

ALLISON FARMS

RED ANGUS ANNUAL BULL SALE

April 7, 2020 - 1:30 PM

At the Farm | Delburne, Alberta

**WELCOME
TO OUR
SALE**

Hello and welcome to our Annual Red and Black Angus Bull Sale at the farm!

Our herd continues to grow in numbers including the addition of another granddaughter, Huxlee to the family since our last sale. All five families have put their heart and soul into developing this calf crop.

We are extremely excited about the bulls we are offering. The bulls are displaying moderate birth weights, top-end performance with lots of hair and strong feet. We are aware to feed our bulls responsibly to ensure we do not compromise their fertility but also to display their performance and character. We implemented the Bullseye nutrition program and followed their recommendations for feeding the bulls for maximum health and longevity, and are very pleased with their development.

We offer a \$250 sale day credit towards the purchase of a bull if you view the bulls prior to sale day.

Come on out and enjoy the day, we will make sure to have enough steak!

- Brent, Lorri & Family

**VIEW OUR BULLS AT LEAST ONE DAY
BEFORE THE SALE AND RECEIVE A
\$250 CREDIT TOWARDS A BULL!**

From the Desk at T Bar...

Welcome to Allison Farms 2nd Annual Bull Sale, April 7th, Delburne, Alberta. The folks at Allison Farms have a lot on their plate... a grain operation, a feedlot, a commercial herd and one of the rising Angus herds in the nation. This sixth-generation family farm added purebreds to their program from leading cow herds throughout the nation after seeing the successful influence by bulls they purchased for their commercial program. Since then, they have spared no expense on the selection of their herd bulls in establishing one of the nations leading Red Angus seedstock outlets.

Recently, they have added an intensive embryo transplant program using the top, most predictable brood cows in the herd to extend and propagate top cow families. For the Allisons, predictable cattle have been commonplace and so for the new decade, they have added a new component to their busy agenda... Black Angus.

This powerful group of bulls offers everything the commercial industry requires even though there are several "big time" prospects amongst them. The rugged nature of these bulls is designed for purchasers to get added value with little to no fuss... adding value in performance, in calving and in maternal values through udder shape and type.

Stop by Allison Farms anytime prior the sale and have a preview or give Brent or the boys a call, they would be pleased to visit about the bulls and which prospects would suit your breeding intentions.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

Delivery: Free delivery to Alberta, Saskatchewan and central points in Manitoba and BC. USA sold bulls will have the necessary health and export papers and delivered to the border.

Breeder Guarantee: Allison Farms guarantees our bulls to be sound, fertile, and reproductive in accordance with the rules and regulations of the Canadian Angus Association for the first breeding season. Claims must be made by September 1st of year of purchase. If your bull experiences a problem please contact us immediately and we will provide a suitable replacement if available or a sale credit. This guarantee does not cover death, injury, mismanagement, or the bull unable to freeze semen. Every effort has been made to assure our bulls are sound by ourselves and an accredited Veterinarian.

Insurance: We strongly recommend that you purchase insurance at our sale. Reps will be available.

In Herd Semen: Allison Farms reserves the right to draw semen for in herd use at our expense and the buyer's convenience on any bull in the sale.

Health: All bulls are on the BovaShield gold program and treated with Ivomec.

Longevity, maternal qualities, and performance were what we had in mind when we decided to do this flush. CATAMOUNT and YOSEMITE checked all the boxes. These boys carry extra length, with sound structure that will produce calves that press the scales down, and produce eye appealing replacement heifers. RED BAR-E-L CERTIFIED is a sure shot to create deep-bodied females with clean udders and large, round feet. 264T has raised bulls that work for Starling Ranch, Wes Newton, Ken Goddard, Sargeant Cattle Company, and Erskine Colony.

BW: 72 lbs. ADJ WW: 725 lbs. ADJ YW: 1189 lbs.

An ALLISON LAWMAN 89E son that has a heifer bull pedigree. Use him on heifers or get excellent calving ease on cows! LAWMAN is working as a herd sire at Jordan Livestock.

Two Year Old Bulls

BW: 89 lbs.
ADJ WW: 754 lbs. ADJ YW: 1272 lbs.
 POWDER KEG is an impressive combination of RED U-2 RENOWN and the SPRING ROSE cow family. Standing on solid feet, this masculine bull carries the proper structure that will allow him to cover extra acres during breeding season. Sure to produce incredibly eye appealing females with tight udders and sturdy feet. POWDER KEG was pulled from our 2019 sale due to an infection, but has completely recovered and is ready to breed!

It has been an honor and a pleasure working with the folks at Allison Farms. A true family-run operation with all four sons integrated into the operation, the Allison Farms Angus program runs deep and has a rich history of producing some of the top Angus genetics in Canada.

The bulls are on a feeding program that is built to maximize forage utilization and gut health. The bulls are developed on grass

with their moms and then moved onto a balanced TMR that promotes lean muscle growth. Organic minerals are used to ensure proper immune function and over all health of bulls. The overall nutritional health and development of the bulls and the entire cow herd is of utmost importance and is constantly being tweaked to meet environmental and seasonal conditions.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

Return all undeliverable
