9th Annual Bull Sale

Thursday, March 29, 2018 - 2:00 pm

NORTHERN LIVESTOCK SALES, PRINCE ALBERT, SK

Our family would like to welcome you to our 9th Annual Bull Sale.

Everyone is really busy this time of year and we appreciate you taking the time to look at our catalogue.

Some of our exciting moments this year include Jacob competing at the National 'A' Fastball Championships in Ontario placing fourth, having a very successful year in AA Midget hockey and as well as getting his driver's licence. Garret competing at Canadians, the Vegas World Championship Tournament in competitive slo-pitch and making the Saskatchewan All-Star Team this year. We are so proud of our boys and enjoying every minute of it!!!

We are really happy with our sale offering this year and believe that it is a pen full of bulls with consistency. We take great pride in the maternal strength of our herd as the predictability in these calves are evident sale after sale.

As you page though the offering you will see bulls with depth, rib, top, testicle, hair and overall soundness. Another thing that you will also notice is the performance on these bulls. Our cattle are raised to go out and work, put pounds on your calves and money in the bank.

A special thank-you to our past buyers, we are proud to have our bulls in your pastures and appreciate your confidence in the Double 'F' program.

Finally, come take a look at the impressive group of replacement commercial heifers consigned by Double 'F' bull buyers. They are sure to add productivity to your herd.

If you have any questions about the bulls and cows, please do not hesitate to call and your visit is always welcome.

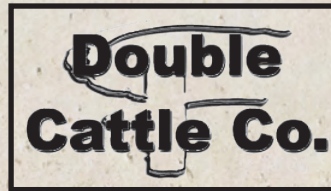

On sale day make your purchase with confidence as we stand behind all our bulls.

Please join us for lunch March 29 at noon with the sale to follow at 2:00 pm.

See you March 29, 2018.

*Celebrating 75 years in
the purebred industry
1943-2018*

Welcome to the 9th Annual Double 'F' Cattle Co. Bull Sale at Northern Livestock Sales, Prince Albert, Saskatchewan.

For over a half century and four generations, the Feige family has been producing and supplying the commercial and purebred industry with quality seed stock. Their goal is to offer sire prospects that will add value to their customers bottom line.

2018 brings a top group of thick, rugged yearling bulls with plenty of hair and testicle. In this uniform group you can find a power bull to use on the cow herd or a heifer bull for the replacement pasture. The one certain assurance is these bulls will add high maternal values in every female you keep.

Stop by the ranch anytime prior as they are just a mile east of Parkside and get a preview of the bulls and their mothers.

If we, may be of any assistance, prior to or sale day, do not hesitate to call.

Chris Poley

DFCC 4838 EL PRESIDENTE 11E and DFCC 4838 EL CHAPO 19E are sure to be popular on sale day!!! Their full brother was our show bull this year and we think so much of him that we are keeping him to use. All these brothers have everything you would want in a bull...style, top, rib, quarter, performance but what makes them extra special is their pedigree!!! The dam Jacob's cow, CFS QUEENETTE 3T, needs no introduction! She consistently produces a bull calf that is always a high seller at our sale. Maternal brothers have sold to these prominent breeders: MJT Angus, Nielson Land and Cattle, Leask Colony, Little Willow Creek, Hamilton Farms, Freyburn Angus and Youngdale. Their sire, SAV SEEDSTOCK 4838, offers fresh new genetics with this being some of the first progeny to be sold in Canada!! Don't miss out!!!
