# STOCK FARM

9<sup>TH</sup> ANNUAL SIMMENTAL BULL & FEMALE SALE

## FEBRUARY 24, 2020

MONDAY 1:00 PM AT THE FARM, PARKLAND COUNTY, AB

# TRIANGLE STOCK FARM

## WELCOME

Welcome to our 9th Annual Bull and Female Sale at the farm. It is with great excitement that we have moved the sale home to have our own video sale in the comforts of the cattle being in their pens. With growth and change there will always be firsts, so with the changing times we have put together what we feel is a strong set of bulls who will definitely have an impact in the beef industry, as we have been breeding Simmental cattle for 30+ years. Thank you to all the buyers and bidders over the years that have supported our program. The resiliency of cattle producers has again gone unnoticed this past year, as it seems we all become stronger under challenging times. As I write this I cannot say enough about the resiliency of these cows and calves, as many are calving in these cold temperatures. It is the strength and determination of survival that these cattle and us producers endure to grow the cattle business.

We have teamed up with T Bar C Cattle Co. Ltd. as our sale management team and DLMS to provide our online video sale. This year's offering is strong once again with a great balance of calving ease, performance and predictability backed by cow families that run deep. We have been striving to produce functional beef bulls that will add value to our customers replacement pen, as well as added weight and value to the steer pen. As one goes through this year's catalogue, I think we have put together a group of

Red and Black bulls that will definitely step up and fit into any herd. The cows do all the work until weaning and at that time they are pail fed a textured ration alongside free choice hay and green feed. These bulls are in the condition we like to have for fertility, breeding and longevity.

New this year is the addition of a select group of purebred heifers, all heifers are halter broke and super quiet. We have a couple of Brimstone females and a Whiskey heifer to showcase, as both these walking herd sires have done a great job in the bull pen and we believe these heifers are a great addition to any herd. The black heifers will definitely catch your attention with their eye appeal and proven pedigrees. An opportunity to capitalize on some females, who will definitely be the ones in the future to put bulls in the pen.

Another great addition to our first on farm bull and female video sale is the opportunity to showcase some great bull customers of ours who have supported us for years. Both the Sandsbraaten and Branden families have outstanding Simmental influenced cow herds and have brought a select group of fancy Simmental X commercial open heifers to the sale offering. Feel free to contact them with any questions you may have prior to the sale.

All bulls and females will be at the farm sale day for your appraisal. Videos will be available a few weeks prior to the sale and all will sell in our heated barn on sale day via video. Please feel free to use the services of T Bar C Cattle Co. Ltd. for order buying or any assistance you need as they have been through the bull and heifer pens. Mark from DLMS will also be on site sale day and can be of assistance. We look forward to seeing you sale day or you can join us online through DLMS. We welcome you to look through the cattle prior to sale day, as the coffee is always on.

## FROM FROM THE DESK AT T BAR...

Welcome to the Triangle Stock Farm Spring Bull Sale, February 24, 2020 at the farm, Parkland County, Alberta (30 minutes west of Edmonton.) The Klepper Family have come forward to offer this outstanding group of bulls and females for your appraisal.

The depth of quality in this offering is alluring for those who are looking for your next red or black herd sire. Almost all the bulls selling are "homo polled". This offering is exciting with very friendly birth weights, tons of hair, shape and style... a true shopping bonanza for breeders and commercial producers alike.

Don't overlook the female section of this event. The purebred heifers are exciting, carrying the same genetic credentials as the bulls. The Simmental influence females are the right kind and ready to hit the pasture in the spring and grow into money... red, black, blaze or baldy. February 24th is opportunity day in the livestock industry. Do not hesitate to stop by the farm and preview the lineup and don't hesitate to give anyone in the Klepper Family a call to discuss their bulls and your needs, they will be very pleased to assist in any manner.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, as we will help you in a professional manner.

E P D	CE	BW	WW	YW	MILK	MCE	MWWT
	9.1	2.7	70.1	99.0	19.1	6.5	54.2

This embryo bull is perhaps one who could really impact the breed as a heifer bull with his smooth profile and genetic makeup. We have a full sister in production and is hard to fault and a Whiskey daughter in the replacement pen. Off the 488T cow who is the granddam and great granddam of 31G - Lot 2 and 57G - Lot 3. His sire, Deuce (full brother sells as Lot 4) we knew, from a young age, we would utilize his genetics and we are very pleased with how his bulls have been accepted, his females are in production and are the right type as there are many throughout the catalogue. Have a look here as he will be one to reckon with. Balanced, moderate frame, soggy made, lots of hair and full of character.

A standout from a young age. Governor has herd bull character, thickness, masculinity and smoothness. Off an Upgrade cow who is truly one to admire for her completeness, sound structure and eye appeal. Predictability, maternal strength and a solid pedigree should make Governor one to definitely look at as he is a big time herd bull in the making. Lots 1, 2 and 3 are all off the maternal great, 488T, who has definitely left her mark in the bull pen.

EPD	CE	BW	WW	YW	MILK	MCE	MWWT
	8.8	4.3	79.0	114.4	18.3	5.9	57.8

Gangster is full of ideal qualities for all of us in the beef business. Study his pedigree and EPD profile, as it is impressive. He is loaded with thickness, ideal muscle pattern, length of spine, soft made with presence of a herd bull. A well balanced bull that catches your attention and will sire consistent top end progeny. Going back to the 6C dam of Lot 2 and 488T dam of Lot 1. Definitely a bull we think highly of and will be using in our herd as he will be a heifer bull phenom.

EPD	CE	BW	WW	YW	MILK	MCE	MWWT
	10.8	2.3	73.0	100.1	15.1	7.6	51.6

Full brother to TSF Deuce 22Z who has left us with the right kind. The bulls are massive, deep ribbed beef bulls and the females are productive and powerful. Daughters in production are throughout the catalogue and definitely are the keeper type. 72G an embryo is a direct son of Dream On and is a smooth made, complete bull with length, style and dimension. Definitely a herd bull in the making combined with a genetic profile that is proven. A cow family here you will see throughout the catalogue in Lots 19, 30 and 32 and Deuce females in production Lots 6, 8, 11 and 12.

Soft made, soggy beef bull off 241R, who definitely is a cow who has been one to build a herd around. He is long bodied, big ribbed and as complete as they come. Great front end to this bull with smoothness and neck extension. Truly a breeding piece who will add value to the replacement pen and his steers will have added length, dimension and performance. Full brother sold last year to Bill Orlick. 241R is granddam to Lots 12, 14 and 24.

**Gestation 285 days / Homo Polled**

This bull offers power, profile, presence and pedigree. A stout, hairy individual who is complete in his make-up; soggy made, deep sided, strong topped and gets out and moves like a ranch bull. His dam is a favorite with an exceptional udder, tied in with depth, thickness and soundness. She has a son working at Marvin and Barb Branden's. Proof is in the making with his sire 40E, as he has definitely left his mark in the bull and heifer pens.

First Brimstone daughters to sell and they are darn good. 25G is a heifer with an attractive profile combined with power and thickness. These Brimstone females are stout made and will make some impressive cows. 25G's dam has a full sister who is the dam of Lot 30, who will be easy to find sale day.

Dark red female with style, angularity and body mass. Sweet in her makeup and one who will definitely contribute to any herd. Off a female purchased from Sunny Valley, who is a no hassle cow. The Brimstone bulls are a very uniform complete set of bulls with moderate BW, CE and beef bull profiles. These heifers follow the same format and will be great contributors.

One of the 1st SVS Whiskey 643D daughters to sell and Whiskey is a 3/4 brother to SVS Brooks 669D. 85G is free moving, thick made, correct heifer backed by a Mappins female from Friday Night Lights. Whiskey daughters are just in production this year and have the makings of tremendous females. The bulls speak for themselves with their added length, sound foot and leg structure and performance.

## TERMS AND CONDITIONS

### TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### BIDDING

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

### ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

### BREEDER'S GUARANTEE

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

### EXCEPTION GUARANTEE

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

### GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Simmental Association, with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Simmental Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### RIGHTS AND OBLIGATIONS

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

### PHONE, MAIL, WIRE BIDS

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### DELIVERY

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

### INSURANCE

Will be available sale day. We strongly recommend that insurance is purchased for full value.

### ERRORS

All announcements at sale time, written or oral, supercede any written material in the catalogue.
