Welcome to the 2023 edition of the Canadian Western Agribition Hereford Sale on November 23 at 5:00 P.M. Regina, Saskatchewan. In this the 52nd year of this showcase event, we all look forward to enjoying an exciting week at this world class exhibition. Over the past five decades, Agribition has been the one stop destination for livestock enthusiast's domestically and internationally... Canadian genetics are known as among the best around the globe... each year Canada's finest seedstock are on display for a week of competition and fellowship as new genetics are shared, young dreams are born, and old friendships revisited. We call it a Hereford celebration!

The sale lineup for '23 is exciting in all divisions... after a great fall run ... a record-breaking run, these breed leaders have committed their finest to maintain the commitment of quality for this great event. The frozen category of the sale offers new genetics from proven donors with the future in mind. The picks, the breds and the heifer calves are of a competitive nature as they will hunt on Friday. For those who are serious and moving forward in the exciting Hereford Breed, this dynamic offering has unlimited opportunities!

Plan to be with us on November 23rd for the 52nd Canadian Western Agribition Hereford Sale. View fine seedstock and enjoy this international showcase. For those who cannot attend, feel free to give any of our T Bar team a call as we will be pleased to assist you with your purchases in a professional and confidential manner.

This is the type of female that once you see her, you never forget her! Perfect hip and leg structure, big bodied and sleek fronted.

She has the cosmetics as well..... red eyed, freckle faced and dark in color. Bought in dam from the Ribey's in Ontario.

Selling 1/2 interest in this exciting female. We want to keep her here, show her a little, and then establish a new cow family. This is your chance to join us on this future donor!

GHC C5 Attention 155E - Sire

We are beyond excited to make our Agribition debut with HGC Miss Darla 75L. This female is super soft made and very attractively marked. Her dam is a consistent producer with a replacement heifer at the top of the pen at home. Her sire, Attention is maternally supercharged and hitting both his sons and daughters with a stamp of high quality.

Lady Liberty at side of her dam - Grand Champion Hereford Female at PA Ag Ex

Lady Liberty 33L stands out proud just as her name stake does. She has a strong genetic profile, sired by the popular Blueprint bull and out of our donor Miss Ultra cow family. She has the attractive eye appeal to make a fantastic show heifer prospect, and the maternal strength and udder potential to be a productive donor cow at the ranch. Liberty and her dam, Juniper 3J, attracted much praise and admirers on the show milk run this summer.

We reserve the right to 1 flush at the owner's expense and buyer's convenience.

Saucy 14L is the first daughter of Sassy, who is very possibly the most complete female ever born at Blair Athol. Sassy was a hugely successful show heifer last summer for Hannah hanging banners in 9 shows and all 4 outings as a cow/calf pair this summer. 14L is cut just like her momma but with more power. An added bonus on Saucy is her sire Rimrock. Rimrock daughters are known nation wide for their udder quality and genetic punch. We think the sky is the limit with this one!!

Terms: The buyer will own 50% interest in whichever female they choose. Possession will remain at Blair Athol. The new purchaser will be responsible for 50% of the maintenance costs on an annual basis and 50% of all flushing costs. The purchaser will also receive 50% of the revenue on all natural calves and 50% of the embryos or revenue generated by embryo sales.

RaRa 155K is one of the most intriguing females we've had the pleasure of working with. This mid-April Endure daughter was a class winner at Agribition in 2022 and went on to a very successful summer show circuit for Hannah Lees. RaRa was "in the money" every show this summer, winning Reserve Overall Breeds in 2 of her 5 shows. She is the natural calf of our elite donor Applause 122G who was Agribition Reserve Champion Female in 2020. Carrying an exciting service to our new herdsire PCL 4013 Kingsman ET 49K.

Bred to PCL 4013 Kingsman ET 49K on May 14, due to calve February 22.

Terms: The buyer will own 50% interest in whichever female they choose. Possession will remain at Blair Athol. The new purchaser will be responsible for 50% of the maintenance costs on an annual basis and 50% of all flushing costs. The purchaser will also receive 50% of the revenue on all natural calves and 50% of the embryos or revenue generated by embryo sales.

This hard to miss female is the reigning Junior Champion from this summer's highly competitive Bonanza in beautiful PEI. To add to her resume she was also the Junior Champion at the Lindsay MOE show. Kall Girl is perfectly balanced with length, thickness and femininity. 13K is big middled and is a powerhouse female with extra fleshing ability. Her pedigree speaks for itself with her sire stemming from the same cow family as the 2015 Agribition Champion Female. Simply put we have brought our Best to the West.

AI bred to JDH 4X Ultimate 236Z 94B on August 18. Vet checked safe to breeding.

When looking for a bull that puts genotype and phenotype all into a complete package, Final Print is the man. 0016 has sired a very impressive group of calves south of the border where 5 daughters averaged \$24,000 at the Churchill Cattle Co. Sale. We have heard nothing but great results from Pete Atkins who had Final Print at his place all summer. Just recently Final Print's mother was acquired by GKB Cattle and Express Ranches from the Delaney/Atkins production sale, which is just a testament of the maternal traits he carries. We are anxiously waiting for his first calf crop to hit the ground this spring and what the calves will do for us. There is no better time to get in on this new, young sire in Canada.

60J stems from one of the most prominent cow families in the ANL herd, the Maple family. Maple has always been a standout in terms of style, length of body, huge middled, with a fantastic front 1/3. She has dropped a beautiful udder, caught the eyes of everyone who has seen her and has turned into an outstanding two-year old. Be sure to check out her teat and udder EPD's, they match her perfectly. To see Maple as a cow you only wonder what the potential is as a breeding piece. The only question to ask is who to flush her to? The options are endless.

Guarantee 6 embryos with an open top.

Here is an exciting opportunity to be a part of Remitall West's newest donor Destiny 203F. Every one of her four natural calves are elite individuals leaving no doubt on the power of her genetics. Her daughter Destiny 52J was the high selling female in the 2022 Remitall West Sale at \$49,000 to Medonte Highlands, ON. Her son Fire Lake 20K is the new exciting young herd sire in the Remitall West and Kinnear Ranch programs. These embryos sired by the power house young sire Refresh 118K offer cutting edge genetics. The resulting offspring are going to be highly productive and will have the profile, eye appeal and muscling to be super competitive in the show ring.

Guarantee one pregnancy per package if implanted by a certified technician.

The last opportunity to purchase Next Gen Riesling 295 embryos. When I think back at purchasing this famous cow with Harvie Ranching at the Denver NWSS Mile High Sale, I have to chuckle. Jill looked over at me when she was selling and said, "want to go halves?". We knew Riesling 295 was special, with extra body, length, eye appeal and straight hair. Buying her was the best last minute partnership one could imagine. Riesling 295 went on to win National Championships and then to produce many more including Riesling 3F and Empower 5F. As well, Riesling 295 offspring made waves in the sale ring with several high selling herd-sires such as Empower, Established and Command. Now is your last chance to acquire these rare embryos. Harvie Ranching and Percy View Land & Cattle have three All In x 295's on the ground and they are outstanding females. As for the Montgomery mating, these are a new cross for you to consider, imagine the look, body and hair these calves will have. Once again, the Riesling 295 donor cow has been a no miss, flat out impressive donor. Here is your last chance at her embryos.

Guarantee one pregnancy if implanted by a certified technician.

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
