Welcome to the 26th Annual Blair-Athol/ Haroldsons and Friends Polled Hereford Female Production Sale on Sunday October 15, 2023, at the Blair-Athol headquarters, Arcola, Saskatchewan. Your hosts, the Lees Family along with the Wilsons from Haroldsons and their friends, the Mitchells from Roselawn, the Charlton's, and Manns Polled Herefords, offer a powerful lineup of Polled Hereford Seedstock to enhance and add value to any breeding program throughout the nation big and small.

The Lees Family is a multi-generational Polled Hereford breeding establishment full of history. Over the past several decades, Duncan and Val have been strong volunteers and advocates of the junior movement... in the last decade, Jeff and Grace have picked up when the older generation slowed. They are there with cattle, advice, and fellowship. With Bonanza in Brandon in 2024, you can be assured that the words Juniors and Bonanza will be used quite often.

The name Haroldson's is synonymous to high quality Polled Herefords as Chad has captured the Premier Breeder award for the 11th consecutive year at Agribition. He too is a heifer calf specialist as each fall, they highlight the consignment along with the hand-picked prospects from the friends.

But let us not overlook the strong broody offering of bred females.... The largest bred heifer lineup for the fall run. Diverse in genotype and phenotype with early services, the lineup offers many opportunities to add to your front pasture. Remember that these folks host the feature bull sale each spring...selling are sisters to those bulls.

Plan to be with us on Super Sunday at the home of herd bulls and donors... it will be a great way to spend a Sunday Afternoon, the last leg of the Saskatchewan Sweep Steaks.

Feel free to call any of the T Bar Team for assistance in your selections and purchases... you can be assured that it will be handled in a professional and confidential manner.

Glitz did a great job at Blair Athol! 51L is one of the best! Lots of middle and shape. Easy doing, red eyed with lots of style. Expect to see her in leather. She will be exciting!

• **BW: 80 lbs.**
Attractive, thick butted Glitz out of a perfect uddered Rimrock daughter. Lots of maternal on both sides. Dam 8F is a maternal sister to Chickadee 131D donor dam and dam or Applause 122G who is also in our donor program. This is possibly our best cow family!

• **BW: 82 lbs.**
This attractive Delegate heifer calf out of our P606 Connie Cow has been a favorite all year. The Connie cow family has never missed. This heifer's mom is 12 this year raising her 10th calf and doing a tremendous job. She is a half sister to the cow Jade has been showing the past few years that has gained a lot of attention. This heifer has loads of potential with the maternal integrity behind her we have no doubt she will make a beautiful show heifer or cow for someone. Bonanza Prospect.

34

• **BW: 85 lbs.**
This sweet fronted Royal heifer has caught my eye from day one. She is dark in color, well marked, deep, strong topped as well as correct in her structure. She is also backed by proven genetics in both her sire and dam. Haroldson's JVJ Royal 24E has proven to outbreed himself and the Rimrock daughter she is out of has a beautiful udder and is doing a fantastic job. This will be a really exciting heifer as we watch her mature into both a show heifer and a future donor cow.
Owned with Blair Athol Farms.
Matthew will be happy to winter, breed and develop these heifers for Bonanza 2024 in Brandon, MB at no charge if any CJHA junior member wishes to show either of them.

This deep bodied Rewards heifer is very special to us. I have loved the Rewards calves and she may be one of the best we have raised so far. I love her stoutness and strong hip and her Rimrock mom is one of our best cows. She is safe in calf early to the service of our new herdsire PCL 183F Kaiser 1K. We are extremely excited for these calves to hit the ground next spring.

Exposed to PCL 183F Kaiser 1K from May 16 to August 5. Expected to calve end of February.

This March heifer has all the bells and whistles. First off, she grabs you with her good looks and the power and shape she has from behind. I really like the structure on this one and she can really show that off when she is in motion. I think this heifer will be fun to play with but even funner when you get her into production.

SHE'S GOT
the Look

• **BW: 87 lbs.**
This Dominate female has some extra look and extension to her front one third and has some shape and performance to back it up. She is definitely an eye catcher.

52

• **BW: 90 lbs.**
Here is a Royal daughter with some performance and shape to her. I like the added length of body and the sound structure on this female. Her Totem mother has been a very productive female.

There's certainly some extra power and shape in this Pavati daughter. She is a well marked female with some power in her blood. Once you're done showing this one she is the type that can raise you some herd bulls as well.

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of

actual service.

EXPORT:

Purchases going to the United States will be delivered at cost.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
