**W**elcome to the HBH Angus Farms Cattleman's Connection Bull Sale for 2019. There is a fresh new look to the staff at HBH but still the same great bulls as in the past. When I first walked through the herd, I wasn't sure what to expect but it didn't take long to see the quality, docile, awesome cow herd that has been built there. There has been a lot of thought and knowledge put into building this great cow herd. First glance into the bull pen was "WOW." What a great set of Angus bulls. Each trip through there, there are more and more that get added to the favourite list! HF Hot Lotto 54D is an impressive sire himself and when you look at the group of his sons and a few special heifers we have selected, I think you will be impressed. HF Stature 87D is another sire that sticks out to me. It is really amazing how he can sire low birth calves that wean at the top of the herd, time and time again. I hope you can join us March 1<sup>st</sup> at Heartland Brandon for some lunch and a chance to view some great herd bull prospects and some elite heifer calves. If not, don't hesitate to give us a call and we can help you with your purchase.

## FROM THE DESK AT T BAR...

**W**elcome to the annual HBH Cattleman's Connection bull sale! We are extremely excited to work with Dickson, Brock and their capable crew in conducting their production sale in Brandon.

**CHRIS POLEY**

**SHANE MICHELSON**

**BEN WRIGHT**

This year's offering is tremendously stacked, with new popular sire groups that are correct in conformation, style, valuable EPD evaluations and pedigrees that are at the cutting edge of today's Angus industry. Leading the charge in sire groups is the outstanding Hot Lotto. A past high seller from the Hamilton Farms program, he has stamped his progeny with hair, substance and soundness in a attractive package. Also featured are the Stature sons that are the front of the pen, excelling in low birth to massive yearling spreads. Also, many numerous sons are on offer from foundation AI sires as well as the exclusive herdbull battery here at HBH. The over 80 bulls on offer are in great shape, bred for predictably, hairy, sound and built for the commercial producer. With this sale being one of the largest offerings of Black Angus bulls in one location in the province, you will notice the many heifer bull candidates throughout the catalogue, as well as cow bulls that are the scale crushing kind. One of the strong attributes of HBH is their very uniform and impressive cowherd. I've had numerous opportunities to witness this cowherd in the flesh, while grazing in their natural condition. So rest assured, any bull(s) you purchase from HBH are backed by a superior mother cow.

New this year are the 15 open females on offer from the heart of the herd. HBH annually is noticed for leading the way at the prestigious Keystone Classic sale every December, with their front end bred heifers. This is the first opportunity to dig into the heifers in the spring with these fabulous girls. Again led off by a very special female sired by Hot Lotto himself.

In concluding, please make all efforts to attend this sale in downtown Brandon to witness this impressive set of Angus seedstock. All of us at T Bar C are knowledgeable on the HBH program, so please don't hesitate to call with any questions or use of our order buying services.

*Thank you,*

**BEN WRIGHT**

# TERMS & CONDITIONS

## TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## BIDDING:

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

## ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

## CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## HEALTH:

All animals in the sale have met all necessary health requirements.

## GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## INSURANCE:

We strongly recommend that insurance is purchased for full value.

## ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

## U.S. BUYERS:

We will announce the exchange rate on sale day and all veterinary export costs will be covered by HBH Angus Farms.

## SEMEN

We retain the right to draw in-herd use semen on any bull in the sale at the new buyer's convenience and our expense.

## TRUCKING:

HBH Angus Farms will deliver bulls free of charge within 750 miles of Brandon, MB.

## SIGHT UNSEEN PURCHASE PLAN:

If you are unable to attend sale day, you may call or send bids to the consignors or any member of the sales management team. Those who are interested in this plan are urged to contact anyone of the consignors to discuss your bull requirements and determine a budget. Every effort will be made to buy you the right bull or bulls, at the right price to make you a repeat customer. If for any reason you are not satisfied with any of the cattle you purchased on order, you are under no obligation to accept them.

## WINTERING POLICY:

Wintering of bulls is free until April 15, 2019. We ask purchasers to state their intentions for wintering at the time of settlement. We strongly encourage you to insure your bulls under this policy.

## CATTLEMAN'S CONNECTION BULL WARRANTY:

Cattleman's Connection guarantees to sell you a bull that is structurally sound, a bull that has passed a semen test and a breeding soundness evaluation by a licensed veterinarian. Should any bull fail to be a satisfactory breeder - unable to physically service a cow or heifer - he will be replaced with a bull of equal value. Should this not be possible, an adjustment will be made to reflect the value of the bull in question, or a credit will be given towards the purchase of another bull.

## IN SHORT, WE GUARANTEE TO PROVIDE YOU WITH A SOUND, BREEDING BULL.

We, however, will not provide replacement or adjustment for physical injury or mismanagement. Bearing this in mind, we stress the importance of insurance on your bull. At no time shall the seller's liability exceed the purchase price of the bull. Should you have a problem with your bull, call us right away. We will work with you to make sure you are satisfied with your Cattleman's Connection bull.

**HBH Angus Farms uses Canadian Angus  
Performance Program whole herd reporting.**
