- ~ RNRFLICEK ANGUS, BLACK ANGUS BULLS ~

THURSDAY, FEBRUARY 6th, 2020
2:00 PM CST 'FAST TIME'
CUT KNIFE, SK CANADA

Welcome to our 11th Annual Bull Sale! Time sure flies by - it is hard to write "2020". Cow numbers are going down and beef consumption is moving up - a perfect scenario.

We are pleased to have Matt and Mike Jahnke from Log Valley Ranch join us this year with 6 good bulls. The dearest thing this Hereford industry needs is young, enthusiastic breeders.

Marilyn and I are very pleased to have Carl and Robin and their families so involved in purebred Herefords; the next generation seems keen.

Bulls can be viewed on DLMS prior to the sale and DLMS will be here on sale day. Randy has the prime rib ordered and we would love to feed you dinner.

Our bulls are presented as natural as possible. Their feet aren't trimmed and they've been worked on foot and with horses. They're semen tested and measured by Dr. Tom Schimdt. We will deliver them free for 300 miles.

If you cannot make the sale, give us a call and we will look after your needs - guaranteed.

Thanks for all the support from everyone over the years. We appreciate your business and your friendship.

*- Cal & Marilyn
(306) 398-7343*

Dark feather neck, his dam, 37S, still has as good feet and udder as any cow on the place. He is young and moderate but you'll keep every daughter.

A huge Thank You to all those who came out for a great day during the NW Hereford Club Tour this past August. We hosted over 200 people for lunch & had over 200 head on display! Thank you to CR Bar Ranching, Flicek Hereford Ranch, Log Valley Ranch, Riverbridge Ranch & Garrett Ranching for bringing cattle to have on display! Thank you to all the tour sponors who helped put on a great event!

Welcome to our 11th Annual Bull Sale! We are proud to be one of the consigners this year to make up a sale that will sell over 80 quality Hereford bulls in one place from good ranching families.

We have 40 bulls on offer this year that spent the summer living on 200 acres of grass/alfalfa around home. We believe in naturally growing our bulls out so they last you decades. Once winter came, they continued to walk to water at a creek & have been raised on hay & oats. Our program is based on breeding to be good, not feeding to look good.

We were able to get some fencing done at the end of November, thankful for some time to catch up! Since December 1st the bulls have been worked with regularly through the chute & have moved into a new large grass pen along our lane way - easy to tour!

This year, over half of our bulls are out of our home raised herd sires; proof that our program is working the way we have dreamed. This year is also a first for us as we will be offering 4 bred, purebred heifers in the sale. Please feel free to call & come by the ranch to take a look at these ladies, as well as the bulls, & the cow herd isn't far away either! Along with the purebred females we will have a couple pens of straight Hereford heifers on offer too.

Our bulls come with feet that have never been touched & they're ready to go to work. In fact, every bull on offer from us has been tested free of any breed abnormalities via the Canadian Hereford Association, the letters behind their names.

We understand everyone gets busy - if you are unable to attend the sale, give us a call & we can help find a bull that will work in your program. We 100% guarantee your purchase with our sight-unseen program, if you don't like him - we'll put him back on the trailer & bring him home. We deliver all our bulls free of charge right to your door.

We will have videos of the bulls up on our Facebook page & website the middle of January for your viewing. We will also have catalogues & bull videos at the 34th Annual Canadian Bull Congress in Camrose, AB, on January 24th & 25th. DLMS.ca will be live during the sale where you can watch, bid, & buy online!

We want to say Thank You to those who've supported & believed in our program over the years. Please feel free to come by the ranch anytime & we invite you for lunch prior to the sale on Thursday, February 6th!

- Carl & Dalynn 306 398 7879 or 306 390 7447

Another bull we own with the Jahnke boys at Log Valley Ranch. A Misty Valley bull that has grown up to be a bull with a lot of top and depth.

5 pens of 5 straight Horned Hereford Heifers

25 Straight Horned Hereford commercial heifers, exposed to a proven Hereford Heifer Bull & a Red Angus Bull starting June 20th for 60 days. Heifers should start calving around April 1st. All heifers are up to date with thier vaccinations. Heifers are available for viewing prior to sale day!

-- CR BAR RANCHING PUREBRED BRED HEIFERS --

All these Horned Hereford heifers are right out of the top of our replacement heifer pen. These heifers have been exposed from June 20 for 60 days to MF 34F, he's a yearling bull we purchased from Log Valley Ranch recommended for use on heifers as well as a proven Red Angus heifer bull. They should start calving around April 1st & their vaccinations are up to date. Please feel free to come by the ranch & tour them previous to the sale!

FLICEK HEREFORD
RANCH

RANDY AND ROBIN FLICEK
Ramsay, Rawley, and Layla-Ruth

306.823.7091 306.823.3912

In early fall 2018, Randy leased 10 beautiful, functional cows from his brother Marty, who was having a dry year, we were so pleased with the quality of the pairs that we purchased the calves that came on those cows. 6 of the polled bulls that we are offering were among those calves. We are confident that these bulls will work for our customers and hope that our friends and family to the south are getting the moisture that they need. 2 of the horned bulls came in dam out of the Corbiell dispersal sale, their mothers have been a very welcome addition to our herd.

In the fall of 2019, we were honored to expand our commercial cow herd with the purchase of a large group of primarily red white-faced cows from Carlrans Ranching, we thank Mom and Dad for this opportunity.

Sincerely,
Randy, Robin, Ramsay, Rawley, and Layla-Ruth

Hello Cattlemen,

Matt, myself, and our families are very excited to be a part of the 11th Annual Carlrans Bull Sale. We believe in Horned Hereford cattle and believe they can help every operation. We have brought six bulls that we are extremely proud of. Our bulls are raised on oats and good quality hay. We expect them to work for a long time.

Log Valley Ranch is located along the south side of Lake Diefenbaker north of Morse, Saskatchewan. The coffee is always on and we would gladly take the time to show you the cows any time.... We are very proud of the quality of our cows, plus we love to talk cattle!

We also need to give a big thank you to the Ramsay clans of Carlrans Ranching Ltd and CR Bar Ranching for inviting us to be a part of this tremendous sale. We hope to see you all there on February 6, 2020.

Mike, Chelsea, Lane & Cady Jahnke - (306) 629-7311

It's hard to believe we are in our 11th year of being part of a great sale. Please come and join us for a great Prime Rib lunch. Thank you to everyone who has been involved over the years to put together such a great sale and a great lunch.

After weaning, our bulls are carried through the winter on self feed grass hay and supplemented with a pellet ration. They spent all summer on grass and came in from pasture in early September to be pail fed a 13% protein pellet with self feed grass hay.

They have been vaccinated and ivomeced and have free choice mineral. They will be semen tested prior to the sale. They can be kept free of charge until April 1st when we start to deliver. All bulls returning to the farm must be insured.

Last but definitely not least, THANK YOU to all of our friends, family, supporters, bidders and buyers. We appreciate everyone who have supported our breeding program! We look forward to seeing everyone sale day!

TERMS & CONDITIONS

TERMS: All sales are made in Canadian funds. Payment must be made the day of the sale. If other arrangements are needed, please speak to Cal or Carl Ramsay.

DELIVERY: Can be arranged, please talk to your consigner.

GUARANTEE: Bulls are semen tested & guaranteed to be breeders. Each animal becomes the responsibility of the purchaser as soon as sold.

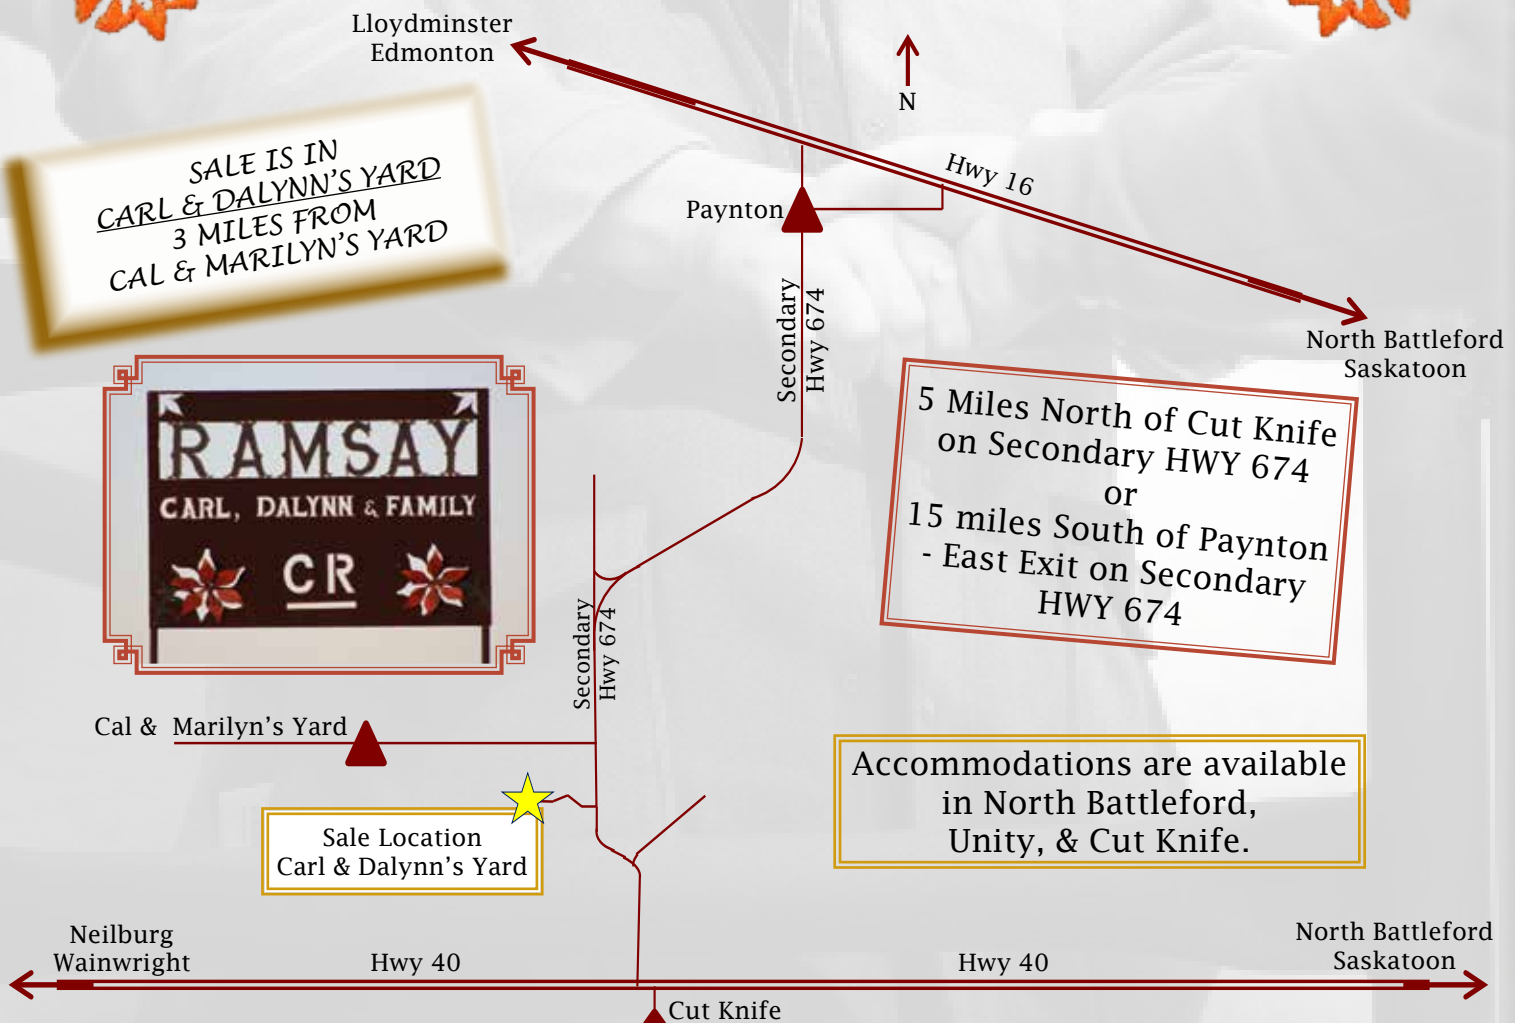

All bulls must be insured and insurance is provided sale day.
Standard Canadian Hereford Association Breeder's Guarantee applies.
Buy with Confidence.

ANNOUNCEMENTS: Any announcements from the stand take precedence over printed material.

Thank you for attending our 11th Annual Sale.
We appreciate your continued support!

EPDs taken on January 1, 2020.
