinations and have been ivomeced. As calves they were weaned middle of November and put on a hay and oat ration. They were turned out on grass on the 20th of May and brought in on September 1st. Since then they have been on self feed hay and pail fed a 13% protein pellet ration with free choice mineral. They are fed out in a bush away from the yard so they have to walk a mile every day for water. The bulls will be semen tested prior to the sale. They can be kept free of charge until April 1st when we start to deliver. All bulls returning to the farm must be insured.

As always a big thank you to our bidders, buyers, friends and supporters of the RNRFLICEK Angus program. Please come enjoy an unforgettable prime rib lunch with us sale day and some evening refreshments.

We look forward to seeing everyone sale day!
