**BULL & FEMALE SALE**  
**MARCH 6** 2023

BEAUTIFUL PLAINS AG COMPLEX  
SALE TIME 1PM  
NEEPAWA, MB

# FROM THE DESK OF T BAR...

Welcome to the Canadian Central Simmental & Angus and Prairie Gateway Speckle Park Bull and Female Sale, March 6, 2023, Neepawa, Manitoba. This event is a unique combination of the three most sought after breeds in the livestock industry and is offered on one complete shopping day. These leading breeders own and operate moderate size breeding units but do not have enough bulls to sustain a stand-alone event but combined offer a diverse and strong group of bulls and females for your evaluation.

The Simmental portion of the sale is made up of Red and Black presented by Wilcox Livestock, Twin Oak Livestock and Twin Meadow. Rugged and full of performance yet having optimal birth weights, these youngsters are sired by breed leading sires which will add value to your calves at weaning and you will want to retain the daughters for your replacement pastures. Twin Meadow adds the Fullblood dimension with polled Fullbloods and rounds out a strong Simmental offering suitable for all types of breeding programs and budgets.

BASKM Land & Cattle, the Ginter Family, present the Angus component... rugged two-year-olds by the most popular and predictable sires that have made the Angus breed great. These two's will cover lots of cows, bigger cows and will work in any type of terrain.

The Speckle Park breed has been very exciting and rapidly growing worldwide. Wilcox Livestock, Calico Creek and Skye Line Farms have put together quite an offering of two-year-old and yearling prospects. Calving ease bulls that are easy keeping and have outstanding carcass values. In addition to the bulls and the semen package, a fancy group of yearling heifers top off this exciting offering.

March 6th is opportunity day in Neepawa to enhance your breeding requirements. Stop by any of the farms prior to the sale and preview the cattle and do not hesitate to give any of these breeders a call to discuss their offering and which animals will fit your breeding needs.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

**POLLED TEST PENDING**

Keith is out of a first calf heifer. Keith is soggy in his make up with lots of depth of body. Keith's sire, Revenue was purchased by Twin Meadow Livestock as a high selling bull from Fairview Simmentals. He's a homo polled, non diluter fullblood bull. His first calf crop has really developed into good looking cattle. We appreciate the look of the Revenue bull and his overall mass that he has in a homo polled package which we believe is hard to do. Keith's dam is another ET female out of our great Jasmine female that we have high hopes for. One thing we regret is flushing her so late in her life.

TCW Kraken was a pasture favourite all this past summer and we decided to show him this fall at Manitoba Ag Ex and at Agribition. He had a herd bull look to him early this past summer. He is out of one of our top Fullblood cows we have in our herd and paired with Anchor D Outlook made a power house of a bull.

7J has herd bull written all over him. Sired by Brooking Firebrand 6068, that exhibits the style, hair, depth of body and correct structure we have come to expect from our Firebrand progeny. I got the chase to see Firebrand as a two-year old at Justin Morrison's and that's when I knew I had to incorporate this bull into our program. The Rosebud cow family has been a staple in our herd from day 1 and HF Rosebud 68Y being the back bone of that family for us. Raising 5 bulls that are always at the top of the bull pen, as well as a couple of daughters that we've retained in herd that are also raising some of our best calves. If you are looking for consistent predictable genetics than 7J should be on your list. ¾ brother to 11J bull. We have a full brother to 7J in our yearling pen that rivals this bigger brother. Excited to see how he develops. Recommended for cows.

9J is another heifer bull supreme. A son off Musgrave 316 Stunner, and out of an SAV Angus Valley 1867 female that we bought from Strongbow Farms as a heifer calf. This first calf heifer did amazing job on her first calf. 9J is a capacious bull with that extra length on bodied, and rear muscle expression. Love seeing this bull on the move and comes with a wide solid hoof. 9J is in the Top 5% of the breed for WW & YW. Recommended for heifers or cows.

23J is a deep sided soggy, big boned cow bull out of Musgrave 316 Stunner. Look to 23J to sire those deep bodied soggy made calves that gain like crazy, that have some added frame to them. Is 4C is a Tibbie cow that consistent brings home a big calf every year. Maternal brother sold to Laura Tolton. Top 10% of the breed for WW & YW. Recommended for cows.

HOMO POLLED | HOMO BLACK | CARRIER

This stocky boy packs a punch with true style and flair! A very structurally correct bull calf jointly owned by Skye Line and Wilcox Livestock. Impressive stance and smooth sided like his dam Matters Enchanted Eva 4E (out of Codiak Layne GNK 56A x White Lilac Matters 12A) – a great milky line with amazing size. The sire US Hillbilly is out of Codiak SHZ My Sister GNK 69B going back to River Hill Crusader 025C on the top to round off this fantastic bull calf – a sure fire leader in the herd.

HOMO POLLED | HOMO BLACK | NON-CARRIER

A well set, thick bull calf with muscle, a great back end out of the great Calico Creek Butane line. Out of the coupling of Belmoral's Freddie 38G – (Calico Creek Butane son) by the Lloydminster Ag Ex Intermediate Heifer class winner 2020 – Wilcox Cinder 65H, a Flying E Digger daughter. His strong genetics on both top and bottom also include the Foundation Stock prolific cow Petula of Par 61P, Belmoral's Lady 007Y out of the Star Bank Nannar, Flying E Abner 4A and the famous Legacy Mary 10M. A great combination in one package to bring some outcross genetics to your herd.

**HETERO POLLED | HOMO BLACK | NON-CARRIER**

A difficult decision to let this beautiful coloured heifer leave. She is the spitting image of her dam Calico Creek Hershey 7H, a direct Flying E Abner daughter, who we bought a few years back as the high selling heifer of Prairie Gateway Sale 2020. She is an absolute sweetheart. Easy calving, lovely temperament and thick framed. Hershey's Kiss is definitely a mirror reflection of her standout dam and with Calico Creek's prolific FS Petula of Par 61P on both top and bottom – she should go far with such proven productive female heritage.

**HETERO POLLED | HOMO BLACK | NON-CARRIER**

Our first Belmoral's Diablo 1H heifer calf and truly feminine in nature. A rare cross out of a Flying E Dante Jenny daughter she has a proven maternal line behind her. Her great grandmother Belmoral's Jenny 03A is our herd matriarch and still producing amazing progeny. A simply delightful heifer with grace and fine breeding.

# notes

**TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**BIDDING:**

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**ANNOUNCEMENTS:**

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**BREEDER'S GUARANTEE:**

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**EXCEPTION GUARANTEE:**

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by their breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**RIGHTS AND OBLIGATIONS:**

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**PHONE, MAIL, WIRE BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**DELIVERY:**

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

**INSURANCE:**

Will be available sale day. We strongly recommend that insurance is purchased for full value.

**ERRORS:**

All announcements at sale time, written or oral, supercede any written material in the catalogue.
