Welcome...

Welcome to the 2019 edition of the JP Cattle Co. and Guest Bull and Female Sale. It seems like only yesterday, that we were preparing for last year's sale. We were very honored, as well as humbled, by the large crowd who took the time to come and attend our first annual sale at our farm. From buyers to bidders, fellow cattlemen and women, friends, neighbours and guests, we thank you all for attending our sale and for helping make it the success that it was. Thanks also to the crew at T Bar C for helping us along the way, no question or concern went without an answer. Job well done! Thanks again.

This year we feel we have a very strong group of bulls on offer for past and present customers, as well as the new people we have met along the way, to come and view on sale day. As always, we continue to strive to source some of the best genetics available to us; to improve our cow herd, produce bulls that will go out and breed well and maintain their condition for our customers. We feed them a balanced TMR ration so they will grow at a steady pace, put a good foot under them, and have lots of testicle and thickness to produce growthy, easy fleshing cattle that the feedlots will fight over.

We have a good selection of Red and Black Simmental, Black Angus and Crossbred Bulls that hopefully, you can find what you need to fulfill your breeding requirements at one stop.

Once again, we have the pleasure of having our friends from Stewart Cattle Company join us on February 28th with their strong set of bulls to sell alongside ours.

Please come join us on sale day for a visit or do some bull shopping, if you may. Don't hesitate to call ahead of time or stop by and take a look at what we have on offer.

Sincerely,

The Crew at JP Cattle Co.

Welcome...

Welcome to our annual bull sale.

It is again a pleasure to be working with the Lowes family and the staff at JP Cattle Co.

2018 was a year of challenges, with the weather changing from one extreme to another. Some areas so dry and short of feed, and other regions the exact opposite, wet, with the quality of feed being a challenge. Always, the independent farmer/rancher seems to find ways to deal with it, being the weather, politics or the market.

The bulls have been on a screening pellet ration with round bale hay. As previous years, the bulls from birth, begin our whole herd health vaccination protocol.

We hope you can join us on sale day at Lowes sale facility on the farm at McAuley. I would be happy to talk over these bulls with you anytime, please call me at 204-773-6392. Our sight unseen program has worked successfully over the past ten years, so if you cannot make the sale, please contact me, to look after your interests.

See you on sale day, February 28, 2019.

Sincerely,

Stewart Cattle Co.
Brent Stewart

JP CATTLE CO. & GUEST STEWART CATTLE CO.

Annual Simmental & Angus Bull Sale

February 28, 2019 • 1 PM
McAuley, Manitoba

AUCTIONEER:

Chris Poley, T Bar C Cattle Co. Ltd. 306-220-5006

RINGSIDE:

Shane Michelson, T Bar C Cattle Co. Ltd. 403-363-9973

Ben Wright, T Bar C Cattle Co. Ltd. 519-374-3335

Chad Wilson, T Bar C Cattle Co. Ltd. 306-577-1256

SALE DAY PHONES:

Glenn Lowes 204-851-5669

Barry Lowes 204-851-0342

Brent Stewart 204-773-6392

Brooke Canart 204-851-2531

Eric Pateman 306-434-8567

SALE CONSULTANT:

Bill McConnell 204-796-0789

SIGHT UNSEEN PURCHASE PROGRAM:

All sight unseen purchases are fully guaranteed.

SEMEN:

We reserve the right to draw semen on any of the sale bulls for "in herd use" at the buyer's convenience and the seller's expense.

INSURANCE AGENT:

Alameda Agencies: Bonnie Thompson 306-483-7311

365 day weights will be available sale day.

GUARANTEE: All sale bulls are fully guaranteed as breeding bulls. We will be keeping back a few bulls as replacements, if one may be required.

HEALTH: All cattle are on a full PFizer Health Protocol. Rebecca Gervin from ValleyFlats Vet Service has done all semen test, scrotal measurement and preg-checking. Bulls were treated with ivomec at weaning, January 4, 2019 and February 15, 2019.

FEED RATION: The bulls have been fed a complete TMR grower ration. 3M Beef Supplies balances this ration for us. We strive to develop these bulls to grow at a steady and reasonable pace after weaning. We want to have bulls ready for our customers, at breeding season, that are in good breeding condition. We strive to raise bulls that can get out, walk, and maintain their body condition. We strongly recommend leaving the bulls at the farm after the sale, where we will keep them on this grower ration, at no cost to the purchaser, until delivery.

We would like to have most of the bulls delivered by the 1st of May, if possible.

VIDEOS AND CATALOGUE AVAILABLE AT

THIS WILL BE A LIVE SALE WHERE YOU WILL BE ABLE TO VIEW THE BULLS LIVE IN THE SALE RING.

JOIN US FOR LUNCH AT 12:00 PM ON SALE DAY.

From The Desk At T Bar...

Welcome to the 2nd annual JP Cattle Co. and Stewart Cattle Co. bull sale. A cross selection of Simmental, Angus and Sim/Angus genetics will be assembled for your appraisal and held in the JP heated sale barn.

The JP program is one that is tried, tested and proven true. They not only search out the very best Simmental and Angus genetics on both sires and females, they add both components; sparing no expense and time searching for only the very best to move their registered seedstock program forward. They also run a very large commercial cow/calf program; testing and observing the very product they produce and provide to you, their customer. It really doesn't matter if Simmental, Angus or Sim/Angus; bulls that are stout, hairy, sound and phenotypically correct are what you will find as you study the sale book. Rest assured, these bulls are fed and managed with longevity and durability in mind.

The Stuart Cattle Co. portion of the offering is again packed with meat and potatoes herd bulls produced from a long standing program known for producing cattle with look, hair, soundness and maternal strength. Brent and his family have been producing registered seedstock for many years and maintain new genetics, coupled with proven females to provide a sound, functional product.

Both programs pride themselves on providing great customer service and complete satisfaction. They are in it for the long haul and realize that the opportunity to continue providing you, their customers, seedstock to move your own programs forward, relies on producing a quality product coupled with quality service to back it up. Working with both these programs, I can assure the most astute cattleman complete satisfaction.

We at T Bar C are very familiar with program and cattle on offer. We hope to see you sale day but if you are unable to attend, we can assist with any recommendations or absentee buying requirements you may have, with the utmost professionalism you would expect.

See you in McAuley,
Shane Michelson

Your Sale Management Team

**BLACKSAND LINETTE 834U**

BlackSand Linette 834U

This year we have seven outstanding half brothers of 834U on offer. We purchased 834U as the very sought after, lead-off cow to sell at the historical BlackSand Sale in 2014. She surely hasn't disappointed us in any way. Perfect udder, perfect feet, docile and without a doubt the biggest barrel of any cow on our farm. She is a perfect mating for any bull in our bull battery. With Line Drive, 104S and the foundation Rose cow in both the BlackSand and SpringCreek herds, the pedigree speaks for itself. She is still a very good producer-her last two flushes before Christmas produced a combined 29 embryos! We all know, for an outstanding herd bull, you want to back him with a strong cow on the bottom side. Take a close look at these bulls off 834U.

Three Full Brothers

Three full brothers off the 2016 Agribition Champion Wheatland Royal Flush 435B. Lots of thickness, easy fleshing, good feet, loads of hair and eye appeal on these young herd bull prospects. Take a close look at these full brothers.

- Long bodied, square made
- Extra hairy
- Big testicles

WHEATLAND ROYAL FLUSH 435

We flushed 834U to Wheatland Kill Switch 598C, the \$210,000 high seller at our good friends-Wheatland Cattle Co, 2016 Bull Sale, who we purchased a semen pack on. We chose this mating to produce some black Kill Switches, as 834U is Homo Black. The consistency and quality that we have produced from this mating will reap rewards for years to come, here at JP Cattle. We have several top quality heifers in the keeper pen, along with these four outstanding herd bull prospects. Guts, nuts, plenty of thickness, good feet, lots of hair and eye appeal; 834U hasn't missed for us yet, top quality bulls here. We picked two of these full brothers 54F and 28F to go to Agribition for our Pen of 3 display, where they garnered plenty of attention.

• Very structurally correct • Lots of hair and eye appeal • Wide top, big middled

Homo Polled. We have admired Controller since the day he was born; he was without a doubt the thickest bull going out to pasture and continues to be a front runner. There are many words to describe him but the ones that come to mind the most are thick, good footed, huge barrelled and great temperament. Here is one that you can't miss.

Retaining in-herd semen.

We shared a flush with Stewart Cattle Co., where they supplied the semen and we supplied the cow. With the sheer mass and capacity that 834U possesses, we felt this would be a very interesting mating. We ended up with two nice heifers in the keeper pen and this fancy Profit bull calf.

• Sound • Big testicles • Profiles really well

157F

SPRINGCREEK JAYCEE 53W

Springcreek Jaycee 53W

We purchased Jaycee 53W out of the 2015 SpringCreek production sale as the high selling red cow. She is a long, deep bodied, good footed, attractive cow with a perfect udder. We mated her to Kill Switch to get the numbers and quality up for our customers looking for red bulls. She sure didn't disappoint us, producing these three outstanding full brothers for your appraisal.

- Very structurally correct
- Lots of hair and eye appeal
- Moderate birth weight

KOP Ms Northern 84U

Ms Northern 84U is a Fullblood cow we purchased from Kopp Farms with no papers. After her progeny began to arrive, we realized how special they were and managed to talk Edmond into transferring the papers to us. Since then, we have flushed her extensively with great success. She has sons working at Drake Valleyview Farms and North Rock Cattle Co. If you are looking for a bull that will add some white faces and that will push the scale down in the fall, take a close look at these three full brothers.

• Moderate birth weights • Lots of thickness and length of spine • Add a little Chrome

LFE BS Sheila 82A

A rare opportunity. In 2015, LFE Sheila 82A was named Grand Champion Simmental Female at Canadian Western Agribition. After the New Year's Eve Frozen Genetics Sale, we were fortunate enough to receive a flush from her, thanks to Scott Bohrsen. Our good fortune continued in 2016, when our bull Royal Flush was named Grand Champion Simmental Bull at Agribition; we had our mating. As luck would have it, this flush yielded 23 Grade A embryos. To date, along with these two attractive future herd bulls, we have six top quality heifers in our keeper pen and are expecting the remainder of the embryos in this year's calf crop.

- Larger framed, but don't give up structural correctness
- Give you those extra pounds at weaning time
- Great hair coat

JPCC FOXY MORGAN 29B

JPCC Foxy Morgan 29B

Foxy is Brooke and Stacy's donor cow, who has been producing quite well for them. She has risen to the top of the Captain Morgan females around here. A full sister to these two bulls calves sold in the Keystone Connection to Wheatland Cattle Co, for \$8700.

- Sound on the move
- Deep sided, soggy made bulls

Cow bull here. Don't let the birth weight scare you, as we have calved a few hundred Royal Flushes and not sure we have had to assist any of them at birth. This bull is backed by a long standing cow family who has made great impacts here and at SunRise Simmentals. The length of body and capacity of this guy's dam and grand dam would astound you.

Calving ease red bull off the \$50,000 calving ease sire from R Plus Simmentals that we purchased a semen interest in along with Bonchuk Farms and Rocky Meadow Ranch.

Our numbers are down a little bit on our percentage bulls this year, as we did more purebred flushing and the cows we bred for percentage calves unfortunately had more heifers than bulls. That being said, we are still quite happy with the group we have on offer.

This year, we have four bulls off BDS 32C, a bull we selected out of the 2016 Stewart Cattle Co Bull Sale. We have used him a lot in our heifer pen and on younger cows, both in our purebred and commercial herds. Very consistent birth weights here.

We tried to keep our numbers down in the Angus division for our sale this year; in doing so, we have a real strong group of quality Angus bulls on offer. This guy, like the one above him, fits right in; good hair coat, lots of length, with good feet under him.

We purchased the sire of this bull from Wheatland Cattle Co. two years ago. He was one of the most sought after Angus bulls at their sale that day. We only used him with the later first calf heifers the first year. As a result, we only have this one bull on offer in this year's sale. We kept several other younger ones to use in our commercial herd. Very quiet, stylish, eye appealing bull here.

Terms & Conditions

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.

IN-HERD SEMEN...

We reserve the right to collect on any bull sold through the sale. The semen collection will be at the seller's expense and buyer's convenience. Any semen collected will be for in herd use only.
