**BULL SALE**

March 4, 2021 1:00 PM    McAuley, Manitoba

# Welcome...

Welcome to the 2021 edition of the JP Cattle Co. Bull & Female Sale. Another year has flown by, and here we are calving cows and preparing for our annual sale again. This is, I think, the eighth year we have sold bulls and this will be our first time flying solo. It will be nice to know that every prospective bull buyer, that either comes to visit or attends the sale, will be here to look at the JP Cattle. I'd like to wish Brent and Dale Stewart all the best in their retirement, after having a very successful dispersal on December 20th. We really enjoyed having you sell your bulls with us the last three years. We definitely learned a lot from you and I'm sure that will continue into the future.

The last year has been a strange year for all of us Canadians. Hopefully soon, some sense of normal shall return. That being said, it's been good to be living in the country and to be involved in agriculture, especially the livestock sector. I feel that the average Canadian has had their lives slow down immensely and many have a newfound interest in where their food comes from. It also seems to me that there is more of a respect for all people involved in all sectors of agriculture. Hopefully that sticks around for a long time.

We are very pleased with this year's bulls. We have a very athletic bunch and we've tried to feed them for a moderate gain, from summertime, right up to now and past the bull sale. They've enjoyed more exercise also, each group having a decent sized paddock to roam in. We also have open heifers on either side of them, so we see lots of walking the fence. Sure keeps them moving.

Again, this year we have Simmental, Angus and Sim-Angus bulls to choose from. The Simmentals are once again an impressive bunch with several different sire groups to look at. The Angus bulls are the best group, top to bottom, we have raised to date. The popularity of the cross breeds continues to grow, year after year, and we are proud of the selection we have this year. We are very impressed with how the two breeds compliment each other. Hopefully we will have something that will work for everyone who comes for a visit.

We also have a very strong group of bred heifers on offer again this year. They are bred to calve late March to easy calving Angus bulls. These heifers are out of the early calving papered cows, so there is lots of quality to choose from. We'd like to calve them all out, but the barn is only so big.

I must thank all our customers who have come to support our program over the years. It is so nice to see familiar faces return year after year, and of course the new people who are showing interest. We appreciate and thank you very much for your support.

We will be having the same sale format as previous years but will follow provincial COVID guidelines. We encourage you to come tour the pens ahead of time, if you prefer, but hopefully will see you on sale day or even better both!

We are trying a couple new things for our sale this year. We are adding a discount program for volume buyers and four sale credits towards the purchase of a bull for the draw winners. Details are listed on the following pages.

We are pleased to be working with Chris, Shane, Ben and all the T Bar C staff who continue to keep things rolling smoothly back at the office in Warman. In today's environment it is much more evident that you need a quality sales team on your side to help ensure a successful sale. Please feel free to contact anyone at T Bar C or ourselves with any questions you may have.

In closing I want to thank you all for showing interest in our program. We strive to please our commercial customer base each and every year. I would also like to thank all the people who help us make this all possible. It takes a very united team to get all the work done day in and day out. Thanks to all of you.

On behalf of the JP Cattle Crew,

*Barry*

## DISCOUNT PURCHASE PROGRAM:

This year we have decided to introduce a discount program for multiple bull purchases. You will receive a discount of 3% of the total for 2 or 3 bulls, and then for every additional bull you receive another 1% per bull.

2-3 bulls - 3%

4 bulls - 4%

5 bulls - 5%

6 bulls - 6% etc.

## SALE CREDITS:

This year with everybody being so aware of the COVID safety, we strongly recommended that you come and view the bulls prior to sale day. We are going to give four (4) - \$500 sale credits off the purchase price of a bull. The draws will be made before the beginning of the sale and winners announced from the sales block.

-All producers that come to view the bulls ahead of the sale will be entered into the draw for the first two sale credits.

- All producers that attend the sale will be entered for the third and fourth credit.

## SIGHT UNSEEN PURCHASE PROGRAM:

All sight unseen purchases are fully guaranteed.

## SEMEN:

We reserve the right to draw semen on any of the sale bulls for "in herd use" at the buyer's convenience and the seller's expense.

## INSURANCE AGENT:

Alameda Agencies: Bonnie Thompson 306-483-7311

*365 day weights will be available sale day.*

**GUARANTEE:** All sale bulls are fully guaranteed as breeding bulls. We will be keeping back a few bulls as replacements, if one may be required.

**HEALTH:** All cattle are on a full PFizer Health Protocol. Rebecca Gervin from ValleyFlats Vet Service has done all semen test, scrotal measurement and preg-checking. Bulls were treated with ivomec at weaning, September 10, 2020 and December 29, 2020.

**FEED RATION:** The bulls have been fed a complete TMR grower ration. 3M Beef Supplies balances this ration for us. We strive to develop these bulls to grow at a steady and reasonable pace after weaning. We want to have bulls ready for our customers, at breeding season, that are in good breeding condition. We strive to raise bulls that can get out, walk, and maintain their body condition. We strongly recommend leaving the bulls at the farm after the sale, where we will keep them on this grower ration, at no cost to the purchaser, until delivery.

**We would like to have most of the bulls delivered by the 1st of May, if possible.**

*From The Desk At T Bar...*

Welcome to the 2021 Edition of the JP Cattle Co. Simmental and Angus Bull sale, March 4th at the ranch McAuley, Manitoba. From cow/calf roots, this program has grown into a high quality seedstock operation yet maintaining their existing large scale commercial division in the Parklands bordering Manitoba and Saskatchewan.

The Simmental, Angus and Sim/Angus bulls they offer are selected from a large cow herd base built on functionality... soundness of foot and limb, udder quality and milk flow, temperament, and the most important factor... predictability. This lineup is stout, uniform in frame size and phenotype and bred to have lots of hair and testicle. The selection process is quite simple... using the same basics that made the commercial operation so successful.

The bulls are brought along after weaning on a high roughage, high protein diet for growth and performance, they are not "stuffed" but ready to work and add value for the new owner. Many of the bulls are homozygous polled and some homo black. The sires of the bulls selling are a combination of some of the leaders in the nation, each with their special dimension or trait. Several flush brothers out of their top donor cows and leading breed sires will undoubtedly be features sale day... do not forget to check them out. Whether you are looking for a power bull or two to freshen and add value to your cow herd or needing a calving ease bull for the replacement pasture and a good night's sleep, your choices are many... and as a bonus... all these bulls in the offering carry high maternal values!

For those looking for females to add to an existing program or just starting, JP offers a wonderful opportunity on a top set of April calvers. Some of these females are out of registered cows and many sired by the same sires as the bulls. You are only a month or two from clipping a coupon.

The folks at JP Cattle are shining examples of a true Canadian farm and ranch family, multi-generational with community and family values and have all learned about cattle at an early age... maybe that is why this offering of bulls and females is so strong. Stop by the ranch anytime prior the sale for a preview or give the folks a call to discuss the bulls and which bulls are suitable for your breeding needs.

During these times, feel free to call anyone on our T Bar C team to discuss or purchase any of the cattle offered. We have graded each individual and will be pleased to assist in a professional and confidential manner.

See you in McAuley,

*Shane Michelson*

Here is a very nice, moderate, red bull that goes back to the great 56U.

When Royal Flush was shown in the Denver Western Stock Show in 2017, we met a good friend by the name of Tim Ishee from Mississippi, who owns Ishee Simmentals. One thing led to another and we ended up purchasing his high seller, Mr Ishee Walking Boss 624D, in his 2017 bull sale. After moving him to Canada and getting him climatized we used him lightly for the first two seasons. We really liked his calves, so we started using him in our flush program and exposing him to some of our top cows. The results speak for themselves.

We bought him as an ASA Purebred but upon registering him in Canada he is only a 3/4, hence the 7/8 bulls.

This flush flat out worked. Hairy, thick, big bellied, big nutted, huge footed and lots of eye appeal. All three of these full brothers are unique in their own right. The favorite can change on a daily basis. They are all the right kind.

This is a real eye catcher. 271H is one of the youngest Simmentals in the sale, but don't overlook him because of his age. He is the nicest baldy calf we have raised to date. His granddam on the maternal side is the 84U flush cow who has raised many good ones for us. His dam is a spitting image of her mother with a perfect udder. We are really happy that his mother calved today while we are writing this. She rebred and calved six weeks earlier to an AI service. This fellow has everything you look for in a herd sire; hairy, big bellied, thick, good testicles as well as that ever-sought-after white face.

We own the 317 cow with our good friends from Mich Wheatland Cattle Co. She was purchased out of the Lazy H Bar Dispersal and garners a lot of attention from visitors that see her. Out of the first flush we got a bull and two heifers. 028H has been a standout all summer, everybody that tours the pen is quick to pick him out. He checks all the boxes; he is stout, smooth shouldered, deep sided, long in the quarter, a very attractive head and front end. He is without a doubt the best Angus bull we have raised to this point. We will use this guy extensively in our herd.

Heifer bull here. Once again, these Brilliance calves are very consistent in their birth weight.

This year we have 50 top quality bred heifers available for sale on March 4th. We had too many cattle to calve in the winter, so we picked these ones out and bred them to start calving in late March and finish up the middle of May. We have a handful of reds and the rest are black. Some blazed faced ones in the mix. They are mostly out of our papered cows. Very good quality heifers that are up to date on their vaccinations and have had their first shot of scour guard. They will sell in groups of 3 and 4 head.

# Terms & Conditions

## TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

## ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

## BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

## EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

## CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

## PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

## INSURANCE...

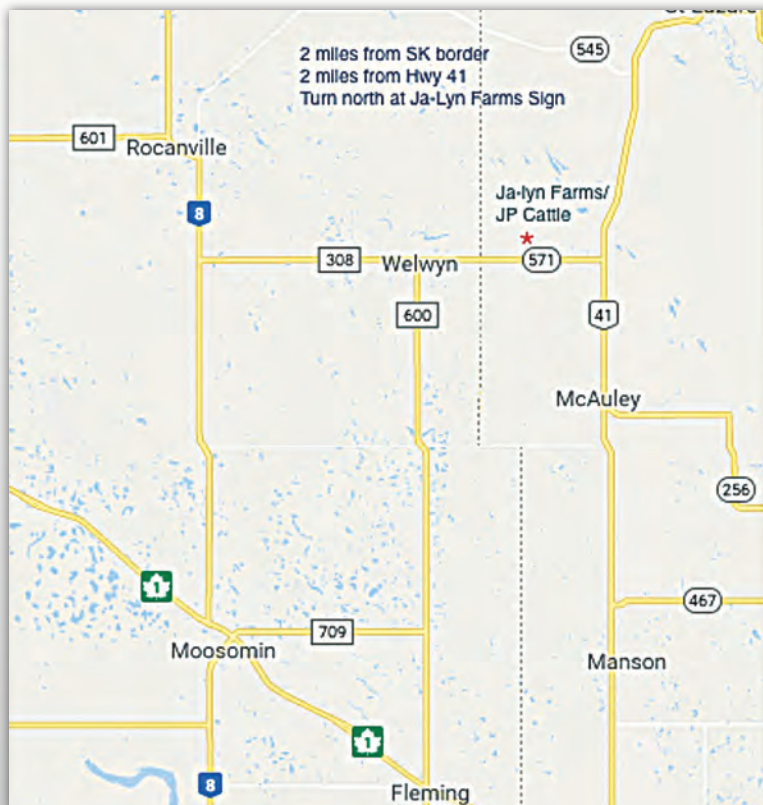

Will be available sale day. We strongly recommend that insurance is purchased for full value.

## ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.

## IN-HERD SEMEN...

We reserve the right to collect on any bull sold through the sale. The semen collection will be at the seller's expense and buyer's convenience. Any semen collected will be for in herd use only.
