22nd Annual Bull Sale

Saturday, February 23, 2019 • 1:30 PM at the Sandan Charolais Farm

Welcome

Welcome to our 22nd Annual Spring Bull Sale. If someone had told us when we purchased Sandan, that we would have twenty-two consecutive bull sales, I would have said they were crazy.

I would like to take a moment to reflect and remember Don who passed in late summer. Don was a friend, a mentor and sometimes even a pain, but he was one of the great cattlemen I had the privilege to work with and know. His efforts, whether it was cattle or cooking, will be missed by many.

Our 2019 lineup of fall bulls is the strongest and best. They are rugged and ready to cover more ground and more cows. They are grass run all summer then put on feed in the late fall, keeping them sound, growing and not overly fat.

Mike brings us the yearling bulls and what a great set they are. In the group are several breeder quality bulls that will suit virtually any program. They have lots of hair, muscle, testicle and are optimal in frame size. They are all here at the farm so stop by and check them out.

Plan to come early, view the bulls and be guests for our complimentary luncheon complete with hospitality. If you have any questions or need assistance, feel free to call Mike or myself.

From the desk at T Bar

Welcome to the Sandan Charolais/Springside Farms Annual Bull Sale, February 23rd at the Sandan Sale Headquarters, Erskine, Alberta. This being the 22nd Annual Bull Sale for George and Ursula, much Charolais history has been born at this famous location. Just consider the number of Charolais that have passed through this ring, then went on to sire all those market topping feeder calves!

A powerful lineup awaits your inspection. Burly, rugged with tons of hair and testicle, the offering is diverse in type and genetics...suitable for any program and every budget. Money makers for all who invest.

Sandan's portion of the offering has a great set of fall bulls. After the children graduated, George and Ursula changed their herd to fall calving to assist them with labor. These fall bulls come to you with more maturity and size. They will cover more cows, more ground and add uniformity to your calf crop. Several bulls in the 2019 offering are tan and red factor for those who would like more color in their calves.

Springside Farms bring a powerful yearling lineup to the sale. On the heels of a record-breaking female sale last fall, many of the bulls selling are brothers to the heifers. Most of the sires have been Springside developed and used as walking bulls...Mike selected them based on the strength of their maternal traits and performance. To many, these genetics are outcross, adding a new dimension to breeding programs. One of the top promoters of the Charolais breed is Mike Panasiuk. He lives and breathes Charolais!

The majority of faces you see sale day will be familiar, as the repeat customer base is large. They are cowboys and cattlemen who understand "Charo-nomics." Topping markets is not uncommon but weaning an extra 100 pounds of calf is another matter.

Feel free to stop by anytime prior the sale and view the bulls at Sandan. Don't hesitate to give Mike or Ursula a call to discuss your breeding intentions. They will be pleased to discuss and assist. Come early sale day, be guests for a roast beef dinner complete with homemade pie, along with hot and cold refreshments. Plan to be there and see the next chapter of history.

If we, at T Bar C, may be of any assistance prior to or sale day, feel free to contact any of the T Bar team for professional and confidential assistance.

DIRECTIONS:

Sandan Charolais Farm is located 4 miles West of Erskine, AB on Highway #12, then 5½ miles South.

In Memoriam Don Pochylko

Don Pochylko, born in 1938, was the son of a Polish immigrant who landed on Canadian soil on June 6, 1929 with just a one hundred dollar bill in his pocket. After renting several farms, Steve Pochylko, purchased the long standing family homestead in 1945, boasting a commercial cow herd of 100 cows and a moderate feedlot for the time of 400 head.

When Don Pochylko was just 22 years old, he established SANDAN Charolais Farms with his wife Sandra. They started a dynasty in a breed of cattle that was uncharted in North America.

Back in 1961, Don and his brother Andy operated a small feedlot and a small herd of commercial cows. That fall, Don purchased five half-blood Charolais bred cows for \$285 each and decided to get into the Charolais business with limited funds and a very nervous banker.

That same year, Don was a founding director of the Alberta Charolais Association and remained a director until 1983. He was also President 1975/76. He volunteered thousands of hours, especially in the early years as they were inventing the Association.

The 1962 calves convinced Don to eliminate the commercials and go "Charolais all the way." His bull calves in 1964 grossed \$12,000 and he was launched and hooked.

The following year, they succeeded in getting two import permits and in on the ground floor of the first importation of French Charolais. Don selected a female and a young bull "Aiglon", his first calf Aiglon Jr. sold for \$19,000 and 8 months later resold for \$100,000! Aiglon Jr., then went on to be the most successful bull on the U.S show circuit. That was 1967. In 1968 the sale of an Aiglon daughter for \$42,000 set a Canadian record at the World Sale in Calgary.

In 1969, at the World Show in Calgary, six head were sold for \$128,000. This was the start of the most exciting and profitable 10-15 year period in the history of the cattle industry in North America and perhaps the world. SANDAN was in the big leagues and Don was taking a leadership role and he knew how to make the best of it. This was also the year Cabotin was added as the next herdsire to breed the Aiglon females and Jaguar would be the next.

Annual open houses started at the farm in 1970 attracting over 400 visitors annually. Open houses involved touring the cow herd as well as the best of the best show cattle on display. Races for the kids, pillow fights for the adults and of course beef and refreshments. The event evolved into the place where the Alberta Charolais Junior Show took place as well.

Annual production sales began the first Sunday in December of 1974 in the newly built, state of the art facility dubbed the "cowplex." The 6000 sq ft sales arena boasted an in-floor hot water heated veterinary area of 1600 sq ft, as well as an upper floor with fully equipped kitchen and recreation area used for meal preparation. Don always cooked the beef because it "has to be the best in the world." Don also believed "the beef tastes better if the booze is free."

Up to his passing, Don shared with everyone his knowledge of the cattle business and mentored many breeders. As recent as the summer of 2018, Don had a letter to the editor published in "Today's Angus Advantage". The article is about the importance of line breeding in the purebred business. A small excerpt reads, "Line breeding or interbreeding concentrates on particular family lines within a cattle group it is probably the most misunderstood and ignored practice in the cattle business."

The SANDAN herd is and was the envy of every Charolais breeder worldwide, both in the pasture and on the show road. Don was the builder of the great white breed of cattle, leaving a history to never be duplicated.

He will be missed!

Purchased by Ken Christiansen,
 Fenn, AB for \$10,000.00

Welcome

This marks the sixth year that Springside Farms has partnered with the Corpataux family and we are excited to invite you all to the 22nd Annual Sandan Bull Sale. We could not be more thankful to Ursula, George and the entire Corpataux family for the hospitality they have shown over the years. I would also like to take a moment to honor someone who truly was a legend in this breed and whom we had to say goodbye to with heavy hearts this year. Don Pochylko was a pioneer in the Charolais business, having raised Charolais cattle for some 50 years and founding the Sandan name and I would like to take a moment to honor him and dedicate this sale to his memory.

Last year was an exciting bull sale for us. With the acquisition of the heart of the Martens Cattle Co. herd, we offered more bulls than ever before. Even with such a significant increase in numbers, we still didn't pass a single bull. This just goes to show that the Charolais breed is only getting better and the demand for Charolais genetics is ever increasing in the beef market. More and more cattle producers are choosing Charolais because their calves are outperforming other breeds when it comes to growth and price per pound in the auction market.

This year we are sticking with our same slogan, there is a bull for every budget. However, we also want to highlight that we have a bull for every program as well. Whether you're a rancher or purebred breeder looking to increase performance, calve out heifers, add hair, improve disposition, raise that perfect little show heifer or crank out ranch bulls all day long; we have a prospect that's right for your program. At Springside we truly value our customers and strive to produce the highest quality product. That's why we'd love to hear from you and find out what your program requires and how we can work together to elevate it to the next level.

Please join us on February 23, 2019 at the 22nd Annual Sandan Bull Sale. On offer are 90 bulls to suit anyone's program. Feel free to come and take a walk through the bullpen or cowherd at any time. We have a BULL FOR EVERY BUDGET and a BULL FOR EVERY PROGRAM. Contact me if you'd like to talk about how Charolais genetics can enhance your program and elevate your profitability on sale day. What are you waiting for? Put that Charolais stamp on your calves and #beidentifiable.

Sincerely,

Mike Panasiuk

Springside Farms Yearling Bulls

REFERENCE SIRE: SOS HOOEY PLD 127D

Hooey topped our sale two years ago at \$40,500, selling to McTavish Charolais at Moosomin, SK and what a job he has done in his first calf crop! Breeders from across Canada who used this bull in their program have been satisfied. Expect Hooey to add hair, improve disposition and maintain fertility and milk ability. We are proud to offer 10 of his sons this year and are confident that they won't disappoint.

REFERENCE SIRE: CML GUSTO 662D

We tried really hard to purchase Gusto with P + H Charolais when he sold to White Lake Colony a couple years ago but we had no luck. Fortunately we got the opportunity to purchase a semen interest to AI some cows and we couldn't be happier. He is a **PERFORMANCE** bull with hair and a lot of vigor! He will also shorten gestation length, which is something we strive for.

REFERENCE SIRE: CEDARDALE ZEAL 125Z

REFERENCE SIRE: CEDARDALE ZEAL 125Z

Calving ease guaranteed here! We added Zeal to our program to AI some heifers and power down those huge performance females with a little extra birth weight. Talk about a home run! With the size of the average herd growing, calving ease is becoming a more integral part of our program because that's what our customers are demanding. Zeal fits that bill, not to mention he is homozygous polled.

Springside Farms Yearling Bulls

REFERENCE SIRE: ERIXON'S SPITFIRE 127T

REFERENCE SIRE: ERIXON'S SPITFIRE 127T

The Spitfire progeny comes to us with the acquisition of 80 cow/calf pairs from Marten's Cattle Co. in Saskatchewan. Feeling the need to add GOOD red factor cattle in volume to the bull sale, Spitfire was an obvious choice. The bull is still used extensively at 12 years of age and we are excited to add these red factor herd sire prospects. Not to mention the daughters are worth drooling over; **AWESOME** udders, feet and fertility.

Springside Farms Yearling Bulls

REFERENCE SIRE: SOS HOME GROWN 15C

REFERENCE SIRE: WINN MANS CHAVEZ 826Y

No bull has had an impact in our herd like Chavez. He has become a household name in Canadian Charolais as his sons are highly sought after from breeders and commercial cattlemen alike. They are no nonsense cattle. We are confident that Chavez and his sons like HOME GROWN, will anchor the SOS program for many many years.

Springside Farms Yearling Bulls

REFERENCE SIRE: SOS APEX PLD 139F

REFERENCE SIRE: CIRCLE CEE LEGEND/LEDGER

Heifer bull extraordinaire. Circle Cee Legend is a son of LT Ledger. His sons will calve and let you sleep at night while your heifers lay down. We were excited to have a Ledger son, SOS Apex Pld 139F, slapped the \$50,000 Players Club Champion last fall in Edmonton at Farmfair and he will be our new heifer bull! We expect great calving ease, loads of hair and great fertility as he measured 38 cm and froze semen at ten and a half months of age.

Springside Farms Yearling Bulls

REFERENCE SIRE: SVY GRIZZLY PLD 521C

Ten sons of Grizzly on offer in this year's bull sale. Grizzly came to us from Sylvan Martens' cows and we were impressed with the thickness and excellent hair that these calves had. Not to mention his daughters will be some wicked cows as Grizzly's milk EPD ranks him in the top 20% in the breed. If keeping replacement heifers, consider one of these Grizzly sons.

SYLVAN AND KAREN MARTENS

MARTENS CATTLE CO.

I first met Sylvan back in 2003 when we showed at the PA Fair and Exhibition. I remember seeing his ad in the Charolais Banner and took a day to tour his cow herd. Plain and simple, I was blown away. Fast forward to 2016 and after some negotiation we were truly fortunate to acquire 80 cow/calf pairs right from the heart of his herd. These cows have been a welcome addition and compliment to our program 100%! Anywhere you see the tattoo MXS it symbolizes cattle raised by one of the best Charolais breeders in the country. Thanks Sylvan and Karen for the tremendous opportunity.

Maximum overdrive you bet! This calf is the youngest calf in the offering and is really cool. Right from a young age we admired this calf for his hair, testicles, excellent feet and legs and his awesome dam! He is soft made and has that presence about him that is hard to find. We expect great things from this calf. *Selling 3/4 interest, full possession.*

LOT 83-86: SOS 850F, MXS 858F, SOS 844F, SOS 841F

Look for these Cracker Jack sons to add consistency to your calf crop. They will sire a set of steers that the buyers will start a bidding war over. Cracker Jack has great hair, excellent feet and legs, great fertility and a super disposition. He has definitely passed all this and more onto his sons. Best way to add consistency to your calf crop is to put a group of these half brothers to work in your herd.

Terms & Conditions

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
