2

ANNUAL
BULL SALE

MARCH 28, 2019 | 1:00 P.M. | KILLARNEY, MB

Welcome to the Sale!

Jeff & Jackie Cavers

Box 237, La Riviere, MB R0G 1A0
P: 204-242-3467 | C: 204-242-4448
c2charolais@inethome.ca

Welcome to the first annual C2 Charolais Bull Sale. After replaying and planning this day in my head for years, our first bull sale is finally here. We are thrilled to offer you this impressive group of yearling bulls. Char cross calves have never been more in demand and more needed by the cattle industry. Charolais are the true leaders, allowing all facets to be profitable; cow/calf, feedlot and the packer. I loved the phrase “charnomics”, when I first heard it at a T Bar sale many years ago. It just makes sense. Charolais are the only breed of cattle that will make you more money without changing anything else in your program. Nothing else in agriculture can do that! With trends moving to later calving to lessen the work load, the Charolais advantage is needed to keep feeding profitable and carcass sizes adequate. After all, we are all in the business of producing beef. Charolais are poised to be at the forefront of every profitable operation.

Our bulls are developed gently on a corn silage based TMR. We feed them for optimum performance, not maximum gain. We believe that we are developing and training athletes for you. The goal is for you to own your new bull longer than we did.

Our program is accurate and transparent.

Our handshake is our guarantee.

The bulls are available for viewing at the farm anytime leading up to the sale. We would love to show you our program, the farm and discuss your needs. Don't hesitate to call at any time with questions. We look forward to visiting with old and new friends on March 28 in Killarney. See you there.

-Jeff & Jackie Cavers and Family

“The dream is free, but the work and the hustle is due every day, because success is never owned, only rented.” - G. Harvey

ANNUAL BULL SALE

March 28, 2019 | Killarney, MB

From the Desk at T Bar...

Welcome to the C2 Bull sale, March 28th at the Killarney Auction Mart, Killarney, Manitoba. This annual event offers 40 Charolais yearling bulls presented by Jeff and Jackie Cavers, leading breeders in the Charolais industry.

This powerful set of bulls are polled, rugged and are sired by many of the leading sires in the industry. For those who require more color in their calves, several bulls carry the red factor. Thick, deep bodied with lots of hair and testicle, this excellent selection of bulls will add value to your next calf crop. Plan to be there and reap the rewards of these Charolais bulls!

The Charolais influence at the market place is very dominant...more pounds of calf at weaning that will be features in any auction market across the nation. Simply put, more pounds, a premium sale day and "more cash in your jeans!" Those who choose to keep F1 replacements will find that they turn into deep bodied, broody females that will work with all types of sires. There is a bonus raising Charolais, it's the salvage value when they go to town, as they will weigh over 30% more than other breed counterparts.

If we at T Bar C may be of assistance, prior to or sale day, please contact any of the T Bar team and we will be pleased to assist you with your selections in a professional manner.

- Chris Poley

C2 Fabio 22F is the bull we have all been waiting for. Finally a performance meat machine, stout and powerful from every angle. Sired by none other than JMB Fisher 604D; the 2017 National Champion, Agribition Champion and Champion of the World! Fabio's dam is a maternal sibling to C2 Checkstop, who did a terrific job in the heifer pen at CK Sparrow Farms. Fabio checks a lot of boxes that we are all searching for in a herd bull, a bull worthy of breeding to our best cows. Fabio is destined to leave his mark on the breed.

Typical Ledger son, soft made and free moving. I would recommend him for heifers.

"Our start in the Charolais business came with the lease of a dozen cows from my uncle and aunt, Lloyd and Lorraine Cavers at Neepawa. Lloyd is my ultimate mentor and quite frankly my idol. We strive to conduct our business in the same way that Cavers Charolais and Riley's Red Angus was known for; being honest, hardworking and putting quality before quantity. Our word and our handshake mean everything to us. Integrity is doing the right thing even when no one is looking."

This bull's mother is one of my favorite up and coming females here at C2. The Kenzie cow family has done extremely well for us. I would recommend him for heifers.

"Here at C2 Charolais, we run our cowherd the same as most commercial cattlemen, with profit being at the forefront. We graze our cows as long as possible, running an intensive grazing system through the growing season. With land prices skyrocketing, this system has allowed us to increase our stocking rate. Now, on 100 acres we run 50 pairs compared to 25 pairs in the past with continuous grazing. While this method does lend itself to a bit of a sacrifice of individual weaning weight, we are weaning more pounds per acre than ever before. The land has benefited greatly, seeing a reemergence of alfalfa and limiting weeds."

A red performance bull with a little more frame.

"Jackie is on the board for the Manitoba Youth Beef Round Up. This multi-breed conference is held every year on August long weekend in Neepawa and is open to all youth. We've maintained that to be a true cattleman or cattlegirl, one should understand and appreciate what the other breeds are doing and bringing to the beef industry. We are ALL in this to raise beef for the consumer."

JCAV 62F

Homo Polled

Wow! Herd Bull Deluxe! C2 Fabien has it all. The way his head and neck flow so attractively, chiseling out his gorgeous front end. His spring of rib and big ol' hip wrap up the total package. This has been Jackie's favorite all along. He is sure to mature into the spitting image of his father, HTA 535C.

Here is a prime example of the great birth weight debate. This bull has frame and length and also had that as a calf. He was born unassisted out of a mature 1700 lb. cow. Birth weight is a unit of measure, I maintain we should also have a unit of length then. Would you rather have an 80 lb. brick or 100 lb. rope?

The youngest Fisher calf on offer. His mother is a 71L daughter.

"Creep feeding is a challenge for us. While we see the benefits, it just doesn't fit for us with the cattle moving all the time from paddock to paddock throughout the summer. Once we get closer to weaning, we introduce supplemental creep feed about 10 days to two weeks as an aid in the weaning process. Our cattle are selected for natural growth, not manufactured numbers. Our methods translate to real numbers for the commercial producer when adding our genetics to your herd."

This is the natural full brother to Fisher. Huge top and big hip. Heaviest bull in the pen. Performance pays!

"When we purchased JMB Fisher 604D, in the fall of 2016, never could we have anticipated the friendship that emerged with Bert and Judy McDonald. What a crazy ride this Fisher bull took us all on! It's impressive to see the level of knowledge, interest and pride they have in the product they sell. Everyone knows that JMB cattle compete well in the show ring, but equally impressive is the results in the commercial sale ring. Last fall, we purchased the JMB bull calf crop in order to provide more numbers for this sale. What a tremendous set of bulls! All of these bulls have been fed here since weaning and are owned by C2."

Another full brother to Fisher. Big, commercial, recip cows have a lot of influence on birth weight. Buy with confidence.

"C2 Charolais is a proud supporter and strong believers in our youth programs! Our oldest son Keegan, serves as vice president on the CCYA and Jackie is a parent advisor. Keegan took on a huge roll this past year in being a major planner in the CCYA 2018 Conference which was held in Brandon. Keegan received the leadership scholarship as well as an educational award from the CCA. Fischer holds the vice president seat in our local 4-H club and has a natural comfort in the show ring. Lukas, our youngest son, has temporarily taken a liking to Shorthorns, this makes for great banter at the supper table."

Long, powerful, big framed bull that will put pounds on your calves and money in your pocket.

"In the fall of 2017, we purchased a group of Black Angus cross Simmental commercial heifer calves. The purpose of this is to rebuild our commercial herd, and show the benefits of our Charolais bulls first hand. We turned out two Charolais bulls and one Black Angus bull and left the rest up to mother nature. This will be an ongoing project and we will be tracking results right through from calving to slaughter. Charolais bulls on black cows has become an obsession for me. I believe there is a beneficial partnership with this combination of breeding."

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Charolais Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
