On behalf of everyone at Duralta, "We Welcome You" to the 13th Edition of our Bull Sale.

It is with a lot of pride and passion that we wake-up every day trying to raise quality seedstock. As each sale goes by we strive to improve the genetics and customer service that we can provide. It is our goal not to sell you one bull but many bulls over many years!

It is our never ending quest to find and raise livestock that will have calving ease, perform and have that maternal instinct that the Angus breed strives for. There is a huge emphasis on physical soundness and disposition.

This year in the black division we are leading off with a bunch of sons out of a bull we raised and sold as high seller in our 2016 sale to Soderglen Ranches. Spring Fever has really rung the bell! These bulls are stout, deep bodied, hairy and are really sound! They calve easy and the big punch is his mother Tibbie 139U. She can raise herd bulls! When you see them you will get the "Fever"!

The red bulls are lead off with a super set of two year old bulls. These are not left overs, they were set aside to bring you a strong quality set of two year old bulls!

The yearlings are lead off with a bunch of sons by SVR Tornado. This bull has lots of calving ease, will add a lot of length of body on a super sound foot and will give you that deep rich red color.

As you can see we are proud of the bulls that walk the pastures at Duralta.

There is also a bunch of AI sired bulls in the offering in both the black and red divisions. They are as strong as you can find.

We invite you March 16th, 2018 to our ranch for our sale. Come early for lunch and stay late for some hospitality.

New to this year we have added DLMS Services to help with your bull acquisitions!

If you have any questions feel free to contact us and you are welcome to view bulls any time prior to the sale. The coffee is always on!

Hope to see you March 16th, 2018.

From The Desk At T Bar...

Welcome to the 13th Annual Duralta Farms Bull Sale, at the farm on Friday, March 16th, we feel this day is a great opportunity to move one's program forward. For the past dozen years, the Durie Family have supplied the livestock industry with some of the finest sires available; this statement is backed by the "full house of repeat customers" who attend each year.

What makes the Duralta program a favorable shopping stop for your breeding stock? Experience and knowledge – outstanding customer service – hospitality and appreciation!

The experience and knowledge come from a half century of producing the right kind of product for breeders, farmers and ranchers alike. They have built a cow herd that has uniformity, productivity and most importantly...predictability. Our team here at T Bar are confident in the product and the results on any cattle we place...we know we are sending a quality predictable product.

Outstanding customer service has been in place from day one. They want your cows bred with little hassle and they stand behind the soundness of their bulls. The Durie Family know that you make a livelihood from agriculture just like they do, so don't be afraid to ask them what bulls would suit your cow herd.

Hospitality and appreciation go hand in hand...the folks at Duralta appreciate your confidence in their program. For those who visit the ranch, you will find that the hospitality and fellowship is second to none...come early sale day for one of the feature noon luncheons of the sale season.

For those searching for your next sire or sires, make sure you are with us on Friday the 16th. Whether you are looking for a red or black sire, the offering comes to you with lots of testicle, hair and performance. From power bulls to add performance into your cow herd to easy calving heifer bulls for those who like their sleep, there is something for everyone and all types of budgets. This great offering of sire prospects is definitely worth the trip!

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give myself or any of our professional team a call, as we can help you with your needs.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between

buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer.
