22nd Annual Bull Sale

THURSDAY, APRIL 7, 2022 2:00 PM
@ SOUTH VIEW RANCH, CEYLON, SK
6 KM WEST ON TWP ROAD #52
3 KM SOUTH ON RGE ROAD #210

Welcome From South View Ranch...

We are excited to welcome you back to the ranch for our 22nd annual bull sale. What excitement it is to see the world moving ahead. We are very proud of the depth of quality in this set of bulls we have assembled for your appraisal. The bulls have been fed a balanced TMR ration. Our bulls have not been babied, they are coming to you ready to go to work. Please join us on April 7th or anytime before to look through the bulls, enjoy some much needed catching up and hospitality with a hand shake to go with! If you have any questions or if we can help you in any way, please give us a call! A special thanks goes out to all our customers and we hope you consider our program once again!

The Kaufmann Family

\$100.00
will be deducted off
the purchase of your bull
if you take him home with
you Sale Day!

Free delivery for bulls within a 200 mile radius of South View Ranch. Bulls delivered further will be to central locations, or the nearest port of entry to the USA, on purchases of \$4000.00 or more. Deliveries beyond the Saskatchewan border will be on a cost share basis.

From the Desk at T Bar...

Welcome to South View Ranch Annual Angus Bull Sale on Thursday, April 7, 2022, at the ranch headquarters, Ceylon, Saskatchewan. This marks their 22nd annual event offering both red and black two year old and yearling sire prospects.

It takes a large, high quality cowherd to produce and offer such powerful bulls each year... one must view this cowherd to appreciate its strength of over four hundred mothers! Running in the big pastures of the southern hills, soundness of foot and udder is mandatory along with growth and development on mothers milk. The folks at South View pride themselves in producing seed stock that combines performance complete with longevity... simply using "good cow sense with no nonsense".

The large herd bull battery at SVR is very diverse with each bull having specialized traits and purpose. Each year, new genetics are added to the herd bull lineup adding fresh genetics for their many repeat customers.

A powerful lineup awaits your inspection on April 7th... the later born two's, are specifically retained for the sale and are designed to cover big, rough pastures and more cows... red or black, you can select with confidence to add "added-value sires" into your breeding pastures. The early born yearlings are exciting... suitable for breeders and ranchers alike... to discover and explore!

As we start to restock our ebbing national cowherd, demand for breeding females will take centre stage... we know that the Angus mother cow is queen of the pasture. Therefore, when selecting your sires do not over look the maternal side of the industry... select your bulls out of the proven, predictable cow herd at South View.

Plan to be with us at South View... whether it be in person, online or on the phone. We have inspected and graded all the bulls and would be pleased to assist you with your selections in a professional and confidential manner.

Enterprise is a bull with length, style eye appeal. He is dark red, good footed, has great hair and an awesome disposition with that herd bull character. His dam is a donor cow at Blairswest Land and Cattle. Enterprise was very successful in the show ring as well as in the pasture. Reserve Champion Yearling Bull at Agribition 2017, Champion Two-year old at Farm Fair 2018 and Reserve Champion Two-year old at Agribition 2018.

Arrow 13E was the high selling bull we purchased out of the 2018 Flying K Bull Sale. He was an easy standout in the pasture when Shane saw him during the summer along-side his beautiful dam, with her perfect feet and udder. His daughters are doing an excellent job in production with nice tidy udders..

Conquer 593C was purchased from Cockburn Red Angus for his overall thickness and correct skeletal structure with the herd bull character. A son, Continental 112E, was shown very successfully. We are always excited about the performance in Conquer's sire groups, both male and female. On 15 sons their average 205 day weight is 746 with an ADG index of 106.

Impressive is a bull we purchased half interest in from MJT Cattle Co., the Trefiak family. He was the 2018 Canadian Angus Bull Calf of the year. He was Reserve Champion Bull at Farm Fair International as well as Senior Bull Calf Champion at Agribition. His dam DMM Blackcap Essence 7Y is a cow that has proven herself very well with her progeny being successful in the pasture and the show ring. Impressive calves are moderate at birth with great performance. This is a very strong sire group in this year's sale. The Impressive calves are stout made and loose hidged with nice hair and a good look to them. We are very happy with what he has done so far. His daughters are hitting production and dropping solid udders.

We purchased half interest in McLaren with Duralta Farms for his good foot, look and calving ease, plus off a good cow. The McLaren daughters are good looking, just like McLaren's paternal sisters. Range Boss daughters are very nicely made and Merit Cattle Co. have shown them very successfully. McLaren's calves have good hair are consistent and born with lots of vigor. A very complete calving ease sire group.

Congratulations Doc Acton!

We call him Andy, Doc Acton, and a friend. We are honoured to congratulate our veterinarian Dr. Andrew Acton on being awarded the 2022 Boehringer Ingelheim WCABP Veterinarian of the Year. This award is given to a veterinarian with a history of service, dedication and innovation in veterinary practice, the cattle industry and bovine medicine. Thank you Andy for your many years of dedication to South View Ranch and look forward to working with you in the future!

AOD: 3

A smooth made heifer friendly Arrow son with just an April 9th birth date. A good young bull here.

It is a pleasure to be working with the reputable, and hard-working Kaufmann family at South View Ranch. South View Ranch is very well known in the purebred and commercial sectors and presents a very strong set of yearling and two year old Angus bulls for this year's sale.

When developing the yearling and two-year-old bulls it is important that rumen health stays a priority throughout every stage of the bull's development. Therefore, the diet utilizes an organic mineral package to enhance the bull's immunity and complement the bull's overall growth and performance. The sale bulls on offer are slowly developed on a high protein, forage-based diet that is balanced to maximize the bull's genetic potential and to promote lean muscle growth. The South View cowherd utilizes a chelated mineral package throughout the year which is essential to the health and longevity of the sale bulls on offer, as well as the reproduction of the cow herd. The nutrition and development of the bulls along with the entire cow herd is continually being monitored to meet environmental and season conditions to compliment the animal's overall health.

If you have any questions about the nutrition or sale bulls, please feel free to contact me.

Best of luck to the South View Ranch crew on sale day!

**SVR
587H**

TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: All sellers and buyers of Angus cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Angus Association. These documents are available from the Association's office.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up

to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.

IN-HERD SEMEN: Consigners reserves the right to draw any semen on any of their sale offerings for in-herd use only. This will be at our expense and drawn in the off season.
