Driving directions from Vermilion:

Travel 14 miles south of Vermilion on highway 41.
Turn east on highway 619 and travel for approximately 4 miles.
Turn north on range road 62 for 1/2 a mile.
The farm is the first set of buildings on the west side of the road.

The Bulls are available for viewing anytime. Coffee is always on.

VOLUME DISCOUNT

- Receive a 5% discount with the purchase of 3 or more bulls.
- New this year - receive a 8% discount with the purchase of 10 or more bulls.

CALVING EASE RATING

Our heifer bull program consists of breeding low birth weight, smaller framed cows to easy-calving bulls. This gives us more consistency on both sides of the pedigree.

- ★ Recommended for cows
- ★★ Recommended for cows and larger framed heifers
- ★★★ Recommended for heifers

WELCOME FROM **EVERBLACK ANGUS**

Jordan, Kristen & Sullivan; Ernest & Judy; Laramy & Eric; Ryan, Amanda & Hayes.

Kristen, Sullivan & Jordan.

Amanda, Ryan & Hayes.

We would like to welcome you to the 27th Annual Everblack Angus Bull and Female Sale. Transitioning the sale to the farm last spring went very well, and we look forward to hosting you all there again this year.

Although 2018 was not an ideal year for most, we all seem to persevere and find a way to move on to the next one. That is what makes being part of the agriculture industry so great; the people involved in it.

We at Everblack are very thankful to be raising our children on the farm with the opportunity for them to learn from their grandparents and family on a daily basis. Being part of a multi-generational farm family has been very rewarding for us. We also truly value being able to work alongside our peers and their families in the cattle industry. It is a great community.

Now a bit about the cattle....

We calve a few cows January to March so that we can select a few yearling bulls for our sale. This enables us to market some replacement females into early calving operations as well. The rest of the herd calves mid-April to mid-June, back in the hills with very little supervision. January to March calves are weaned at the end of September. The April and younger calves are weaned at the end of November. Weaning weights are actual, not

adjusted. No yearling bulls are sold privately which gives us a nice selection of two-year olds that are not picked over. Our focus truly is the two-year-old bull; they are mature, can cover more cows, and there is almost no guesswork in visualizing what the end product will look like.

Our bulls to use on heifers are the result of mating calving ease bulls to low birth weight cows. This gives us calving ease consistency on both sides of the pedigree.

Again this year we are bringing you a good selection of bulls. Stout, rugged bulls for your cowherd. Easy-calving bulls for your heifers. All are sound, semen tested, and 100% guaranteed!

What we pride ourselves on most is our customer service. The youngest shareholder in our operation is three years old, so what I'm saying is we plan to be around a long time! Last year 80% of our offering was sold to repeat customers and we believe this speaks in itself. If you have an issue, please let us know.

Thank you very much for supporting us to this point and we hope to see you March 25 at the Everblack Ranch south of Vermilion!

The Gibson Family

FROM THE DESK AT **T BAR C**

Chris Poley

Shane Michelson

Ben Wright

Welcome to the 27th Annual Everblack Bull and Female Sale, March 25th at the ranch south of Vermilion, Alberta. The Pioneer, Gibson family and the Everblack program are steeped in history of having produced high quality seed stock for the livestock industry.

Ernie Gibson and the boys are real cowboys who use "cowboy logic" to move their program forward. Customer service ranks high on the breeding scale. The Everblack program (through the last decade) has bred and produced bulls for ranchers who require low birth weight, calving ease sires without giving up performance. The bulls are selected from a large cow herd that is broody, predictable and highly productive. Each year a new sire or two is introduced into the program to give their many repeat customers fresh genetics to select from. As many of the bulls selling are destined to produce steer calves each year, you will want to keep all the daughters as replacements in your herd.

The offering is headlined by eighty, two-year-old bulls... rugged, with lots of hair and testicle, these bulls will cover more ground and more cows... it is difficult to find a set of twos like these! The yearling bulls come out of the early calving cows... many are sired by the newest herd bull ... exciting, added value prospects! The heifers are paternal sisters to the bulls selling and selected from the many great cow families at Everblack and destined for your front pasture!

T Bar C Cattle Co. Ltd.

PO Box 2330, Warman, SK S0K 4S0

Office: 306-933-4200

Fax: 306-934-0744

info@tbarc.com www.tbarc.com

Feel free to see the bulls anytime prior the sale. Come early sale day, view the bulls and make your selections, as the sale is by video. The hospitality is always great at the Gibson's so make sure you partake in the post sale complimentary steak fry. If you have questions or would like suggestions on the bulls that will work in your individual program, give Ernie or the boys a call and they will give you a straight answer.

If we at T Bar C may be of assistance, prior to or sale day, please contact any of the T Bar team and we will be pleased to offer our professional services.

Chris Poley

EVERBLACK ANGUS **WORK ETHIC**

Yep, our cows work hard for a living.

They are a swath grazing, corn stalk chewing, snow licking set of mamas.

Come spring, our mid April to mid June calvers are gettin'er done out in the pasture with very little supervision. Funny how important good udders, easy fleshing, and mothering ability are with this type of program.

No bulls from Everblack Angus are sold prior to this sale, so don't miss your opportunity to own a ranch bull(s) from the top of the Everblack herd.

THE EVERBLACK CREW

The Crew

Thank you for the help and all of the laughs.

From left to right: Sammy Hoffman, silage trucking extraordinaire;
Devin Lawrence, full-time ranch hand; Grant Roberts, part-time ranch hand;
Lawrence Parchewsky, combine pilot; Charles Dunk, our right hand man.

Charles

Charles Dunk, our right hand man, has been with us coming on 6 years now. Chucky knows the ins and outs of the farm and we are sure lucky to have him.

WEANING & WEIGHTS

February - March calves weaned mid October.

April - June calves weaned late November.

Weaning Weights are actual weights.

- **Scrotal measurements and actual bull weights available sale day.**
- **All bulls are semen tested.**
- **All heifers palpated for reproductive soundness.**
- **\$100 rebate on each bull purchase picked up sale day.**
- **Volume Discount – Receive a 5% discount with the purchase of 3 or more bulls.**
- **New this year – Receive a 8% discount with the purchase of 10 or more bulls.**

Your animal may remain at the farm if it is inconvenient for you to take possession on sale day.

Delivery can be arranged at a later date.

PLEASE NOTE, the animal becomes the responsibility of the purchaser after it is sold. Insurance will be available on sale day.

Well-made, well-balanced Money Made calf with a light birth weight. Money Made was the \$43,000 addition to our herd battery in 2017. We liked his calving ease bloodlines plus his added performance. So far so good. 11F is out of an EXT daughter that Jord bought at Agribition. EXT is known as one of the greatest female producing sires in Angus history. A nice pedigree; a nice calf. Custom made for heifers.

The top-selling bull at Peak Dot in the spring of 2015 for \$55,000. You might say we really liked him. His calves have moderate birth weights with exceptional ease of fleshing and explosive early growth. As they say, you cannot truly realize the worth of a bull until you calve his daughters; well, he was worth it. The first daughters calved out are moderate-framed, easy-keeping, and have impeccable udders. He continues to breed 70+ cows naturally each year.

The top-selling black bull at U2 the day we bought him. We liked him for his performance, but what we really liked was his mother. Everblack Rosebud 80Y comes from a family of heavy-milking, nice-uddered females going back to the Masterplan bull. She has been designated as an Elite dam in the Angus association and has also entered U2's transplant program. He sires powerful, wide-topped, big-ribbed cattle, with good feet and a nice hair coat. His daughters will be an integral part of our program in the years to come.

Money Made was the top selling bull at Bar-H in the spring of 2017 for \$43,000. We purchased him to start a new easy-calving bloodline. He has done just that. He sired 46 calves as a yearling with males averaging 79 pounds, and females 76 pounds. The calves grow fast and wean off heavy. Money Made has an impressive spread of -1.2 birth to +98 weaning.

The Pacesetter bull just won't go away (and that's a good thing). He bred 35 cows this past summer at eight years of age and we plan to use him as a nine year old as well. He sires functional cattle that are structurally correct, easy-keeping, moderate in frame and light at birth. We use him on cows and heifers alike. The best part about Pacesetter are his daughters; they are easy to keep, easy to look at and have exceptional udder quality. We have many in our herd.

Windy was a top-selling, heifer calving specialist selling through our 2016 bull sale just down the road to Westman Farms. This was fortunate for us as they were kind enough to lease him back for a couple breeding seasons so we could carry on the Windy line that we have had so much success with. He has some low birth sons in the two year old section. Owned by Westman Farms.

Gameday is a light birth bull that sold through our 2016 bull sale to Jon and Brian Klutz at JK Bar Cattle Co. north of Vermilion. They were kind enough to lease him back to us for a breeding season, allowing us to carry on the easy-calving lineage of the Gameday line. He has some easy-calvers in the two-year-old section. Owned by JK Bar Cattle Co.

IN MEMORY

Murray Westman

Establishing a farm or ranch 'back in the day' in rural Alberta with town some twenty miles away by automobile, or a day's jaunt by horse and wagon, one's nearest neighbours often became the closest of allies and, hopefully, friends. With a relationship that began by Frank and Margaret Gibson travelling back and forth a half mile to share equipment, labour, food, and fellowship with Dorothy and Wally Westman, the birth of seven children combined set in motion a series of generational friendships that exist to this day. Through the many activities of childhood, schooling, extracurricular endeavours, working on and off the farm, and eventually succession in running the family businesses, half a mile meant walking or riding distance for the three Westman and four Gibson kids and their parents, or a quick trip to the other's shop to see if a part could be borrowed before even considering a trek to town. And we're sure that Ernest found in Doug and Murray, an eager pair of young neighbour fellows to set out with when, perhaps, the excitement of having three sisters perplexed him. After more than seventy years, Gibsons and Westmans are still travelling that half mile or two.

Unfortunately, with the blessing of strong, lifelong friendships, heartache is bound to have its day. Our Preston community was undeniably changed in the spring of 2018 with the premature passing of Murray Westman. We still find it surreal that Murray isn't just over the hill, at the shop for coffee, or helping us combine our last field because the weather is changing and they are already done. Christmas Day supper at Auntie Jan's isn't the same without us capturing a photo of Murray napping in his paper cracker crown. Brandings, the Vermilion Fair, Farm Curl, weddings, community dances, 4-H, cattle sales, a simple smile and wave when passing on our country road – the list of activities shared, and memories made, is endless. We are grateful for the time that we had together, but we sure do miss you, Murray.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

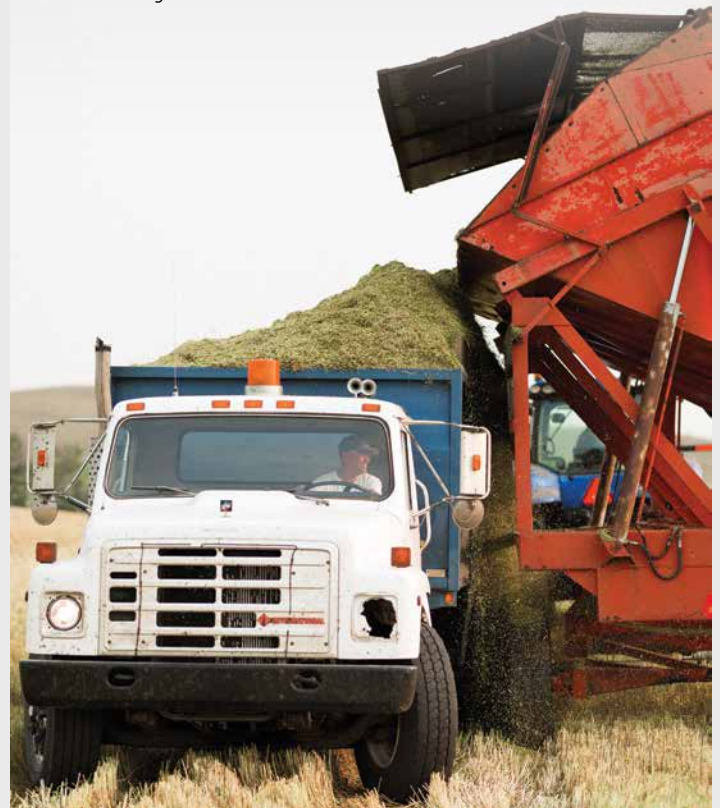

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

BULL WARRANTY

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.
