BLACK ANGUS BULL SALE
SPIRITWOOD, SK - APRIL 5, 2021

WELCOME

Four Bar X Ranch

Welcome to our 2021 Annual Bull Sale. We have a good selection of bulls again this year from sleep-easy calving ease bulls to performance bulls. Docility is a trait we focus on and believe it is an economical trait in a herd. Our goal is to produce bulls that will increase profits in your herds and we can help you in purchasing the right bulls for your needs.

With the COVID restrictions more bulls are purchased online, sight unseen or viewed before sale day. We are here to help you with your bull buying needs. All bulls will be videoed and can be viewed on DLMS. We have a number of people who can take phone bids sale day if you wish. Bulls can be viewed at our ranch any time before the sale. Give us a call anytime.

CMT Farms

Hello and welcome to our 2021 Annual Bull Sale.

First and most important, we would like to thank our customers, bidders and buyers and everyone that has shown interest in our cattle in the past. These bulls were weaned on September 22, 2020. Creep feeder was out one month before weaning and a month after to help with pre and post weaning stress and then put in a large pen and fed a TMR of silage, oats and a supplement. We guarantee our bulls 100% and if a problem arises, we want to be the first to know.

With the uncertainty of COVID regulations, we strongly encourage you to come look at the bulls prior to the sale. We would love to show them to you. Videos will be available online at www.dlms.ca or www.buyagro.com.

From the Desk at T Bar...

Welcome to the Fifteenth Annual Anderson's Four Bar X Ranch & CMT Farms Black Angus Bull Sale, Monday April 5, 2021 at the Spiritwood Stockyards, Spiritwood, Saskatchewan. After fourteen sales for Kevin and Ty, who are pasture managers, in addition to their large purebred herd and Chad who runs a large commercial operation as well as his purebred herd... we could say that the bulls are "cowboy approved!"

The Four Bar X program is based on soundness, fertility, docility and calving ease without sacrificing performance. Each year they add new genetics through AI with several features sale day but rely on proven walking bulls to carry most of the workload. Anderson's pride themselves for their cow herd and rightfully so... it is why the lineup of bulls are so uniform in frame size, body shape and birth weight. You will be impressed with the muscle shape, ruggedness, testicle and hair of the bulls.

The CMT program is rapidly increasing in size and strength; they offer a great set of bulls once again. No doubt, the transplant sons of Royal Pride 11R by International and Net Worth will be features... but let us not overlook the stylish, highly maternal sons of HF Lute 70C or the big weaning weight sons of Young Dale Hi Def 90E. You will be impressed with the muscle mass and volume of the CMT bulls who are bred to have lots of hair.

There are bull sales every day... this is one you need to check out and attend whether in person or online. Plan to visit either operation prior the sale and preview the bulls and their mothers. The bulls will be available for viewing the day before at Spiritwood. Do not hesitate to give Kevin or Chad a call to discuss the bulls and which will fit your breeding intentions.

Plan to be with us the first Monday in April for your "cowboy approved" sires.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

HF Lute is a son of the great cow, Wilbar Ruby 955N, who is the mother of the legendary bull, HF Kodiak 5R. He sires calves that come easy with good growth and excellent structure. We have many daughters in production now and they are the right kind. They have excellent udders, lots of milk and good mothers. This is our last calf crop off of him this year, so don't miss these great sons.

Young Dale Radius is a bull we selected with Diamond B Ranches who was a high seller at Young's and he hasn't disappointed. He is an excellent moving bull with a good foot under him. He sires calves with a titch more frame, tons of hair and lots of growth. His mother is a proven producer with an excellent udder that goes back to the great female maker, EXT.

Radius 44D

CMT FARMS

If you are looking to add frame and length to your calf crop these International 54D sons will do the trick. They are out of our donor cow, 11R who raised her last natural calf this year at 15 years old.

59H is a powerhouse of a bull that will help his calves push down the scale. This bull has an excellent foot under him just like his sire. 59H's mother is a bigger framed, powerful cow.

65H is the only Titan son we have on offer this year but expect big things for next year. This bull is moderate, fancy, with a big hip. He is very hard to fault.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Each animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Angus Association unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
