

MAR MAC FARMS and Guests BULL SALE
March 8, 2017

Mar Mac Farms Annual Bull and Commercial Female Sale at the farm south of Brandon, was held March 8, 2017. The 31 hour historic blizzard 2 days before and roads still closed, threw a wrench in all our plans of displaying one of our best set Red Angus, Black Angus and Simmental bulls, hosting our annual delicious roast beef lunch and the fellowship of visiting with our valued customers. The decision was made to go ahead with a video online sale at 3 p.m. that day and many customers on the phones. DLMS had over 450 people online that day viewing the Mar Mac Sale and 30 bidders on the phone. Over 1/2 of the bulls sold over the internet and 80% of the buyers that day were repeat buyers. Mar Mac Farms thanks everyone who took time to view or call us about our bulls and look forward to better weather next year.
