

D&N LIVESTOCK

COMMERCIAL ANGUS BRED HEIFER SALE

DECEMBER 12, 2023 | PEEBLES, SK | 1:00 PM

WELCOME FROM D&N LIVESTOCK

We would like to welcome everyone to our annual commercial bred female sale at 1:00pm on December 12 on the farm just 3 miles south of Peebles SK.

This year we will be offering 400 bred heifers. This year's offering is definitely one that we are very excited about, there will be 130 half sisters by the industry changing SAV Rainfall. The remaining Heifers are sired by D&N Herd Sires. There are 110 Heifers due for February, 220 due for March and 180 due for April/May. The majority of the Ai services are by SSS Duece 2H, the \$90,000 high seller out of the U2 Rosebud 157C who needs no introduction to the mark she is leaving around North America. There are services by SAV Ease, Millar Duke 816, SAV Rainfall and D&N Rainfall 23H the high seller from our 1st annual bull sale.

The main cow herd of 1450 cows graze year-round. We run a registered herd of roughly 250 head as well as a commercial herd comprising of 1200 mother cows. They begin calving April 20, at which time they graze left over grass and bale graze. Moving into the tame pasture around June 1, where they will rotationally graze until they come home for a 21-day AI period in July. Once the calves are weaned at the end of September the cows will stubble graze until Christmas weather permitting. Then they will move into corn grazing till calving.

We will buy back the heifers out of females that are purchased off the sale and will continue to buy them back in the years to come, if angus bulls are used. We will this year with the option to purchase bull calves back from the Ai sired heifers that are favourable to ai. We pay a

\$250 premium on top of market value. The groups that qualify for this program are 1, 2, 3, 4, 5, 12, 15, 16, 17, 18, 19, 20, 21, 22.

All the females are on a full herd health program.

Lunch is served at noon, and we look forward to seeing you all sale today!

FROM THE DESK AT T BAR C

The D & N operation once again is hosting one of the highlight and premier female offerings out of the entire fall sale run. The amount of time, energy, research and pure hard work that the Rajotte family continues to pour into their cow herd is remarkable, and is what has allowed them to reap the rewards of hosting one of, if not the most, popular commercial bred heifer sale in the entire country. The number of repeat customers that we see annually attend and purchase from this sale is as reliable a testament as you could ask for not only how popular the D&N brand has become, but also the ease of doing business and the customer service provided from the Rajotte's. Dave, Terri and their young, growing family are as persevering, reliable, enthusiastic, and salt of the earth as I've had the pleasure of being able to work with in this industry. While it may be stating the obvious, I feel it warrants driving home the point that the numbers making up the D & N cow herd are overwhelming in their number. That said, there are no shortcuts taken on the pathway to success here. An intensive AI program is conducted, which sees 2100 females every year. As you can see in both these pages and those of their bull sale, the thought put into the sires utilized for this is all encompassing. Factors such as calving ease, EPDs, docility, and maternal traits are all heavily scrutinized and put under a microscope before either an AI sire or walking bull makes the cut. Rainfall continues to display a notable and heavy presence in the program, with last year's progeny being extremely well accepted. SSS Duece has a heavy influence in this years offering, providing all the bells and whistles in terms of maternal attributes, soundness, and foot quality. It is one thing to become a nationally recognized program, but to be locally respected along with it is something truly special. The Rajotte's are an extremely knowledgeable group of cattlemen and woman, but along with that they are truly exceptional to do business with. Take special note of their new Buyback program, as well as their offering of picking up the delivery tab on larger groups. All of us at T Bar C are extremely knowledgeable when it comes to the D & N program and the heifers on offer. Please do not hesitate to give us a call if you have any questions regarding these heifers, they are some of the best-looking females that will go under the gavel all fall!

We are excited to offer our largest set of females out of one of the most well extinguished cow makers of all time, SAV Rainfall 6846. His ability to make each daughter have depth, muscle and all the maternal traits needed to make a cow that can go out and work in any environment or program is hard to come by. The Rainfall daughters have proven to be in high demand with cows in production exceeding expectations.

Do not overlook the daughters out of the herd sires here at D and N. When selecting bulls to use in our breeding program we place a lot emphasis on the cow and cow family that the bull goes back to, in doing this we ensure that we produce predictable high-quality mating's that have longevity, perfect udders, good footed and are structurally sound to fit your operation.

FOR YOUR NOTES

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

HEALTH:

All animals in the sale have met all necessary health requirements.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

DELIVERY:

D&N Livestock will deliver if 40 or more head are purchased. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
