25th ANNIVERSARY

MOOSE CREEK RED ANGUS

Yearling Bull Sale

We wish to welcome you all to our **Silver Anniversary** bull sale. We are proud of the fact that we've been in the Red Angus industry a long time. However, what truly gives us joy is all of the outstanding people we've met throughout the years; especially our fabulous customers whom we've had the pleasure to work with and build amazing life-long friendships. These folks are like family, kind and comforting in tough times, blunt and honest when need be. As you will see in the catalogue, we dedicate this sale to all of you who've helped shape our program, direction and life.

Quickly about the bulls; our largest group of heifer approved yearling bulls sell, but definitely don't ignore the cow bulls... they are a powerful group. Actual weaning weights were taken end of September/early October. Dry conditions and shallow water brought the bulls in a little leaner and lighter than previous years. A very favourable winter (up until February) allowed them to perform better than ever on an exceptionally modest ration. We are confident this is a "do-not-miss" pen of herdsires.

All of us at Moose Creek would like to invite each and every one of you here Sale Day. We feel blessed to have been given the opportunity to work with you throughout the years. Even if you've sold your cows and moved to town, please accept this invitation to enjoy our hospitality and a beautifully prepared Canadian AAA Rib Eye steak.

Come in the car, bring your family and plan to stay for socializing and terrific food.

Thanks for 25 great years, Cheers to 25 more!

RED BLAIR'S NOTORIOUS 62B 1820399 | BBC 62B

Lot 1 and lead off bull in Blair's Ag sale, he is a product of the greatest flush/mating in their history. Kargo x Ms Yankee has produced a barn full of impressive full sibs, male and female. Notorious has quietly gone on to be the best breeding son of that group. Impressive sire group on offer.

RED SVR GANGSTER 44X 1579035 | SVR 44X

High selling bull in our 2018 Yearling Bull Sale and 2019 Edition 2-Yr-Old Sale were both out of Gangster daughters. We have likely 100 milking daughters and are using 2 grandsons to boot. Looking for added longevity in your herd? Gangster saw service in 2018 and planning to again in 2019. Not many cows last until they're 9... when was the last time you saw a 9 year old walking herd bull?

RED HOWE CLEARWATER 21C 1862967 | MHZ 21C

Just the second group of bulls to sell by Clearwater but he is showing what a versatile sire he can be. Calving ease, outcross pedigree, curve bending EPD's and a picture perfect foot. He is an active breeder servicing in both the Thistle Ridge and Moose Creek herds yearly.

OWNED JOINTLY WITH BEN & CAROL TAMS.

REFERENCESIRES

RED FLYING K GALAXY 57B 1810131 | FKR 57B

A tidy, sound sire with low birth consistency and big time growth potential; his first daughters are moderate, maternal cows with a very appealing look to them.

RED LINES TWISTER 13D 1903512 | BNL 13D

Purchased from my old buddy Boyd Lines, Twister is a rather impressive bull that saw duty in both the heifer field and the cow herd.

RED MOOSE CREEK CLOONEY 20D 1940709 | LUO 20D

Clooney was retained to keep the Soo Line Cash, "Conrad", bloodline going. Used on cows and heifers, he is proving to be a calving ease wizard. His greatest strength is his mother, she is possibly the most impressive Red Angus cow in Canada. Bold statement no doubt, but all that have seen her rarely dispute it.

The cattle are the means....

the people are the reason.

WELCOME TO MOOSE CREEK RED ANGUS

Welcome to Moose Creek Red Angus. Established in 1972, we are one of Canada's pioneer Red Angus breeders. Situated in the southeast corner of Saskatchewan, our cattle are raised on the native range south of the Moose Mountains.

Our program is committed to producing sound, fertile, easy keeping cattle designed for the commercial cowman.

Annually, we host an on-farm yearling bull sale mid-April, and sell replacement quality females from our large commercial herd each fall. In the past we have offered 2-Year Old Bulls for sale by private treaty at our Open House. New in 2016, we will have two sales at the ranch: 2-Year Olds will sell by auction at the ranch in February, and our popular Yearling Bull sale in April.
