**LIVESTOCK INSURANCE** Canadian Farm Insurance, Heather Barr 780-853-7067

#### *From the desk at T Bar...*

Welcome to the 2019 Edition of the Prairie Cove Annual Bull and Female Sale, February 21st, at the ranch, Bashaw, Alberta. The Bullick Family are pioneers in the Charolais industry with Tyler being the third generation of breeding superior seedstock.

This year's lineup is larger and deeper than it has ever been, with several breeder quality bulls headlining the event. No doubt the full ET brother to the reigning Canadian National Champion female is a definite favorite but the genetic strength of the program will offer you many options. Many of these young prospects are the result of the Prairie Cove embryo transplant program...some of the top donor females in the nation! Big, rugged, with plenty of testicle and lots of hair, the bulls are diverse genetically and phenotypically. Whether you are looking for power bulls needed in the big pastures or calving ease bulls for those who hate getting up at night, the lineup will suit any program and any budget.

The open heifers are replacement quality, some are sisters to the bulls offered. Although hard to part with, the young females come with the PCC stamp of quality.

Charolais-influence is a common household term used in every sale barn and feedlot throughout the nation. More pounds of calf at weaning and in most cases, market topping results. Using Charolais is a no-brainer but remember, demand supersedes supply when we are talking quality Charolais! Mark February 21st on your calendar...it's worth the day and the trip!

If we at T Bar C may be of any assistance prior to or sale day, feel free to contact any of the T Bar Team for professional and confidential assistance.

*Chris Poley*

# welcome

I started my welcome last year by saying what a year we had at Prairie Cove, but in all honesty the past calendar year has been even better and more exciting.

Justine and I were married this summer and what an event it was. Fun times were had, and we got to see many old friends and family. We couldn't have asked for a better celebration.

Our girls have had such an amazing year showing in Scarlet's words "the ultra famous and ultra glamorous Lady Glitter Sparkles". The girls have grown so much and gained so much confidence. I am so proud of you Indy and Scarlet.

The Charolais breed is in high demand with the Charolais bull being as popular as ever and gaining more traction and market share with every passing day. This years Bull and Select Female offering is as unique and diverse as any line-up you will find. We are loaded with HIGH quality bulls for seed stock producers and commercial producers alike.

We purchased a large stock of M&M Outsider 4003 PLD semen and have many genetic opportunities in the offering sired by this new OUTCROSS bull. As well as sons and daughters that will work well, and are right for the times.

As always every animal selling is 100% guaranteed by Prairie Cove. If you have any issues call myself and I will do my best to rectify the situation and get your cows bred.

I would be remiss if i didn't thank my clipping crew. This year Justine and Jamie broke out the old shears from the blue bronco days and clipped heads, while Howie and Kayne helped out huge with clipping bulls, it went slick and easy! Thank you guys all for the help.

I can't tell you how excited I am with the offering we have to share with our Charolais friends and the world. We do our best to track down world class genetics that will add value to any and all programs and be trend setters in the industry. Study the catalogue; if you are into Charolais cattle I know you will find something in the offering that will stimulate your senses and excite your mind.

If we can help in any way don't hesitate to give us a call, or to just talk Charolais!

*Tyler*

### LOT 1 & 2

Madison 85M continues to be magnificent! No better way to start this truly powerful, deep set of PCC Bulls in 2019. Full brothers that are very stout in build, these early maturing brothers have large testicle development as all the Madison offspring do. Stand behind these bulls and tell me a set of steers sired by these bulls wouldn't ring the bell at the market. Mark and Jeremy at Cluny Colony have bought Madison bulls in the past and have done just that! Topped the Strathmore Market with their PCC sired steer calves, what a set they were. The boys do such a great job raising these powerful calves. Congratulations to Cluny, look at these calves pack the ring!

She is everything you seek in a Cornerstone Donor with many outstanding progeny and progeny that go on to build their own legacy. Madison 85M has more than 40 progeny to date registered at the CCA office. She is a no miss production factory. Her sons still prove to be our heavy weights and we still get excited to see our Madison calves hit the ground. There is a reason we track pedigrees and that is to find the great ones within the breed and Madison has proven she stands on the top.

### LOT 3

Turton made a large impact on last years bull sale and will continue to be used at PCC, as he adds hair and soundness, as well as that extra eye appeal we like. These Turtons work! Special bull around PCC, our great friends Derek and Tami and the crew at DanG Charolais own this awesome Turton son with us. They purchased Miss Prairie Cove 504C from us and what a great friendship and partnership we have developed. Miss Prairie Cove 504C has entered into the Donor pen as we flushed her successfully last spring. DanG will have over 10 calves coming this year and are very excited about the future of PCC 504C. Miss Prairie Cove 504C is also a daughter of the great Madison 85M. CUERVO has been a standout Herd Bull prospect all summer long with

many visitors picking him as a favourite. Added length of body always adds more money for your calves as well as that hair coat Cuervo has. Low birth number combined with being in the top 2% of the entire Charolais breed for Milk makes the Turton son a very appealing option as a Herd Sire. PCC DanG CUERVO 820F was also a finalist in the \$50,000 Players club this fall in Edmonton.

Kentucky Rain was crowned JR Bull calf champion at the 2018 National Charolais show in Edmonton.

A unique combination of high profile pedigrees with Turton and Miss Prairie Cove 407B. Miss Prairie Cove 407B is becoming a real star at PCC.

He was the only bull we were lucky enough to get on this flush and a special one he is. Kentucky Rain is exceptional in his structural desirability and correctness, the way he lays his shoulder and upper for arm is impeccable. As well as having his head come out high on the top side of his shoulder as well as being bold and deep in his rib cage design, the maternal look and ability in this young herdsire is unmatched in the Charolais breed. This bull is flawless in his structure and fluid in his movement.

PCC Kentucky Rain 836F was also a finalist in the \$50,000 players club at Farmfair this past fall.

Selling 50% revenue sharing semen interest and 100% possession

PCC HOUSTON 813F is a big time performance Herd Sire and is Homo Polled by pedigree, as Pastor is Homo Polled by pedigree, and Miss Prairie Cove 407B is Homo Polled, so that is a great added wrinkle on Houston. PCC HOUSTON 813F has been one of the highest performing bulls in the entire offering with an 906lbs WW and his sale day weight will be one of the biggest. Massive hair coat; big testicles. PCC 813F is sound as they come on a great set of feet and legs. Miss Prairie Cove 407B had a big year with having so many offspring and she is just getting started! Be sure to check her out sale day as she will be around the sale barn, as she is one of the best Charolais females to ever walk at PCC. If you want performance, curly hair, testicles, feet, Homo Polled, PCC HOUSTON 813F is YOUR BULL!

Miss Prairie Cove 407B daughter, sold to Jaun Carlos Barajas, Mexico for \$21,000

## LOT 6

PCC Rebel 635D was a high seller in last years bull to Nordal and we also used him a bit on our cows with great success. Nights Shade is a popular bull when we have visitors go through the bull pen, he has an attractive look and mature bull head and crest, big testicles and that coveted curly hair. Nights Shades mother is a hard working, heavy milking Pastor daughter. The Pastor bulls have been very well accepted in our past sales with many Pastor sons being used by the Cluny Colony, having Pastor in Nights Shades pedigree is nothing but a positive.

## LOT 7

Tulsa is one of the hairiest bulls we are selling in the entire offering. Lot 7,8,9 bulls mothers are all full sisters, they are HTA Vegas daughters that have size and really good udders with lots of milk and raise big calves year after year. These Vegas daughters have frame and add performance. These bulls all have strong Sept 20th weights as well as yearling weights some of the biggest bulls in the offering, you want to add pounds don't miss these bulls.

### LOT 8

PCC VEGAS KNIGHTS 833F is out of a very consistent producing cow at PCC. Miss Prairie Cove 320A always produces high quality calves year after year. This past fall Legacy Charolais purchased a ROME female out of PCC 320A that was a pen favourite. Miss Prairie Cove 320A is also the mother of PCC INSTIGATOR 514C the sire of lot 10 and 11, check them long bodied bulls out. PCC VEGAS KNIGHTS 833F is a HOMO Polled Herd Sire prospect with a ton of length and possesses robust rib shape and massive muscle through his loin and hip.

### LOT 9

The Cay boys brought out another strong set of bulls for this years sale. Agent is a Firewater son that is out of a past high selling female in the Alberta Select. Miss Prairie Cove 509C is an impressive HTA Vegas female that has a very maternal look with a beautiful udder and such a sound footed cow. You will find many similarities between lot 7,8,9,10,11 they all breed very closely so if you want to add consistency and depth of hip and a smooth look this group of bulls is what you are looking for.

If you are looking for a bull with a little more frame and added performance. Dang Fritz 648F is the bull for you. Large scrotal and big feet on Fritz will allow him to get out and cover some ground, these two bulls sell with the same 100% Prairie Cove guarantee that comes with all of our cattle. If you have any issues we will work to get you another bull to cover your cows or a different solution that works for everyone. The crew at DanG Charolais are great people and we really like working with them. Come to the sale and meet Derek and have a rum with him, he will tell you a story and always have a laugh.

## DANG CHAROLAIS

Derek and Tammi along with Garrett are the driving force at DanG Charolais. They run a purebred and commercial operation at Colburn Ontario. We have become great friends with the Dekeyers as well as partners in cattle. This is the new barn at DanG Chaolais that will be a great addition to a growing operation. We are happy to have a couple of bulls in the sale this year from DanG and look forward to working with them in the future.

Outcross pedigree on a very interesting Herd Bull. PCC WHITE BOY RICK 827F is moderate framed but is thick butted, big topped, large rump anyway you want to explain it, he has a BIG ass!! What also makes PCC 827F so interesting is his 87lbs birth weight, he is finer in his bone design and that is where you can see he started as such a moderate BW as a youngster. That sure didn't slow him down, he has grown out to be a strapping lad. Really neat from his hooks to pins and attractive in his design, he has always been one of Justines favourite bulls. Not a lot of Long Distance was used in Canada so it makes PCC WHITE BOY RICK 827F a much different option for many seed stock producers.

Miss Prairie Cove 911W, Dam of lots 13, 14, 15, 16, 17, 18

### LOT 15

We are very excited to have some of the first M&M Outsider 4003PLD progeny in Canada. Our group of Outsiders are very impressive, a group worth the trip to Bashaw to evaluate. This is an April 5 born bull but he has put it all together, huge hip when you get behind him, mature crest and great head. PCC Outside the Lines 329F has an 82lbs birth weight, along with his strong feet and leg structure makes him a BIG TIME herd sire prospect. Miss Prairie Cove 911W is a moderate framed powerhouse female. Huge middle, body, large hip and high butter fat with a beautiful udder. 911W has many offspring in the bull sale this year and she is also the mother of the great Miss Prairie Cove 309A cow that we own with Cays Cattle. So to say this cow has earned her keep would be an understatement to say the least.

Sired by the Full French Bull DWK TILLIS ECHO 3N, raised by the Wilkies at Big Valley AB. Echo had a strong, powerful look and has left a strong sire group in the Full French herds. PCC EXTINGISHER 812F is an extra big bodied, big hipped bull that will add pounds. Note his 915lbs sept. weight, he is a big chunk. He is out of MXS Beyonce 44X, the pick of Sylvan Martens cow herd and the mother of PCC ROME 437B. If you want a shot of French in your calves, this is the bull for you. He has hair, length, hip, combine that with his reasonable birth weight you won't go wrong using this bull as your next Herdsire.

PCC Rome 437B, maternal sib to Lot 20

Special Sale Feature. PCC ESQUIRE 850F is a MARCH 27, 2018, despite his late birthday Esquire puts it all together. He is stout built, with tremendous hair, style, a great back leg set, combined with an attractive head and neck. PCC ESQUIRE 850F is out of a strong pedigreed, up and coming cow at PCC. Miss Prairie Cove 519C is a Madison 85M daughter and if you follow our program you know Madison is the most famous Donor cow at PCC. The PCC FRESH 527C bull is a Lanza son that has done such a fantastic job for us and is now roaming the pastures at P&H Ranching. This bull is a powerfully constructed creature, that has always had the look of a Herd Bull, make sure you get to Bashaw Feb. 21st to see this bull with your own eyes.

Alizah Fogden, our Australian friend that stayed at PCC throughout the year, thanks for all you help and friendship!

One of the strongest bulls in the offering he boasts a 880lbs Sept 20th weight and has been a heavy weight bull all fall and spring. Open Range's sire PCC Fresh 527C is a Lanza son we sold in 2016 to Rainalta and when Bill sold his cows we went and got him back, because we liked him so much. He has walked with our cows the past few years and this past spring P+H Ranching bought Fresh, they loved his big feet, his moderate frame size and big time thickness. The Fresh offspring has been very impressive as you can see with Open Range and LOT 21 PCC Esquire 850F. Open Range is also out of a big strong Pastor daughter that has more frame size and Open Range was her first calf and what a job she has done on this beef bull.

## LOT 23

Extra age bull that checks all the right boxes. Length from nose to tail, muscle, great hip and hind quarter, sound, walks out on a real solid set of feet and legs. With a few extra months of age on Marco means he will cover more cows. His birth weight is 71lbs and would work well as a calving ease sire, Marcos mother is the Fabulous donor female Meryl 26T she had 2 full brothers in last years sale selling to P+H ranching and Ted Dezuter.

## LOT 24

We love these Turton sons, they have great hair they are ranchers kind of bulls, length in cattle adds weight and these Turtons have that extra length to add pounds that make those calf cheques bigger in the fall. Meryl 26T has proven herself with her sons and daughters being very popular in all settings of the cattle industry. Meryl 26T has the length we are talking about she will continue to be a go to Donor at PCC with more offspring to come that will add value to any program.

## LOT 25

From one of the most consistent, favourite and no miss matings at PCC and Cays Cattle, and happens to be Homo Polled. Miss Prairie Cove 309A x TR MR TURTON 0794ET. Last years sale we had 4 flush brothers to CAYS LUXOR 29F, some of which were sale toppers. CAYS FULL HOUSE 22E sold to Stepler Farms, Andre seen CAYS 29E at Farmfair International and made the comment of how much he reminded him of the bull he bought last year, who also was named JR Bull Calf Champion at Agribition 2017. We are excited to see calves hit the ground in Miami MB! These calves are all so similar in kind, stout, soggy made, beautifully haired, and like all 309A x TURTON they have that show stopper head!

## LOT 26

Structurally correct, fantastic muscle expression, great disposition, and has that hair coat we all love. Not only do we love CAYS CONNECT 31F for the bull power behind him, but we love him for the maternal greatness he carries. His mother Miss Prairie Cove 309A is one of our TOP donors at PCC and Cays Cattle. The first heifers to calve are this year, and are nothing but exceptional. His BW of 85lbs makes him a great bull to turn out with the heifers, and even better when he also carries the Homo Polled gene just like his brother. Definitely a bull you could keep back your heifers and build a herd around!

## CAYS CATTLE

We really think highly of the Cay family and how they operate the family farm and Cays Seed Farm they are hard working and professional people. What you might not know about the Cay family is their passion for Charolais cattle. This is Layne Cay judging at the PA Fair this past summer. If you get a chance at the Bull Sale make sure you look up Layne or Justin, as they are very knowledgeable on their herd and both young men have a real good eye for cattle. Don't let Randy tell you he didn't like showing! We found this old gem of Susan and Randy in an old Charolais Banner. We sure enjoy being partners with the Cays and very much appreciate their passion and desire to raise great Charolais cattle!

Reserve Grand Champion Bull-Cays Mountain Man 16F, Cay

### LOT 28

Extra length from nose to tail makes this bull attractive for any cattlemen. CAYS Moonshine was a moderate framed, stout made Firewater son that was a crowd favourite on the side of his mother all fall long, when the were campaigned to Grand Champion Female at Farmfair and Reserve Champion at Agribition, as well as Top 10 in the RBC Supreme.

## LOT 30

NEW Pedigree, NEW Cow Family! Take a look at this set of bulls. We purchased a bucket of eggs and put them in cows in South Dakota. JM MS Angel Kisses ET is a past JR NATIONAL CHAMPION FEMALE in the USA that has matured into a broody built, long bodied female with an impeccable udder, a new cow for PCC.

LT Landmark 5052 was the High Selling bull at LT Ranch in 2016 at \$125,000.00. PCC MILLER 4097F is such a smooth made bull that combines an 87lbs birth weight with lots of length of body and smooth shoulder that would make him a great option to turn into the heifer pen. As great as his mother is you will want to keep all of his daughters. We think so highly of PCC Miller 4097F that we would like to run this bull with our heifers so we are selling 50% semen Interest and 50% possession on this young Homo polled Herdsire.

### LOT 34 & 35

Well I can say I'm not a fan of twins, but in saying that if they turn out like these two fellas have then I will take it. Both bulls started at 80lbs and they haven't looked back since, they are out of a big bodied, broody Pastor daughter that raised the High Selling heifer calf in the sale last year. If you want consistency in your calves buy both bulls and turn them out, your calves will be peas in a pod. Both bulls have length and smoothness as well as a solid coat of hair that we all look for when buying bulls.

Tim and Wanda visiting Eric Doran's place this summer.  
Eric successfully campaigned Miss Prairie Cove 705E, Congrats!

We used PCC Fresh 527C because of his large feet, moderate calving and beautiful mother. This Lanza son has worked extremely well for us and now resides at P and H Charolais where they love his disposition and super eye appeal. The Fresh daughters are making highly productive females. Add one to your herd.

### LOT 45

This flashy young Fresh Daughter reminds us so much of her Pastor mother that goes back to Madison 85M. We selected Madison 85M as a donor female from the Stauffer dispersal because of her daughters and that her milk EPD is in the top 1% of the breed. Add style, milk and pedigree.

### LOT 46

This low birthweight Bottoms Up daughter is everything we were expecting when we chose Bottoms Up to use on our first calf heifers. This deep bodied ultra smooth female could be the dam of your next low birthweight herdbull and be very competitive in the show ring.

### LOT 47

When we purchased the pick of the Circle Cee bred heifers they were gracious enough to let us pick after the females were calved out. We knew we had a great one when we selected 512C and her Legend bull calf that sold in our last year sale as a sale topper to Spruceview and Cole Parsons. 512C has done it again with this fancy young female that we think will be as good as her mother.

Outsider has taken the Charolais breed by storm.

Outsider sired the Grand champion Bull and Grand Champion Female and Reserve Champion Female at the National Western Stock Show in Denver in 2018. Outsider has sold more than \$250 000 in semen in the USA in the last 2 years with semen selling for as much as \$800/straw and averaging \$400/straw. Outsiders mother M & M Carbine is considered one of the best cows in the entire Charolais breed. Outsider is a complete Outcross to Canada.

PZC Lily 5013 ET - 2017 RBC Beef Supreme Champion Female, 2017 Farmfair International Supreme Champion female

The most dominant Charolais show female in recent memory, unprecedentedly winning the two biggest and most prestigious shows in our business, back to back. with one of the deepest groups of females ever assembled, Lily prevailed on top not once but twice. Lily has been at Bow Valley Genetics being IVF flushed. So we decided to offer our most unique and high caliber genetics off our Supreme Champion Female and the hottest bull in the Business M&M Outsider 4003.

What a unique opportunity to get some of the most sought after genetics in the entire Charolais breed.

We will be guaranteeing 2 pregnancies on these 5 eggs.

*Guaranteed 1 pregnancy if implanted by a certified technician.*

Miss Prairie Cove 314A, one of the most beautiful donor females at PCC. She is phenotypically and structurally flawless and is also backed by the fabulous Sparrows Tempest 174K, who is also the mother of the Supreme champion PCC Sudden Impact. M&M Outsider 4003PLD is writing his own book with his progeny, the last two years in a row siring the National Champions in the USA as well as the Canadian National Grand Champion Female just crowned in Edmonton. These Outsider cattle are amazingly haired cattle, deadly looking with that killer show ring appeal. WC CCC Resource 417 is a calving ease bull that has proven his popularity in the USA by siring the Champion pen of 5 and Champion pen of 3 bulls at the national western stock show in Denver 2019. A calving ease sire that will add attractiveness as well as being in the top 1% of the USA for milk EPD and top 10% for weaning EPD. brand new to Canada, the freshest of Charolais genetics take advantage of this opportunity.

*Guaranteed 1 pregnancy if implanted by a certified technician.*

Miss Prairie Cove 309A is the mostly highly productive HTA Vegas daughter in the breed, she has produced many great offspring including Cays Full House who was JR bull calf champion at Agribition, as well as high selling females in Alberta Select. 309A is a no miss female we have never offered eggs for sale by this Donor and this may well be your only opportunity to get embryos from her, the matings are unique and high quality.

## BUYERS DRAW APPRECIATION

### SMASHED HEAD, THE ART OF DANIEL J. SCHNEIDER

In appreciation to our buyers, we will be doing a buyers draw for this original pencil sketch done by Smashed Head Studios, the art of Daniel J. Schneider. The sketch is based on a photo taken of the lot 14 bull in this year's sale.

Artist Daniel J. Schneider is a freelance artist based out of Edmonton AB. He grew up with purebred Angus, the Northline Angus operation. He spends most of his time creating art for the comic book genre, but maintains his ties to his agricultural roots through custom art work and limited edition drawings that portray the western lifestyle. Daniel can be contacted for custom commissions.

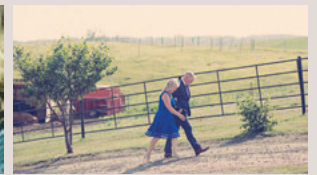

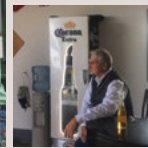

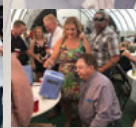

## TERMS AND CONDITIONS

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds. **Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final. **Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures. **Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. **Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void. **Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder. **Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. **Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale. **Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. **Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value. **Errors:** All announcements at sale time, written or oral, supersede any written material in the catalogue.
