Buy 2 Bulls for a 3% Discount
Buy 3 or More Bulls for a 5% Discount

Payment Plan

Pay half the purchase price on sale day with the balance on a post-dated cheque for May 15, 2022.

Site Unseen Purchase Program

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of you have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on, sale day isn't always an option. The four outfits from Wilson/Lees have been raising Purebred Polled Herefords for three, four and five generations. We know what works! Tell us what you need; growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners; the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

From the desk at T Bar...

Welcome to the Wilson/Lees Value-Added Bull Sale on April 1st, 2022, at the Right Cross Ranch sale facility, Kisbey, Saskatchewan. Celebrating their 18th anniversary, Value-Added has grown to be the largest and most exciting Hereford bull sale in the nation. This event has become the place to buy your next herd bull. The strength and depth of quality is the result of development of predictable cow herds built over family generations... heritage runs deep in these outfits. The power of these programs has made them competitive in both the breeding pastures and show ring.

The 2021 fall show season for these four breeding operations was successful! The Glenlees crew captured the National Champion Bull banner, as well as Hereford Champion of the world, in addition to the Grand Champion Female award... and she was declared Grand Champion of the World in Fort Worth, Texas... a maternal brother sells!

Chris and Tina have had a busy fall. Congratulations to the president for a great 50th show and with all going on, C & T successfully exhibited the show herd. They offer their first sons of "Belmont" for your evaluation.

The Blair-Athol program had a busy show season starting at Bonanza and through to Agribition. Jeff and the kids have proven that their product is high in quality combined with a competitive nature. Several members of the show team will headline this event in addition to feature sons sired by Patent and North American Champion "United".

Chad and the Wilson family at Haroldson's have continued to be dominant in the breed capturing their 10th consecutive Premier Breeder banner, in addition to taking both the Junior and Senior Get of Sire. They headline their offering with the Reserve National Junior Champion Bull Calf. The success of the transplant program is highlighted in their offering out of the great donors... Marvel, Mira and Jessica.

Powerful, predictable, progressive... what a great lineup of bulls for your selection. Muscle, volume and capacity, soundness, lots of testicle and tons of hair. Whether you want a power bull to add pay weight to your calves at weaning or a calving ease sire for the heifer pasture, the genetic diversity and quality runs deep... always keep in mind the high maternal values that are many times assumed.

The herds are very close in proximity, so feel free to visit these leading operations and preview the bulls and their mothers or give them a call to discuss the bulls and those that will fulfill your breeding requirements. The bulls will be available at the sale barn the day prior. On April 1st you will find a top offering... no fooling!

Plan to be with us for Wilson/Lees Value-Added Bull Sale, whether it be in person, online or on the phone. We have graded the offering, so feel free to give any of the T Bar C team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

This guy was the Reserve Junior Bull Calf Champion last fall at CWA. He's a real big topped bull with excellent shape from all angles. He is a big hipped individual with that extra pop to his stifle. I like the length, style and pedigree on this one. A lot of potential here.

This Pavati son is out of a full sister to Upgrade 33D. This big footed bull is real stout made with an abundance of shape. Take a good solid look at this guy.

I really like this Pilgram son. He has a lot of shape down his top and is explosive in his hip and stifle. He is very correct in his structure and is very sound made. There are a lot of productive cows in this pedigree.

Here is an extra aged bull that really has a lot to offer. Certainly an individual that can add some colour and cosmetics to his offspring. He is a very well-balanced smooth made bull that is very sound structured.

Heifer Approved

Talladega 48J - Lot 18

We could write a novel about this guy. Talladega 48J is made about as ideal as you can put one together, he's got the look and style that gets noticed without sacrificing muscle and depth. He's absolutely perfect in his bone work and joints and sits on a great foot. This guy did see special treatment for a while last summer and fall as we showed him along side his mother at Bonanza and Agribition. The 122G cow was our high seller to Anita Doktor in 2020. She went on to win Reserve Champion Female at Agribition a month later. Her udder quality and teat size are near perfect. For someone that wants to advance their program and retain some females, this guy should be very high on your list.

This Homo polled Patent son, was kept over to clean up here at Blair Athol. With a May birthdate, he fit the bill to walk the pasture after AI Season. Dark Red in color with lots of length and muscle. His Dam, 95Y, gets it done every year, and at 11 years of age still has a perfect udder. We may have calves sired by Crush 156H, by sale day, but expect the majority of them after April 1st.

DVL 107H - Maternal Brother

Lots of performance and length here. Maybe one of the most impressive structured bulls in our group. 80J's dam, 101D, is headed for the Donor pen this spring. When I say this cow is perfect uddered, I'm hardly doing it justice, she's worth coming to look at. First son sold to Ramsay's from Sinclair Manitoba. 80J and his maternal brother 107H were both at Agribition in November, where 107H was Reserve Junior Champion. Put this guy with the cows and expect some extra pounds at weaning time.

Endure X P606 mom. Any one who has been following pedigrees and sale results knows that this mating is pretty special. Good haired, good doing, solid made kind of a bull here out of a 12 year old P606 mom that just keeps producing them. When I bought 20 cows from Charlton's in 2012 the three P606 two year olds were the deal maker for me.

As much size an performance in this Cuda son as any in the offering. His Chive mom from Matt Lohner, seems to produce a good one every time. This guy's maternal sister is the May Diablo heifer we showed a few years ago, and she may hit the show road again this fall. If you like selling big steers in the fall, this guy should get high on your list.

Another son of the Spirit 190G bull from NJW. This guy comes out of a picture perfect Umpire daughter from Medonte. Lots of length and performance in this bull but still very acceptable in his Birthweight. The 1071Z cow has left a legacy here, she's the mother Blair Athol Loaded 115F who is doing a great job in Nova Scotia for Victor and Wyatt Oulton.

69J

Grabs your attention with his huge goggle eyes. Loose made and free moving. Well muscled carrying it right down into his stifle. Very mature for an April 1st birthdate. Tina's fave. Shown at CWA 2021. The RSK Facsimile calves are certainly a strong sire group here as he sired the \$20,000 heifer calf in our production sale last fall. Looking forward to seeing his daughters in production. Judge is very much like his sire, big topped, square hipped, great spring of rib and deep bodied. He will deserve a second look!

Judge 69J - Lot 57

Heifer Approved

79J is a dark marked, red necked, red to the ground bull out of our Victoria 882F cow we purchased out of the Wascana dispersal sale. He is a moderate frame, nicely put together package. Being sired by a Stroker son is an added bonus. He is sure to produce highly maternal replacement females.

Jessie 79J - Lot 61

Terms & Conditions

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health: All animals in the sale have met all necessary health requirements.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance: Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supercede any written material in the catalogue.

Thank You to the 2021 Bidders and Buyers
