***20th ANNUAL  
RED & BLACK ANGUS  
BULL SALE***

***FRIDAY, APRIL 10, 2020 ~ 2:00 PM  
at South View Ranch, Ceylon, SK***

To Our Valued Customers and Friends,

On Friday, April 10<sup>th</sup> will be our 20<sup>th</sup> Annual Bull Sale. Due to the unpredictable nature of the current health crisis, and for the well-being of everyone, we have decided to run a strictly online sale. The sale will be done in the horse race format. There are advantages to this format, if you don't get the bull you want, you can go to your next choice and bid, or bid on multiple bulls at once. If you do not feel comfortable bidding in this manner, give us a call. We can handle your bids in complete confidentiality. We want to thank our sale staff for their understanding during this emotional time, as we made the difficult decision to change our way. The main goal is to keep everyone safe and healthy during this stressful situation. It will occur on April 10<sup>th</sup> from 9:00 a.m. to 7:00 p.m. or until bidding ends. Online bidding will be available through DV Auction.com. Please pre-register to bid prior to sale day by visiting their website. This is a very easy process, but please do not hesitate to call if you need help. We want to make this to be as stress free for you as possible, and want you to feel safe and comfortable, so we feel this is the best route for everyone.

We invite you to come and look at the bulls prior to sale day. We will gladly discuss the bulls and help you in any way with information about the bulls. Please call ahead. You can find videos of the bulls online at [www.southviewranch.com](http://www.southviewranch.com) or on DVauction.com. You can call Shane 306-869-8074 or Keaton 306-815-7233 for help. They know the bulls and can recommend bulls for your program. We stand behind our Sight Unseen Purchase Program.

U.S. buyers please feel free to take part in the sale as there are no trade barriers.

We sincerely appreciate your continued support and thank you for your understanding as we work together to overcome this global crisis. So, pour yourself a drink, and join us online for our 20<sup>th</sup> annual sale from your own home! Take Care!

# Welcome... from South View Ranch

Hello from all of us at South View Ranch. It is a pleasure to welcome you to our 20th Annual Bull Sale. Thank you for taking the time to browse through our catalogue. Please consider this your personal invitation to join us on Friday, April 10, 2020 for some excellent food, beverage and hospitality, but most importantly a great set of Red and Black Angus Yearling and two-year-old bulls.

Again, this year is an offering of well developed two-year-old Red and Black Angus Bulls. We will be selling these bulls by video auction due to the size and power of these boys on our portable set-up. They will be on display outside the sale ring prior to the sale, so come early to have a good look. The yearlings will come through the sale ring as we have always done in the past.

This offering will be a strong, powerful group of sound, functional, structurally correct bulls for heifers and cows. There are some that will work on both. They are in excellent working condition fed for longevity and soundness. They come from sound, hard-working females run in a ranch raised environment. We breed on rotational grazing paddocks of crested/alfalfa, later moving to native pasture for the summer. After weaning, the cows go out grazing until the snow gets too deep. All our cattle are on a complete herd health program advised by Deep South Animal Clinic of Ogema, SK.

The bulls are raised naturally on their mother's milk and grass. Post weaning they receive a balanced TMR. They are housed in large areas for optimum exercise. All the bulls on offer will be vet inspected, semen tested and scrotal measured. If you are unable to attend the sale, please feel free to come anytime to have a look as sale day phones will be available or consider our sight unseen purchase program. Also we will have full internet coverage with DV Auction. Please make sure you have ample speed to participate online! If you have any questions or need any assistance give us a call or stop in.

We sincerely thank our many customers for your interest and support of our program. We appreciate the opportunity to work with you. We make our living from the cattle business, so our customer's success is very important to us.

We are planning a South View Ranch influence bred heifer sale "Ladies of the Land" for December 22, 2020 at Johnstone Auction Mart, Moose Jaw, SK. To be eligible to participate, your heifers must be sired by or bred to SVR bulls. If you are interested talk to Shane at 306-869-8074.

We look forward to visiting with you on April 10. Hope to see you there!

Conquer 593C was purchased from Cockburn Red Angus for his overall thickness and correct skeletal structure with the herd bull character. A son, Continental 112E, was shown very successfully. We are always excited about the performance in Conquer's sire groups, both male and female. On 15 sons their average 205 day weight is 746 with an ADG index of 106.

Arrow 13E was the high selling bull we purchased out of the 2018 Flying K Bull Sale. He was an easy standout in the pasture when Shane saw him during the summer along side his beautiful dam, with her perfect feet and udder. He sired a consistent group of calves from our first calf heifers. We look forward to his females coming into production. We are very excited about the future of this young herd sire.

## Terms & Conditions of Sale

**Bidding:** Each animal will be sold to the highest bidder. Bidding

**Disputes:** The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

**Terms:** The terms of the sale are cash. The right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the sale facility.

**Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be fed, watered and cared for at the purchaser's risk for a reasonable time. If leaving your bull in our care we strongly encourage you as the new owner to insure him.

**Insurance:** A representative of a major insurance company will be present to care for insuring cattle.

**Certificate of Registry:** A certificate of registry and transfer will be furnished for each animal.

**Announcements:** Changes of information contained in this catalogue relating to the animals offered for sale will be announced from the auction box and such announcements shall take precedence.

**Health:** All cattle will be in excellent health.

**Breeder's Guarantee:** All animals sold are guaranteed breeders by the owner. Any animal that has not proven itself a breeder within six months after date of sale, if in healthy condition, may be returned to the seller at buyer's expense. The seller reserves the privilege of trying for a period of six months to prove the animal a breeder. The seller at his option may either return the purchase price to the buyer or replace the animal with another of equal quality in full settlement of ALL claims. All complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the specified time above and any animal returned must be free from disease and in good health.

**Retained Interest:** SVR reserves the right to collect semen on any of our bulls selling in this sale for within herd use at buyers convenience and our expense.

**Liability:** Neither owners, sale manager, clerks, nor anyone connected with the sale assumes any responsibility, legal or otherwise for damage of any kind.

**Contract:** The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

## Add Value To Your Genetics With the Canadian Angus RFID Indicator

*Ordering your Canadian Angus tags has never been so easy:*

Please order directly from CCIA online at [www.canadaid.ca](http://www.canadaid.ca) or call 1-877-909-2333

CCIA carries both the Datamars brand Temple Tag ComfortEar Canadian Angus RFID indicator as well as the Allflex brand Canadian Angus RFID indicator.

- Canadian Angus tagged animals are in high demand by Canadian Angus beef programs; sell direct or through one of the 169 Canadian Angus Feeder Sales across Canada
- Canadian Angus indicators visually and electronically identify Angus and Angus cross cattle. It's our guarantee that the animal bearing the indicator has a minimum of 50% Angus genetics.
- Third-party age verification
- CCIA compliant indicator—no other indicator is required for national identification
- The use of Canadian Angus RFID indicators allows you to also purchase Canadian Angus management tags
