# WELCOME

## FROM THE DESK AT T BAR...

Welcome to the Annual “Good as Gold” Polled Hereford Sale hosted by the Manitoba Hereford Association on December 1, 2023, at the Keystone Event Centre, Brandon, Manitoba. “Good as Gold” has become a tradition where these progressive Hereford producers offer a select lineup of breeding stock for your selection.

Shane Michelson 403-363-9973

We must thank Greenridge Farms and the Stocki Family for their donation heifer as a fundraiser for the association. This fundraiser enables the association to organize and host events while getting the word out to the many commercial breeders in the industry.

The 2023 edition of “Good as Gold” is packed full of opportunities from Manitoba’s finest seedstock. Two herd sire prospects are in the lineup... what a great way to select your next bull this fall and save a few tax dollars. The wide selection of bred heifers will be a feature, selected for quality and many carrying an early A.I. service... you are only a month or so to clip a coupon.

Ben Wright 519-374-3335

2024 will be a highlight year as the Manitoba Junior Hereford Association hosts “Bonanza” in Brandon. Early indications are for a record number of juniors and cattle, making it an exciting event. This brings us to the heifer calf lineup for “Good as Gold” ... exciting and competitive, these sassy youngsters are halter broke and ready to be a part of the largest junior breed show in Canada. Over-the-hill juniors can also bid on these prospects!

Plan to be with us on December 1st in Brandon in the beautiful, heated Keystone Center... it will be worth being a part of be it in person, online or on the phone.

The MHA along with the CHA is committed to increase the demand for Hereford, Hereford genetics and Hereford influenced cattle with genetic evaluation programs and marketing strategies that enhance the acceptance of the breed. The MHA promotes on a provincial level the Hereford breed through events such as the MHA Field Day, MHA Shows and Sales and Commercial promotion at stock yards through Hereford influence sales.

Carol 6L is very dark red & big bodied, sired by Ballpark, who was the high seller in the 2022 Prime Plus Bull Sale. Her mom is a big bodied cow with a very level udder. BW: 83 lbs.

Just a solid red, short marked, meat machine. Lonestar was Champion British Breeds Bull at his first show this summer and at his last time showing, he and his dam won the cow/calf class at the field day, out of 17 pairs! She is a beautifully uddered member of our Reva cow family. Yes, the Revas who were Senior Champs at CWA in both 2020 & 2021, and in '21 went on the be Grand Champion Female! We lost Gunfire after this year's breeding season, so this will be one of your last opportunities to get a son.

You will like this calf

This cherry red, goggle eye tank was Reserve Senior Calf Champion at the field day, where her full sister was Reserve Junior Champion Female. They are just thick, deep, and good. We have three members of the Rose cow family calving here next year. Gunfire, the sire, is a RAWF Reserve Grand Champion.

Anyone thinking Bonanza next year, this heifer is show broke already and we would love to work with the new owners to winter her, get her bred, and see you in Brandon!

This pretty little lady needs to be in Brandon next summer! This heifer was second in class to the Res. Senior Calf Champion at the MHA field day show, but this one is the show heifer. Her dam was our pick of the 2021 Copper Creek sale, and she already has a maternal sister in our replacement pen. Would love to work with the new owner if they would like us to bring the heifer back here and get her bred and ready for Bonanza!

BW: 75 lbs.

# HEIFER *Calves*

Daisy Duke has been a standout since day one. Huge ribbed, fancy made, and sound. 13L has the back leg you love to see on a heifer calf and the type of leg that is made for longevity. She would be a wonderful junior project and will be very interesting to see her in the ring next summer. Her best days will likely be once she gets into production, she has cow power wrote all over her. Top 5% for teat and udder.

This is a bred heifer that catches your eye every time you walk in the pen. Big ribbed, long, and deep bodied, and as sound as you can make one. Miss California has tons of presence that you love to see in a bred heifer. This is one that is hard to see leave with the pedigree she has and the service she carries. It will be very exciting to hear about her Final Print baby.

Command has been breeding amazing at RSK and for all the breeders that have used him. Hereford breeders will buy a pack to try and always want more after, proving that he is a valuable breeding tool for any herd. Commands sire and dam need no introduction, both are proven. Command is proving to be a calving ease sire, but with added performance, style and massive marketability. He is structurally and visually impressive from all angles. We are eagerly awaiting to calve his first daughters which are equally impressive. This will be the last time to get your hands on Command semen for the 2024 breeding season and we are happy to be selling it in the MHA Good as Gold Sale.

BW: 90 lbs.

## Terms & Conditions

### Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### Certificate Of Registration:

Each animal will carry papers issued by the Canadian Hereford Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

### Health:

All animals in the sale have met all necessary health requirements.

### Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness. The Good as Gold consignors stand behind any animal sold in this sale

### Pregnancy Information:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

### Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### Delivery:

Will be provided at cost and at the buyer's option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold; therefore, buyers are urged to insure animals for full value. An insurance salesman will be in attendance.

### Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### Insurance:

We strongly recommend that insurance is purchased for full value.

### Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
