FROM THE DESK AT T BAR C

Welcome to the 2023 edition of Canadian Western Agribition's Charolais Sale on November 23rd, Regina, Saskatchewan. Agribition is amongst the leading haltered livestock exhibitions in the world. Their logo signifies the highest degree of livestock quality and attracts visitors from around the globe.

It is only fitting that the hottest, most sought-after breed in the livestock industry, Charolais, will be the feature breed as the finest breeders compete for honors at this exciting event. The sale and its powerful lineup offer unlimited opportunities to acquire the elite of the breed to build your own leading herd as the breed surges forward. endorsed by cowmen of the Continent.

Always a feature in the sale offering are the current year heifer calves... selected for quality and competitiveness, they are front pasture and for the most part donor material once the kids get done showing them. The picks and right to flush are futuristic and the embryos offered are sourced from the leading donors in the breed. The semen offered will add to your breeding intensions and can save you a little tax... a win-win situation.

Plan to be with us at Agribition for the sale which is at 3:30 and the show the following afternoon. You will be treated to great fellowship and high quality seedstock. Feel free to give me or any of the T Bar team a call ... we will be pleased to assist you with your purchases in a confidential and professional manner.

- Chris Poley

HOMO POLLED

BW: 106 lbs. Laramie is a complete package combining shape and style with muscle and mass. Starting with a 106-pound optimal birth weight, he weaned at an amazing 992 pounds. He ranks in the top 2% of the breed for weaning weight, the top 3% for yearling weight, total maternal and ribeye - a combination of performance, maternal and carcass all in one package. His numbers are backed by his parents. His sire, Guinness, working for Turnbull and Wilgenbusch, ranks in the top 1% of the breed for weaning, yearling, and ribeye, top 2% for carcass weight, top 4% for total maternal. His dam ranks in the top 5% for milk and total maternal, along with 15% for ribeye and 20% Carcass weight. Buy where you can find them... don't wait until next spring to get your walking bull... a power package! **Consigned by J M B Charolais.**

(REVELATION X ZAGUCCI 8Z)

POLLED

PE BW: 0.9 **WW:** 55 **YW:** 90 **MILK:** 29

BW: 90 lbs. Coming to you from the heart of our favourite cow family, it is absolutely outrageous that we are parting with Luxe, but here she is! Her mom, BF Cinderella Z, is the first cow that is always picked out in our cow herd and has been one that we have had fun showing and that continuously outproduces herself with her progeny. This cow family stamps their progeny with so much rib shape and dimension, an attribute that is the first thing that catches your eye when you see BAK 14L. Beyond her impressive rib, she stays so true in her lines and square and sound off all four corners, a heifer calf that is so well balanced and truly complete in her makeup. Luxe is a carbon copy of her mom in design and personality and like her mom, we believe that her best days are ahead of her. Be sure to stop by the stall in Toronto and Regina to see Luxe alongside her maternal brother, Baker Farms Justified 15J, a bull that we had a lot of fun with as a bull calf and a yearling and one that has simply outdone himself as a 2-year-old. Retaining one flush at the owner's expense and buyer's convenience. Consigned by Baker Farms.

DAM: ELDER'S DALYCE RAYEL 80C
(PLAYBOY X DALYCE RAY)

HOMO POLLED

PE BW: 2.2 **WW:** 60 **YW:** 129 **MILK:** 29

BW: 91 lbs. We are always on the lookout to add genetics from big time cow families. When we got the chance to put our prefix on an Elders 80C calf we jumped on it. The result was exactly what we hoped for. A heifer calf that we think is going to go on and do big things. It's her power and mass, with extremely flexible leg structure that does it for us. Donna steps down on an awesome foot, and even with the performance still ties it up in a tidy package with her high neck extension. Loads of muscle dimension and rib shape with that extra length everyone is looking for. The pedigree is as exciting as it gets with \$110 000 Houlio and the proven producer Dalcyce Rayel 80C. Without a doubt Cays Donna 4L will be in our donor pen, the ability to breed her to any bull in the breed is just a cherry on top.

Selling half interest.

(CLASSIC X MISS 809U)

POLLED

BW: -0.3 **WW:** 71 **YW:** 119 **MILK:** 32

BW: 104 lbs. We typically don't sell many females around here and we had not planned on letting this one go but we have more coming this winter. Sired by the new and exciting Keystone this might be your only chance to acquire one this year. Backed by our 502C donor cow who is a no miss producer and front pasture female, we expect Lainey to follow right in her moms footsteps. Lainey is so unique in terms of combining so much power and body into such a smooth made and feminine look. She motors around on a perfect hind leg and stands with all four feet pointing in the right direction. Lainey has a ton of hair and a look and build that will make her very competitive in the showing. Although this gets said a lot I truly believe once you are done showing Lainey her contribution as your next donor cow will be the icing on the cake. This is a female with a bright future in any direction you chose to take her. Consigned by Kay-R Charolais.

BW: 86 lbs. What an opportunity here! I am both excited and nervous to be selling in one of the most talked about sales of the year for the first time. I believe that the heifer I am featuring will surely be missed in my replacement pen but will look amazing in yours! RUSS MISS LOVE BUG 722L has been a head turner all summer long and she's now going out on the show road this fall! MISS LOVE BUG becomes more and more of a favorite every day in the show pen. She brings a lot of style, depth, length and thickness that will be an asset to any operation. Be sure to stop by to see her in the stall and in the show ring at Farm Fair International in Edmonton and of course before the sale at Agribition!

BW: 78 lbs. Another standout heifer with a unique pedigree. The Kingsman bull sired a very constant and high-quality group of calves. They all possess an eye-catching look that is easy to find in the group. She has a real presence about her. She's deep, stout, and stylish. As we work with her, she becomes harder and harder to part with. She has a gentle disposition making her an ideal pick for a junior project. I believe a heifer of this caliber has a successful show career ahead of her. Her dam is a top producing first calf heifer that really knocked it out of the park with her first calf. This heifer checks all the boxes!

BW: 92 lbs. This summer we decided to participate in the Agribition Sale. Chris sorted through over 90 heifer calves and picked what he thought was best. Of course SKW SAHARA 112L was one of the first on his list. She was always a stand out and she keeps getting better and better. I really appreciate the depth, style and haircoat of this heifer. The dam is one of our most prolific cows. She is so consistent, producing many top calves over the years. She has an excellent udder and perfect feet. The Red Rock sire has impressive females. I feel this heifer has a bright future and will be a money maker for her next owner.

BW: 88 lbs. It's great to be consigning to the Elite Canadian Western Agribition Sale and this heifer calf will certainly turn some heads. This will be the first ever Pleasant Dawn Connection 195G daughter we have ever sold and is she ever a good one. If you're looking for a heifer calf to throw a halter on and have some fun with, she is the one. But don't worry, once your done showing her, she will make one heck of a cow! These Connection daughters are making great females and she is off one heck of a Legend daughter! There is so much style to this female and she is just starting to come into her own. And if you're looking for a project for CCYA in Swift Current in 2024, we are more than willing to work with you on HKS Girl Crush 64L. **Consigned by Howe Coulee Charolais.**

Pick of the MCTAVISH FARMS

2023 HEIFER CALVES

Lot 9

When we were considering fall consignments for this year, we were wondering how we could contribute to this sale and put our very best forward. We are offering pick of our entire 2023 heifer calf pen. There will be 40 to 50 heifer calves to be chosen from. Sire groups of the heifer pen are Elder's CrackerJack, Pleasant Dawn Connection, HBSF Panhandle and SOS Granite. Nothing will be excluded not even the boys 4H projects if picked. *Pick must be made by March 22, 2024. If one of the boys 4H project is picked, we would like the opportunity to show it at their achievement day.* Consigned by McTavish Farms Ltd.

A Supreme mating. Combining two of the greatest white ones to ever step foot in the show ring. We felt this would be the right place to let this truly special lot sell. Where they both got to shine in the bright lights. A mating that undoubtedly will be recognized across the globe. I often hear many successful producers of all breeds tell stories on that one cow or one bull that changed their program. I truly believe we are offering that here. Berkly Ann and Mayfield both have the ability to work on many different types and kinds. But I think the performance they both offer with unmatched appeal has this mating at another level.

Guarantee one pregnancy if implanted by a certified technician. Exportable to Canada and the USA.

Terms and CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
