Welcome,

Thank you for joining us for our 22nd Annual Private Treaty Sale. We are proud to present to you this selection of bulls and open and short bred heifers from our 2018/19 calf crop. We offer you a combination of new and proven genetics using select AI sires as well as our own walking bulls. We have been breeding Limousin cattle for over 40 years with predominately a fall and winter calving program and selling bulls into the purebred and commercial market.

The format of our sale is on a first come, first serve basis. Animals sell under the standard Breeders Guarantee of the Canadian Limousin Association. All bulls offered have passed a semen evaluation prior to sale day. Video clips of the animals in the sale are available online through our website and Facebook page.

Much as we usually enjoy a large turnout at our sale we recognize the uncertain times we are in, please do not hesitate to contact us to discuss the cattle on offer or to arrange private viewing.
