# WELCOME

We would like to welcome you to the 28th Annual Everblack Angus Bull and Female Sale. We have been very happy with the transition of our sale to the ranch over the past two years. It has been beneficial for the two-year-old bulls not to be uprooted from their familiar surroundings for a few days move into town.

As for 2019... these difficult years seem to be the new norm, but we all persevere and move on to the next one. That is what makes the agriculture industry so great; the resilient people involved in it.

We, at Everblack, are very thankful to be raising our children on the farm with the opportunity for them to learn from their grandparents and family on a daily basis. Being part of a multi-generational farm family has been very rewarding for us. We also value being able to work alongside our peers and their families in the cattle industry. It is a great community.

Now a bit about the cattle...

We calve a few cows January to March so that we can select a few yearling bulls for our sale. This enables us to market some replacement females into early calving operations as well. The rest of the herd calves mid-April to mid-June, back in the hills with very little supervision. January to March calves are weaned at the end of September. The April and younger calves are weaned at the end of November. Weaning weights are actual, not adjusted. No yearling bulls are sold privately, which gives us a nice selection of two-year-olds that are not picked over. Our focus truly is the two-year-old bulls; they are mature, can cover more cows and there is almost no guesswork in visualizing what the end product will look like.

Our bulls to use on heifers are the result of mating calving ease bulls to low birth weight, smaller framed cows. This gives us calving ease consistency on both sides of the pedigree.

Again this year we are bringing you a good selection of bulls. Stout, rugged bulls for your cow herd. Easy-calving bulls for your heifers. All are sound, semen tested, and 100% guaranteed!

What we pride ourselves on most is our customer service. The youngest shareholder in our operation is four years old, so what I'm saying is we plan to be around for a long time! Last year 85% of our offering was sold to repeat customers and we believe this speaks in itself. If you have an issue, please let us know.

Thank you very much for supporting us to this point and we hope to see you March 30th at the Everblack Ranch south of Vermilion!

## The Gibson Family

Ryan, Amanda & Hayes

Ernest & Judy

Eric & Laramy

Jordan, Kristen & Sullivan

## THE EVERBLACK CREW

**Charles Dunk**

Charles says he most enjoys working with the cattle at Everblack. We think that's great because there are a few of them to take care of. Thank you for being a valuable member of the team for the past seven years, Charles.

**Kale Wilhelm**

Kale says that his favourite part of working at Everblack is the family-orientated atmosphere and that no matter the rush of the day, there is always time for family. He also wants to make special mention of Jord's airpods and Ryan's lunches with peppers and "a half a ziploc bag of chips." We sure enjoy your sense of humour and can-do attitude, Kale.

### **EVERBLACK ANGUS WORK ETHIC**

Yep, our cows work hard for a living.

They are a swath grazing, corn stalk chewing, snow licking set of mamas.

Come spring, our mid April to mid June calvers are gettin'er done out in the pasture with very little supervision. Funny how important good udders, easy fleshing, and mothering ability are with this type of program.

No bulls from Everblack Angus are sold prior to this sale, so don't miss your opportunity to own a ranch bull(s) from the top of the Everblack herd.

# FROM THE DESK AT T BAR C

Chris Poley

Shane Michelson

Ben Wright

Welcome to the 28th Annual Everblack Bull and Female Sale, March 30th, at the ranch, south of Vermilion, Alberta. Only a few can grasp the idea of having 28 consecutive bull sales. Consider the change in types and opinions over thirty years, but to accomplish that feat you must raise the right kind and stand behind your guns! The Gibson Family has done just so and the success of their operation and breeding program increases every year. Nothing comes by chance, but to have so many repeat customers return year after year to select an Everblack sire speaks of the high degree of quality in the bulls and the customer service that they provide their customers.

What a powerful group of two-year-old bulls; thick, rugged with hair, testicle and a high degree of performance. As you go through the pens, you will mark a lot of bulls. The yearling bulls come out of early calving cows and do not give up anything to the twos. They come with high maternal values in addition to fertility and longevity. Over the years, Ernie has added calving ease as a main selection necessity without sacrificing performance. His heifer bulls are designed for that purpose by mating calving ease bulls to low birth weight mothers. The heifers offered are paternal sisters to the bulls selling...an exciting group.

T Bar C Cattle Co. Ltd.  
PO Box 2330, Warman, SK S0K 4S0  
Office: 306-933-4200  
Fax: 306-934-0744  
info@tbarc.com www.tbarc.com

Check out all the incentives and remember the Everblack guarantee is 100%!

Stop by the ranch anytime prior the sale or give Ernie, Jordan or Ryan a call to discuss their bulls and your needs. Plan to stay after the sale for a complimentary steak fry, complete with refreshments.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

**Chris Poley**

Driving directions from Vermilion:

Travel 14 miles south of Vermilion on highway 41.  
Turn east on highway 619 and travel for approximately 4 miles.  
Turn north on range road 62 for 1/2 a mile.  
The farm is the first set of buildings on the west side of the road.

**The Bulls are available for viewing anytime. Coffee is always on.**

# INFORMATION

## **VOLUME DISCOUNT**

- Receive a 5% discount with the purchase of 3 or more bulls.
- Receive an 8% discount with the purchase of 10 or more bulls.
- \$100 rebate on each bull purchase picked up sale day.

## **CALVING EASE RATING**

Our heifer bull program consists of breeding low birth weight, smaller framed cows to easy-calving bulls. This gives us more consistency on both sides of the pedigree.

- ★ Recommended for cows
- ★★ Recommended for cows and larger framed heifers
- ★★★ Recommended for heifers

## **WEANING & WEIGHTS**

February - March calves weaned mid October.

April - June calves weaned late November.

**Weaning Weights are actual weights.**

- **Scrotal measurements and actual bull weights available sale day.**
- **All bulls are semen tested.**
- **All heifers palpated for reproductive soundness.**

Your animal may remain at the farm if it is inconvenient for you to take possession on sale day.

Delivery can be arranged at a later date.

PLEASE NOTE; the animal becomes the responsibility of the purchaser after it is sold. Insurance will be available on sale day.

One that has always been easy to find. A burly bull that is wide with lots of volume. Sired by the 743B bull that topped the Peak Dot Sale at \$55,000 the day we bought him. Out of a Northern Select graduate who has a nice production record. One daughter in herd and four sons through the bull sale, including a top-ender to Sunnybend Farming at Westlock, and the West Ranch at Cadogan. **Terms to be announced sale day.**

Cash son out of a Tank daughter with an impressive production record. These Cash calves are born-easy and wean off heavy. A daughter of 27U topped the female division of our 2017 sale to Connor Douglas at Barrhead. Two daughters in our herd and four sons through the bull sale including a front-ender to Bonnie Midgley at Frenchman Butte. We retained a son, Warlord 85Z, for in-herd-use to further the Final Answer bloodline. Old 27U just never misses.

**CALVING EASE: ★★ ★**  
 Five-star calving ease bull here. A Cash son out of a consistently low birth weight momma. With Cash, Titlest, Warlord, and Final Answer in his pedigree, your heifers will appreciate this guy. Brother to the Dusty Rose Ranch at Buffalo Coulee and Stephen Paulgaard at Provost.

Moderate, well-made, easy-fleshing Big Sky daughter. We are really excited about our first set of Mysterio 180E (Big Sky) calves. Deep-bodied and well-balanced, we think they are going to make great mothers. 7G is out of an EXT daughter that Jord bought at Agribition. EXT is known as one of the greatest female makers in Angus history. 606D's first calf sold through our 2019 bull sale to Todd Barnett at Last Chance Angus. This is her second and she is a good one.

The top-selling bull at Peak Dot in the spring of 2015 for \$55,000. You might say we really liked him. His calves have moderate birth weights with exceptional ease of fleshing and explosive early growth. As they say, you cannot truly realize the worth of a bull until you calve his daughters; well, he was worth it. His daughters calved out are moderate-framed, easy-keeping, and have impeccable udders.

The top-selling black bull at U2 the day we bought him. We liked him for his performance, but what we really liked was his mother. Everblack Rosebud 80Y comes from a family of heavy-milking, nice-uddered females going back to the Masterplan bull. She has been designated as an Elite dam in the Angus Association and was also a member of U2's infamous transplant program. He sires powerful, wide-topped, big-ribbed cattle, with good feet and a nice hair coat. His daughters will be an integral part of our program in the years to come.

Money Made was the top selling bull at Bar-H in the spring of 2017 for \$43,000. We purchased him to start a new easy-calving bloodline and he has done just that. With 98 offspring registered we have a nice sample size. The bull calves have a birth ratio of 96 and weaning ratio of 106. Born light and wean off heavy, they are long spined cattle with an attractive front end.

The ol' Pacesetter bull has finally packed her in at nine years of age. We utilized him heavy this past year, and we should have 45-50 calves sired by him naturally through two seasons. He sired functional cattle that are structurally correct, easy-keeping, moderate in frame and light at birth. We use him on cows and heifers alike. The best part about Pacesetter are his daughters; they are easy to keep, easy to look at and have exceptional udder quality. We have many in our herd.

Windy was a top-selling, heifer calving specialist selling through our 2016 bull sale just down the road to Westman Farms. This was fortunate for us as they were kind enough to lease him back for a couple breeding seasons so we could carry on the Windy line that we have had so much success with. He has some low birth sons in the two year old section. **Owned by Westman Farms.**

Big Sky, as we call him, was selected as a performance sire from Hamilton Farms. With a modest 85 lb. birth weight and an impressive 910 lb. weaning weight, we felt he could add some pounds. His first calf crop is as advertised, lots of rib, with some performance in an attractive package. With Earnan on the top for performance, and Lute 1207 and Tiger on the bottom for maternal value, we feel his future is bright.

The sire of the "Montana" calves. 178Z is a sleep-easy, calving ease sire. He is long, moderate and full of muscle. **Owned by Westman Farms.**

...That time when the auto-steer wasn't working.

# TERMS & CONDITIONS

## **TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## **CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## **PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

## **HEALTH:**

All animals in the sale have met all necessary health requirements.

## **GUARANTEE:**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## **LIABILITIES:**

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## **DELIVERY:**

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

## **PHONE, MAIL, WIRE BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## **INSURANCE:**

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

## **ERRORS:**

All announcements at sale time, written or oral, supercede any written material in the catalogue.

## **BULL WARRANTY:**

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.
